

Farm Credit Canada AgriSpirit Fund

1. Before you begin

The AgriSpirit Fund is one way that FCC gives back to the communities where our customers and employees live and work.

Please print out these questions in advance and go through them on paper. It will save you time later on if you fill out a rough draft before you fill out the official one online.

2. Tell us about your organization

In this section, you'll provide information about your organization and its main focus. Keep in mind that these questions refer to your organization, not to this request. We will ask about this request in section four of this application.

What is the name of your organization?

What is your charitable organization registration number with the Canada Revenue Agency or the name of the municipal government or agricultural society that you are partnering with?

What is the main purpose of your organization?

Is your organization funded by United Way? Yes No

3. Tell us how to get in touch with you

This section asks for information that will help us to contact you if we have any questions about your application.

Who should we call for information about your application? We need an e-mail address to let you know about the status of your request. There are many free e-mail services online if you don't have an address. For example, www.hotmail.com or www.yahoo.com are two popular ones.

5. Tell us more about your request

Here's where you tell us about the project you are proposing. Please use point form and limit your answers to 200 words. You can cut and paste information from a previous document or proposal into the text boxes.

What is the name of your project?

Please describe your project. Briefly tell us about your plan and how it will enhance the quality of life for people who live in rural communities. Explain the current situation and the need or the opportunity that exists. Tell us what you plan to do and why. Use point form and limit your answer to 200 words.

The results of your project will be used:

- Daily, throughout the year
- Daily, in certain seasons
- Once or twice a month
- Less than 25 days per year

Explain how community volunteers are involved in your project.

What other funding partners, if any, are currently involved in supporting this project?

How much have you raised to date from these partners? (For example: local, provincial or federal government, other sponsors, individuals that have confirmed their support as of October 1, 2005, not including requests to FCC or other outstanding requests.)

If FCC chooses to support your project, how will you recognize our participation? (For example: news release or conference, permanent signage, promotional material, etc.)

What do you see as your most significant challenges? How will you overcome them? (Please limit your response to a maximum of 200 words.)

Please provide a budget breakdown that explains how your total budget will be spent.

When will your project be complete?

If your organization has worked with Farm Credit Canada in the past, or is in discussions with someone from FCC about this project, what is the name of the FCC contact?

Please provide more background information on your organization or on your request that you believe would be important to our evaluation of your request. Please limit your answer to 200 words. (This question is optional.)
