 I do not know what services I require at this time.

* CCC conducts a due diligence review on your company's technical, managerial and financial ability to meet the terms and conditions of the contract.

Information of a financial, commercial, scientific or technical nature—obtained in confidence from a Canadian company by CCC—is not subject to disclosure under the *Access to Information Act*.

If applying for Letter of Introduction or Letter of Reference, you are only required to complete the Applicant and Buyer Information sections and include your application fee. For all other services, please ensure you complete the entire application form.

SIGNATURE

I have reviewed the general terms and conditions upon which CCC will consider participating in the proposed project; and I understand that CCC may require security over and above the work in progress, depending on the nature of the project. The information that I am hereby submitting is true and correct to the best of my knowledge and belief. I understand that the application review process cannot begin until such time as a complete application, including all required documents and the application fee, has been received by CCC. I hereby authorize CCC to obtain credit information from and to share information with my financial institutions as it relates to this Application for Exporter Services.
