Dear Mr. Gray:

**RE: Comments on the 2004 Progress Report of the governments' Air Quality Committee**

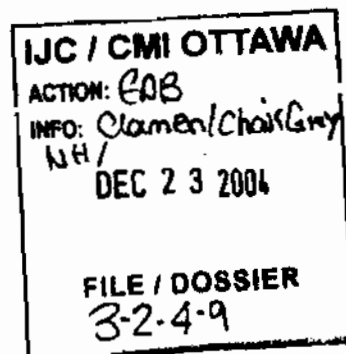

Thank you for inviting my office to comment on the International Joint Commission's 2004 Progress Report of the governments' Air Quality Committee under the Canada-United States Air Quality Agreement. Unfortunately it would be inappropriate for me to comment on your report as it overlaps with several areas where my mandate requires me to provide oversight to the Legislative Assembly of Ontario.

I want to complement you on an excellent report that will certainly help to inform the work of my office and also to request that my office remain on all your mailing lists for these types reports.

Best Regards

Gord Miller  
Environmental Commissioner of Ontario
