Health & Safety Guide

Outlines the roles and responsibilities of Human Resources Professionals in ensuring employee health and safety.

This easy to use 150 page guide includes checklists and sample policies and procedures that help you to integrate health and safety in human resources management

Call CCOHS for Quantity Discounts

Available in both English and French in hard copy or pdf

The content will help you:

- Respond to legislative health and safety requirements
- Develop & implement health and safety policies and programs
- Ensure **compliance** with health and safety legislation and due diligence
- Identify employee training needs
- Develop an effective **return to work program** for injured employees
