

Form IDAC/BP/2

STATEMENT IN THE CASE OF A NEW DEPOSIT
(Issued pursuant to Rule 6.2 of the *Budapest Treaty*)

The undersigned hereby makes a new deposit under Article 4 of the Budapest Treaty, and confirms the undertaking not to withdraw the deposit for the period specified in Rule 9.1. The undersigned hereby declares that the new deposit is identical to the original deposit as identified in the attached original deposit contract.

This statement must be accompanied by a copy of the original deposit contract from the IDA which first received this culture, as well as the most recent statement attesting to the viability of the deposit.

This deposit is being made as a result of:

- Notification received of non-viability of original deposit on (date) _____
- Refusal of IDA to accept deposit due to _____
- IDA unable to furnish sample of original deposit due to _____
- IDA ceased to carry out duties under *Budapest Treaty* effective (date) _____
- Other reason (specify) _____

IDA at which original deposit was made _____

Accession Number assigned by IDA _____

Most recent scientific description or taxonomic designation indicated in reference to this deposit (not to be filled in unless indicated in reference to original deposit) _____

Note: If this is a clinical specimen, please use a unique identifier. DO NOT INCLUDE PATIENT IDENTIFIERS.

Name of Depositor: _____

Address: _____

Signature of Depositor _____ Date: _____

The depositor knows and will observe all of the provisions of the Budapest Treaty, in particular a) the provisions of all information required by IDAC, b) payment of all necessary fees, c) authorization for IDAC to furnish samples according to applicable patent requirements. The depositor will compensate IDAC for any damage it may sustain as a consequence of handling the deposit under the conditions specified above, and indemnify IDAC against any action incurred as a result of the release of samples, unless such action is a result of negligence on the part of IDAC staff. Any dispute shall be governed by Canadian law.
