

Canadian Payment Association & Cheque Consolidation

The Canadian Payment Association (CPA) has published new specifications for Canadian cheques in preparation for the transition to image-based clearing.

Under these new requirements, all cheques generated by WCB will require changes.

Information:

- In November 2006, you will receive a newly designed cheque in the mail that meets the Canadian Payment Association standards.
- The newly designed cheques will contain less personal information to protect your privacy.
- The cheques will conform to Canada Post addressing standards thus improving delivery to you!
