**5. MISGRADES:**

If the CWB deems the Producer to be acting in good faith, the CWB may, in its sole discretion, choose to allow delivery of Net Tonnes that does not match the Eligible Variety originally specified in the Contract. This process shall be termed a misgrade and may be accepted by the CWB, without written authorization of the producer, based on the following condition:

- (i) Grain delivered cannot exceed the total Net Tonnes accepted by the CWB;

**6. DEFAULT:**

- a. The Producer shall be in default under the Contract ("in default") if:
  - (i) the Producer fails to deliver a minimum of ninety per cent of the Net Tonnes called for by the CWB, or the handling company on behalf of the CWB for all or any portion of the Eligible Variety committed to be delivered by the producer;

  - (iii) all or any portion of the Net Tonnes delivered or to be delivered by the Producer is determined by the CWB to be ineligible for delivery under the Contract for the Eligible Variety by reason of it not meeting the required grade or protein levels or primary grade specifications for feed grade; or
  - (iv) what is delivered by the producer is not an Eligible Variety as defined in section 1 (d).
- b. If the Producer is in default, the CWB may cancel the Contract for the Eligible Variety. The CWB may also withhold or refuse to pay the premium referred to in section 3(c) and the storage payment referred to in section 3(d) herein. The Producer shall also pay to the CWB the damages suffered by the CWB as a result of the default. Damages will reflect the CWB's costs of administration, demurrage charges/delivery penalties, and lost opportunity as a result of the default, calculated on a per tonne basis. The minimum damages assessed by the CWB will be \$6.00 per tonne and the maximum damages will be \$15.00 per tonne for wheat.
- c. The Producer and the CWB agree that "Liquidated Damages" determined in this manner are a genuine pre-estimate of the actual damages the CWB will suffer as a result of the default and are not a penalty. The Liquidated Damages may be set-off by the CWB against any amounts that may become payable by the CWB to the Producer pursuant to the CWB Act, and/or against the proceeds of any deliveries made by the Producer under the Producer's delivery permit, or any delivery permit in which the Producer has an interest.
