

Cut Your Own Christmas Tree!

Cost; \$5.00 / tree (Pine only)

GST included

With Christmas just around the corner, many families are looking forward to a traditional outing into the forest to find and cut their own very special Christmas Tree.

Location

Take highway #22 north from Cochrane, turn west approximately 6 km North of Cremona (at the Shell Burnt Timber gas Plant sign) and follow the tree signs to the cutting area - approximately 18.5 km on the left hand side of the road.

Hours of Operation

Junior Forest Wardens will be on site selling permits from **9:00 am to 3:30 pm every Saturday and Sunday - Starting Nov. 25th and ending Dec. 23th, 2006.**

Off-Hour Permits

If you can't make it out on these dates, permits will be available on site. Enclose your payment in the envelopes provided and drop it into the mail slot on the trailer (behind the corrals). Checks are payable to the Calgary Junior Forest Wardens Christmas Tree Lot.

Permits can also be purchased at;

- Alberta Sustainable Resource Development
8660 Bearspaw Dam Road NW, Calgary
Monday to Friday, 8:15-4:30 (closed 12 -1 pm)

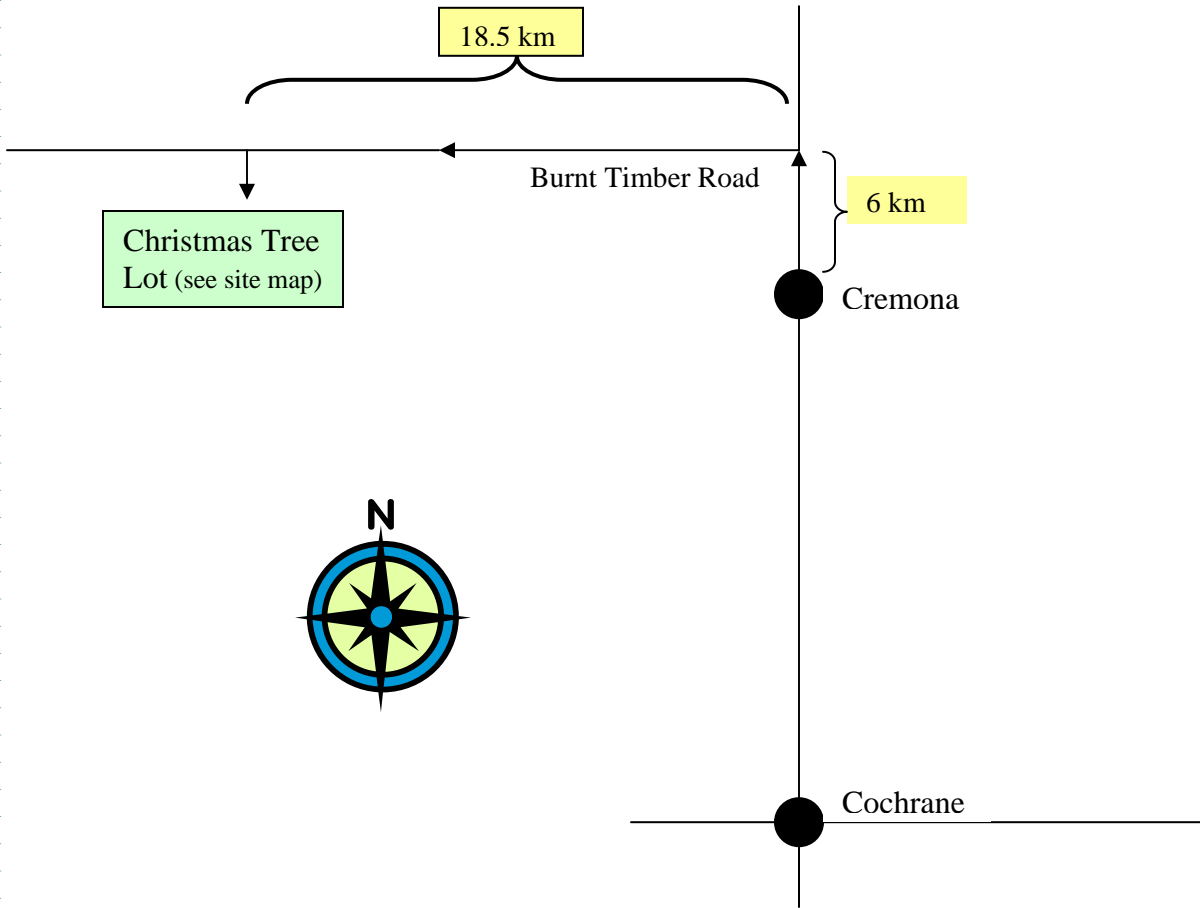

The Junior Forest Warden Program

Junior Forest Wardens encourages all family members to participate in this unique educational program that emphasises respect for the environment while developing leadership and team building skills through hands on learning opportunities.

For more information about Junior Forest Wardens go to AlbertaJFW.ca or call 297-8850.

From Cochrane take highway #22 north, turn west approximately 6 km north of Cremona and follow the tree signs to the cutting area on the left hand side of the road.

<p>Site Map</p>	<p>From the Permit Shed follow the fence line south approx. 500 meters. Stay on the west side of the fence line.</p> <p>Please respect the effort that has been put into bringing this cutover area back to forested land. This is a regenerating forest that needs thinning, cut in the dense areas.</p> <p>Respect the land: act responsibly and minimize your impact.</p>
