Theatre Renewal Campaign 2003-2005

Where Do Donations Go?

Capital Fund *

\$1,000,000

Allows the renovation of the Theatre including:

- more spacious seats and new carpeting
- more leg room
- improved sightlines

New Works Fund

\$850,000

- allows for the creation of new theatre and dance works
- allows for commissions from Canadian playwrights and for script development
- supports the NAC's On the Verge Festival where scripts are showcased by playwrights
- assists the development of talented Canadian choreographers and performers

Performance Fund

\$650,000

- allows the NAC to attract the best Canadian and international performances
- allows the NAC to co-produce works with other organizations and invite cutting edge, international works to perform on our stage
- allows the NAC to attract projects with larger casts
- lengthens rehearsal time and provides more flexibility to the artistic team

Behind the Scenes Fund

\$500,000

- assists set design, production, lighting and wardrobe development
- provides training and experience for tomorrow's technical directors through apprenticeships

**This part of the Theatre Renewal Campaign is being funded by the NAC through its capital budget.*
