Marehouse Morkers

Safety Guide

A pocket-sized booklet packed with useful safety information on manual materials handling, work in confined spaces, lockout procedures, storage of hazardous materials, and much more.

This on-the-job reference guide helps warehouse workers to identify job hazards and take remedial action.

- Outlines workers' duties and rights as given in the occupational health and safety legislation.
- Explains how to conduct safety inspections, and gives sample checklists.
- Lists important dos and don'ts of working with specific tools, vehicles, equipment and machinery.
- Includes contact information for key government resources in charge of occupational health and safety in Canada and the U.S.
