

Corporations, partnerships (includes joint producers), cooperatives or other business enterprises (affected by the Related Producers' Provision)

Forms required

Fall Application form
Additional *Priority Agreement* form(s) – if required
Declaration and Guarantee form
Related Producers' Declaration form(s)
Participants' Calculation Worksheet form

Corporations, partnerships, cooperatives or other business enterprises must have their application and *Declaration and Guarantee* (D & G) form approved by the CWB before receiving a cash advance.

The maximum a corporation, partnership (include joint producers), cooperative or other business enterprise can receive is \$250,000 with the first \$50,000 interest free. This includes any amount transferred from the 2005-06 *AMPA* program where default has been stayed.

Pre-approval

Corporations, partnerships (includes joint producers), cooperatives or other business enterprises can apply for pre-approval of their 2006-07 D & G form. Once you have received an authorization letter from the CWB, the applicant can receive the first cash advance payment (Box D) when the *Advance Application* and other required forms have been completed.

Only one Continuing D & G form is required for each corporation, partnership (includes joint producers), cooperative or business enterprise for all advances applied for in the 2006-07 crop year and future crop years, under the farming operation, **provided the structure of the company and share holders, partners, members or owners does not change.**

Note: If changes are made to the corporation, partnership (includes joint producers), cooperative or other business enterprise after the first payment is issued, a new D & G form must be completed and approved before issuance of any additional payment. Farmers whose defaulted cash advances have been forwarded to AAFC for collection will be required to complete a new D & G form when they apply for their next advance. Contact the CWB prior to issuing an advance if unsure whether the D & G form is still valid.

Pre-approval process

1. Ensure that the applicant has a valid *2006-07 Delivery Permit Book*.
2. Complete the D & G in full using the instructions on page 42-43.
 - Send the white copy to the CWB.
 - Give the green copy to the applicant.
 - Keep the yellow copy for your records. You will need it when you complete the advance application form.
3. The CWB reviews the D & G and sends a letter to you and to the applicant confirming that the D & G has been pre-approved. Keep this letter, as you will need it to complete the advance application.
4. When the applicant completes the application form, you can issue the first payment immediately.

When pre-approval has not been applied for

If the applicant completes the D & G form when applying for an advance, **submit only the CWB copies of all documents** to the CWB for approval before issuing a cash ticket (See pages 42-43 for instructions on completing this form).

Instructions for completing the Advance Application

Have applicants read page one of the advance application. Advise applicants that by signing the application, they are agreeing to the terms and conditions outlined in these documents.

Complete the applicant and delivery point information section of the form.

- Enter the *Declaration and Guarantee* form number.
- Enter your station fax number to receive faxes of documents for corrections and authorization where a second payment is requested.
- If a company participant does not appear in any other permit book and does not have a producer ID number, we will issue one. When completing the D & G form, leave the space for the participant's producer ID number blank. This number will be provided in the advance approval letter.

Amounts exceeding \$50,000

If the total applied for Box (D) on the advance application exceeds \$50,000:

Priority Agreement

- Once the application is completed to the end of paragraph 4, ask the applicant to list all applicable financial institutions and secured parties.
- Instruct the applicant to have every financial institution and secured party complete a separate *Priority Agreement*.

Read about *Priority Agreement(s)* on pages 32-33.

Declaration

Have the applicant read and sign the *Declaration* section of the application form.

Please read "Signature Requirements" on pages 16-17.

The declaration section must be fully completed.

Read the *Notice to Elevator Manager* on the application form. **Ensure all provisions have been met before sending the application to the CWB.**

The advance application form consists of three copies:

- Send the white copy to the CWB as indicated below.
- Keep the yellow copy for your records.
- Give the green copy to the applicant.

The CWB must verify the following applications before a cash ticket is issued:

- Requests for a second payment or subsequent advance (where the applicant has exceeded the \$50,000 or elevator issuance limits).
- Advances for corporations, partnerships (includes joint producers), cooperatives, or other business enterprises (unless they have a pre-approved *Declaration and Guarantee*).

If the applicant does not have a pre-approved *Declaration and Guarantee* form, the cash ticket cannot be issued until you receive approval from the CWB.

You must still endorse the permit book now.

We will fax you a copy of the approval letter when it becomes available.

The applicant will also receive a copy of this letter in the mail.

If applicable, issue the cash ticket. Please read **"Issuing cash tickets" on page 18.**

The package you are preparing for your head office should include the CWB's copies of:

- completed and signed *Advance Application* (white copy);
- completed and signed *Priority Agreement(s)*;
- completed and signed *Related Producers' Declaration(s)*;
- completed and signed *Application for Irrigation Rate* form (if applicable);
- completed and signed *Declaration and Guarantee* form (if not pre-approved);
- cash ticket (if the advance has been issued); and
- the CWB approval letter if this is the applicant's first advance and pre-approval was received.
