

## Political Donations

### Application

This policy applies to Canada Lands Company Limited (CLCL) and its wholly-owned subsidiary Canada Lands Company CLC Limited (CLC).

In accordance with established Treasury Board guidelines reflecting government policy, insofar as they pertain to Crown corporations, CLCL has adopted the following policy:

- no donations, whether in the form of monies or in-kind goods and services, shall be made by CLCL or CLC to any political party, elected official or any candidate seeking election (elected officials), at any level of government in Canada or elsewhere; this shall include attendance at fundraising dinners or other events for elected officials; and
- employees, other than the President & CEO, may make personal donations to elected officials, as long as the decision to do so is clearly unrelated to the employee's position and duties at CLCL.

Any questions regarding this policy should be directed to the Vice President, Administration, who will liaise with the Office of the Ethics Commissioner or the appropriate personnel in the Treasury Board Secretariat.
