

## CAREER OPPORTUNITY

November 28, 2006

### Senior Manager, Fund Management

**Alberta Investment Management, Edmonton** – Our people are a big part of our success, and we're looking for the next great addition to our team. Alberta Investment Management's Fund Management Group is looking for a client-focused individual to contribute to the value added at the total fund level. The Fund Management Group is client focused and is responsible for high quality servicing of Alberta Investment Management client needs, such as analysis of client investment portfolios and financial objectives, and recommending strategic change to their investment policies.

Alberta Investment Management (AIM) is one of Canada's largest investment management organizations with more than \$65 billion of assets under management. Reporting to the Director of the Fund Management Group, this position offers the opportunity to use your knowledge of finance, statistics, economics, portfolio theory and portfolio management to analyze client investment portfolios, offer strategic advice, and engage in client-focused research. Your ability to work independently and within a team environment will ensure your success in this position.

**Qualifications:** Related University degree such as Commerce, Business or Economics combined with 5 to 10 years of relevant experience in the investment industry including investment policy formulation. It is required that the individual have in-depth knowledge of financial software and analytics packages, as well as standard software applications and programming experience. A CFA or a relevant master's level designation is desirable. Equivalencies will be considered.

Alberta Investment Management offers a competitive compensation package including an annual performance-based bonus.

**NOTE:** Candidates not meeting the full qualifications may be considered at a lower level. This competition may also be used to fill future vacancies. Final candidates will be asked to undergo a security screening.
