

Take the headache out of MSDS Management

Let the CCOHS Team of Experts Manage Your MSDSs

- An ideal tool for:**
- MSDS Managers
 - Safety Professionals
 - Compliance Officers
 - Emergency Preparedness Staff
 - Health & Safety Committee Members
 - Warehousing, Shipping, Receiving and Storage Personnel
 - Materials Management
 - Purchasing Agents

The CCOHS MSDS Management Service is designed to help you manage your occupational health and safety responsibilities relating to MSDSs, right-to-know requirements and hazard communication.

Making MSDS Manage

What our clients are saying

"The MSDS Management Service helps us maintain our right-to-know requirements by supplying us with a concise library of MSDSs for all of our nine branches. More importantly, this service ensures that our staff are more aware of health and safety-related risks of the hazardous materials they are handling and have easy access to the proper information."

JIM TROY
Health and Safety Coordinator
Kenworth Toronto Ltd.

MSDSs are presented exactly as provided by the manufacturer/ supplier and provide relevant information on:

Storage and handling

Fire and reactivity

Personal protection

Spill and disposal procedures

First aid recommendations

Health hazards

Chemical and physical properties

Access a customized collection of MSDSs specific to *your workplace*.

Our MSDS Management Service enables you to:

Search for MSDSs by product name, manufacturer/supplier, or date range using basic or advanced search methods

Locate MSDSs from your customized collection quickly and easily

View, print or save MSDSs as needed

View MSDSs by department, site or category

Depend on reliable, up-to-date electronic MSDSs

Maintain inventory control of products

Meet your legal compliance and audit requirements relating to MSDSs, including:

- Workplace Hazardous Materials Information System (WHMIS)
- Occupational Safety and Health Association (OSHA) Hazard Communication
- Transportation of Dangerous Goods (TDG)

CCOHS – a trusted source

The Canadian Centre for Occupational Health and Safety (CCOHS) is a national non-profit organization that collects, evaluates and distributes information on workplace health, safety and the environment from sources around the world. Recognized internationally as an innovative and expert resource, CCOHS is governed by a Council with representatives from employers, labour and government, and as such is committed to providing impartial and accurate information to all its clients.

CCOHS represents Canada in the International Labour Organisation's CIS National Centre Program, and is a World Health Organization (WHO) Collaborating Centre.
