Message from the Minister

As the Minister of Alberta Seniors and Community Supports, I am pleased to provide you with the 2006/2007 edition of the Seniors Programs and Services Information Guide. This guide is a comprehensive and easy-to-use source of information for seniors in Alberta.

Our seniors continue to make many contributions to communities across the province. Seniors are vibrant and active members of our families, neighbourhoods and businesses, and they continue to make Alberta a wonderful place to live.

Alberta provides some of the most generous seniors benefits in the country, which range from the Special Needs Assistance program, which is unique in Canada, to a program that assists seniors with their education property taxes. Many of these programs are for those seniors who are most in need, while other programs are for all Albertans 65 and over, regardless of their income.

If you would like more information about the programs and services in this guide, please call the Seniors Information Line at **1-800-642-3853** or **427-7876** in Edmonton, or visit **www.seniors.gov.ab.ca**.

I hope you find this guide useful in learning about the many seniors' resources that can help you remain active and involved in your community.

Income Support Programs

PROVINCIAL GOVERNMENT PROGRAMS

The following programs are offered by Alberta Seniors and Community Supports.

Alberta Seniors Benefit (ASB)

The Alberta Seniors Benefit program is based on income and provides a monthly cash benefit to eligible seniors. To be considered for the program, you must complete an application form.

GENERAL ELIGIBILITY REQUIREMENTS

To be eligible for the ASB you must:

- be 65 years of age or older,
- be an Alberta resident for at least three months immediately before applying,
- be a Canadian citizen, or have been admitted into Canada for permanent residence (landed or sponsored immigrants), and
- have income within the limits allowed by the program.

CASH BENEFIT

The annual cash benefit is determined by four factors:

- the type of accommodation you live in,
- your marital/cohabitation status,
- your income (combined with the income of your spouse/adult interdependent partner), and
- whether you are eligible for the federal Old Age Security pension.

It is important that you notify the program whenever your personal information changes.

To ensure that a cash benefit is paid to those seniors most in need, the ASB program is based on income. The lower your income, the higher your cash benefit will be, within the maximum cash benefit allowed under the program.

If your annual income level changes, the level of your cash benefit in the following benefit year will also change.

Continued next page...

In general, single seniors with an income of \$21,700 or less, and senior couples with a combined income of \$34,900 or less, are eligible for a cash benefit. These income levels are guideline figures only, and are applicable for seniors whose income includes full Old Age Security pension. Since sources of income will

vary from one individual to another, please see the *Alberta Seniors Benefit Information Booklet* for more information. You can also visit the Alberta Seniors and Community Supports website at www.seniors.gov.ab.ca or call toll-free **1-800-642-3853** or **427-7876** in Edmonton.

PROGRAM CYCLE

The benefit year of the ASB program is 12 months, starting July 1 of the current year and ending June 30 of the following year. The program normally bases your cash benefit for the current program year on your income for the prior calendar year. An exception is made when applying to the program or receiving benefits from the program for the first time. In these situations, income for the current calendar year may be used to determine your eligibility.

You only need to apply once for the ASB program. You should receive an application package in the mail by your 65th birthday.

Your application package will contain instructions for completing the forms and information on what you need to include with the completed application. For more information, contact Alberta Seniors and Community Supports at:

Special Needs Assistance for Seniors

The Special Needs Assistance for Seniors program is based on income and provides a lump-sum cash payment to eligible lower-income seniors. Under this program, seniors who are facing financial difficulty in paying extraordinary, one-time expenses and who have no other resources to draw on can apply for financial assistance. The amount funded depends on income level and the type of expense.

GENERAL ELIGIBILITY REQUIREMENTS

To be eligible for the Special Needs Assistance for Seniors program, you must:

- be 65 years of age or older,
- have lived in Alberta for at least three months before applying,
- have completed an application for the Alberta Seniors Benefit program,
- have submitted a completed Special Needs Assistance for Seniors application form, and
- have income within the threshold.

Generally, seniors who are receiving a cash benefit from the Alberta Seniors Benefit program may receive a special needs benefit.

Continued next page...

AVAILABLE ASSISTANCE

The maximum benefit available from the program is \$5,000 in a benefit year.

Assistance is available for allowable special needs such as appliances, certain medical expenses and the cost of some home repairs. The Special Needs Assistance for Seniors program no longer funds dental and optical expenses. These expenses are now funded through the Dental Assistance for Seniors and Optical Assistance for Seniors programs.

Special Needs Assistance for Seniors is a program of last resort. All other sources of funding must be used before applying to the Special Needs Assistance for Seniors program. Below are a few examples of provincial and federal government programs that offer assistance:

- **federal pension programs** — Old Age Security/Guaranteed Income Supplement/Allowance/Allowance for the Survivor. See pages 12–13 for more information.
- **medical supplies/hearing aids** — Alberta Aids to Daily Living. See pages 30–32 for more information.

- **home repair programs** — Residential Rehabilitation Assistance program (RRAP), Home Adaptations for Seniors Independence (HASI). See page 18 for more information.
- **diabetic supplies** — Alberta Monitoring for Health program. See page 43 for more information.
- **home support programs** — home care. See page 39 for more information.

These are just a few of the programs and services that are described in this guide. Before applying to the Special Needs Assistance for Seniors program, please check all of the federal and provincial benefits available.

Like the Alberta Seniors Benefit program, the Special Needs Assistance for Seniors program is based on income to ensure that assistance goes to those seniors most in need.

HOW TO APPLY

If you have used all other sources of funding and continue to have financial difficulties, you can apply to the program by submitting a completed Special Needs Assistance for Seniors application. If you have not already done so, you will be asked to first submit an Alberta Seniors Benefit application form.

Income Programs for Non-Seniors

Alberta Human Resources and Employment assists non-seniors who have little or no income, or those with special circumstances by providing Alberta Works Income Support. Income Support is a program of last resort that provides financial and health benefits, and training to Albertans who do not have the means to support themselves. Assets and income are taken into account in determining eligibility and benefit level.

Individuals who receive Old Age Security, Guaranteed Income Supplement, Allowance/Allowance for the Survivor and Canada Pension Plan benefits are unlikely to be eligible for assistance from this program. For more information on Income Support, visit the Alberta Human Resources and Employment website at www.hre.gov.ab.ca or call the Alberta Works Contact Centre toll-free at **1-866-644-5135**.

ASSURED INCOME FOR THE SEVERELY HANDICAPPED

Alberta Seniors and Community Supports offers the Assured Income for the Severely Handicapped (AISH) program. This program provides financial and health benefits to adults under 65-years old with a permanent and severe disability who are unable to support themselves. Assets, income, age and residency are also taken into account in determining eligibility and benefit levels. Applicants receiving an Old Age Security pension are not eligible to receive AISH.

Old Age Security Pension (OAS)

To be eligible for the federal Old Age Security pension, you must:

- be at least age 65 (you do not have to be retired),

- be a legal resident of Canada, and
- have lived a minimum of 10 years in Canada after the age of 18.

You must apply for this pension. If possible, send in your application six months before your 65th birthday.

Guaranteed Income Supplement (GIS)

The Guaranteed Income Supplement is available to seniors who receive the Old Age Security pension and have little or no other income.

Eligibility for this supplement and the amount of the supplement that you would receive depends on:

- marital status, and
- total family income in the previous calendar year. If you are married or living common-law, the income of your spouse or common-law partner is included.

The GIS is added to the federal Old Age Security cheque each month. An application must be submitted to receive this benefit.

To continue receiving GIS benefits each year, you must submit a renewal form or file an income tax return by April 30.

Couples must file separate income tax returns.

Allowance/Allowance for the Survivor

The Allowance is paid to the spouse or partner of a senior receiving the Guaranteed Income Supplement.

To be eligible you must:

- be age 60 through 64, and
- have lived in Canada a minimum of 10 years after the age of 18

The amount of the Allowance depends on a couple's combined income in the previous calendar year.

People who may be eligible for the Allowance should apply six months before their 60th birthday. It may be applied for any time between ages 60 to 64 and could continue until the age of 65.

The Allowance for the Survivor is available to a widow or widower of a legal marriage or common-law partnership who has little or no other income and who is between the ages of 60 to 64.

The amount of Allowance for the Survivor depends on the applicant's income in the previous calendar year. An application must be submitted to receive

this benefit. To continue receiving the Allowance or Allowance for the Survivor, you must file an income tax return by April 30 each year. Your Allowance or Allowance for the Survivor will automatically be renewed. If you do not file your income tax, a renewal form must be completed.

Canada Pension Plan

The federal government administers the Canada Pension Plan (CPP). You contribute to the CPP through employment or self-employment. There are different Canada Pension Plan benefits. Application forms are available at any Service Canada office, by calling the Service Canada Call Centre or visiting the website. See page 22 for contact information.

RETIREMENT PENSION

You may be eligible for a retirement pension if you have paid into CPP for at least one year. You may start receiving your CPP retirement pension as early as age 60, at a reduced rate, providing you have ceased or substantially ceased working. If possible, submit your application six months before you want the pension to begin.

Continued next page...

A spouse or common-law partner, in an ongoing relationship, can apply to share CPP retirement pension payments. Even if only one of you has been a contributor to the CPP, that one pension can still be shared. Both of you must be at least age 60 and both of you must have applied for any CPP retirement pension that you are eligible to receive.

Once you begin receiving your retirement pension, you can no longer contribute to the CPP if you return to work. You should inform your employer, who should discontinue CPP contributions.

DISABILITY BENEFITS

The Canada Pension Plan pays a monthly benefit to people who:

- are under the age of 65,
- have contributed to CPP, and
- are disabled according to Canada Pension Plan legislation.

The **Disabled Contributor's Child's Benefit** is a monthly benefit for dependent children of a disabled contributor.

SURVIVOR BENEFITS

There are three types of survivor benefits.

- The **death benefit** is a one-time payment to, or on behalf of, the estate of a deceased Canada Pension Plan contributor.
- The **survivor pension** is a monthly pension paid to the surviving spouse or common-law partner of a deceased contributor.
- The **surviving child's benefit** is a monthly benefit for dependent children of a deceased contributor.

CHILD REARING DROPOUT PROVISION

Months of low or zero earnings spent caring for your child under the age of seven, born after December 31, 1958, may be excluded from the calculation of your pension. This ensures that reduced earnings during the first seven years of your child's life do not result in lower pension benefits in the future.

CREDIT SPLITTING

(AFTER DIVORCE OR SEPARATION)

When a legal marriage or common-law partnership ends in divorce or separation, Canada Pension Plan credits may be divided. Your divorce or separation must have occurred after January 1, 1987 and you must have been separated for at least one year.

Housing

PROVINCIAL GOVERNMENT PROGRAMS

The following programs are offered by Alberta Seniors and Community Supports.

Education Property Tax Assistance for Seniors

The Education Property Tax Assistance for Seniors program covers the increase in the education portion of seniors' property taxes. If a senior was 65 in 2005 or earlier, the program will provide an annual rebate per household to cover the increase in the education portion of their taxes using the 2004 education tax amount as the baseline.

Please note that if you turned 65 or have moved since 2004, the baseline will be the education tax amount you paid during the year this occurred.

GENERAL ELIGIBILITY REQUIREMENTS

To be eligible for the Education Property Tax Assistance for Seniors program you must:

- be 65 years of age or older,
- be an Alberta resident,
- own a residential property in Alberta, and
- have had an increase in the education portion of your property taxes.

APPLYING

The Education Property Tax Assistance for Seniors program continues to work with municipalities to collect seniors' property tax information electronically. If your information is not received through this process, you will receive a letter requesting your property tax information.

Rebate cheques are mailed in the summer after the property tax notices have been issued.

Seniors whose income falls within local limits and who are functionally independent, with or without the help of existing community-based services, are eligible to apply for this program. FEDERAL GOVERNMENT PROGRAMS

The programs in this section are for low-income citizens. Household income must be less than the Core Need Income Threshold established by the federal government. The income limits depend on where the property is located and how many people live in the house.

Residential Rehabilitation Assistance Program (RRAP)

FOR PEOPLE WITH DISABILITIES

This program is for low-income homeowners regardless of the age of the occupants. The house can be new, but construction must be substantially complete, and the house must meet a minimum standard of health and safety. The program provides an income-based forgivable loan up to \$16,000 (\$19,000 in northern areas) for modifications such as wheelchair accessibility or other mobility adaptations, allergy-related modifications, age-related disabilities and hearing or sight impairments. The forgivable loan does not have to be repaid as long as the property is owned and occupied for one to five years after the work is completed (depending on the amount of the loan received). Funds are also available to the owners of rental units.

FOR HOMEOWNERS

This program is for low-income homeowners regardless of the age of the occupants. The house must be at least five years old and be in need of at least one major repair. The program provides an income-based forgivable loan up to \$16,000 (\$19,000 in northern areas) for major repairs required to bring the home up to a minimum standard of health and safety. The forgivable loan does not have to be repaid as long as the property is owned and occupied for one to five years after work is done (depending on the amount of loan received).

Home Adaptations for Seniors' Independence (HASI)

This program is for minor home adaptations to extend the time low-income seniors can live in their own homes independently. The program provides a forgivable loan of up to \$3,500 for adaptations such as handrails, grab bars, deadbolts, lowering kitchen cupboards, adding shelving at a convenient height, additional light fixtures, additional electrical outlets, etc. The forgivable loan does not have to be repaid as long as the property is owned and occupied for six months after the work is complete. Funds are also available to the owners of rental units.

Emergency Repair Program (ERP)

The Emergency Repair Program is for low-income homeowners in rural areas for emergency repairs required for continuing safe occupancy. This program is intended for homes that cannot be brought up to minimum standards through the Residential Rehabilitation Assistance program. This program provides a grant up to \$6,000 (\$9,000 in northern areas) for repairs such as heating systems, chimneys, doors, windows, etc.

PROVINCIAL ORGANIZATIONS FOR SENIORS

SENIORS ADVISORY COUNCIL FOR ALBERTA

The Seniors Advisory Council for Alberta is a government-appointed body that reports to the Minister of Seniors and Community Supports. A Member of the Legislative Assembly, appointed by the Premier, chairs the council. Members represent six regions of the province, with one additional representative each from the Alberta Medical Association and Alberta universities.

Members of the Seniors Advisory Council for Alberta consult with seniors and seniors' organizations and hold meetings throughout the province to gather their suggestions and feedback. Through these interactions, the council makes recommendations to the government on legislation and policies affecting seniors, and the coordination of programs and services for seniors.

Since 1986, the council has led the annual provincial Seniors' Week. The focus of Seniors' Week is to promote a greater understanding of aging and the contributions that seniors make to Alberta society.

Council members are interested in the concerns of all of Alberta's seniors. To share your comments, or to meet with council members, contact:

Optical Assistance for Seniors

ALBERTA AIDS TO DAILY LIVING (AADL)

Alberta Seniors and Community Supports offers the Alberta Aids to Daily Living (AADL) program. This program helps Albertans with a long-term

disability, chronic illness or terminal illness to maintain their independence at home, in lodges, or in group homes by providing financial assistance to buy medical equipment and supplies.

An assessment by an AADL authorizer determines the equipment and supplies that an Albertan can receive through this program. An AADL authorizer may be a nurse, physical therapist, occupational therapist, respiratory therapist, audiologist or other health care professional who works in a community health care centre, hospital, long-term care centre or home care program. Please contact your regional health authority to locate an AADL authorizer.

Note: *Medical doctors are not authorizers.*

You may be eligible for AADL benefits if you:

- are an Alberta resident,
- have a valid Alberta Personal Health Number, and
- require assistance because of a long-term disability, chronic illness or terminal illness. Long-term and chronic are defined as being six months or longer.

HOW DOES THE PROGRAM WORK?

AADL is a cost-share program. You pay 25 per cent of the cost of program benefits to a maximum of \$500 per family, per benefit year (July 1 to June 30), on eligible items.

Low-income Albertans are exempt from cost sharing. Your authorizer or local community health care centre will have a Cost-Sharing Exemption Application for you to complete and send to the address on the form.

If you are exempt from cost sharing, AADL will send you a benefit card. You must show the card to your authorizer and supplier. This card tells the vendor you are exempt from cost sharing for your authorized benefits. If you choose an upgraded item, you are responsible for paying any additional amount.

WHAT IS COVERED?

Only certain medical/surgical supplies and equipment are provided. You must be assessed and authorized for AADL benefits before you receive them. AADL cannot refund clients who purchase their own medical supplies before being assessed and authorized for equipment and supplies.

The program does not provide coverage for foot orthotics, eyeglasses, prescription drugs, dental care or dentures.

Hearing Aids

Hearing aids are provided to seniors and their dependants through AADL registered suppliers only and cost sharing applies. When visiting a hearing aid supplier, please ensure that they are registered with AADL as a vendor. For more information about registered vendors, contact Alberta Aids to Daily Living at **(780) 427-0731**. Outside the Edmonton area, call the Service Alberta Call Centre at **310-0000** to be connected toll-free.

Benefit Information:

- Seniors are eligible for one hearing aid every five years.
- With prior approval, AADL will provide a personal listening device instead of a hearing aid.
- If you are a cost-share client, AADL contributes \$708.75 towards one hearing aid. If you are exempt from cost-sharing, AADL will contribute \$945 for one hearing aid only. This does not include upgrades. If a more expensive hearing aid is purchased, you are responsible for the difference.

Continued next page...

- Replacement of batteries is at your own cost.
- AADL will assist with the invoice cost of factory repairs for the hearing aid once per benefit year after the original purchase warranty expires.
- Minor servicing and additional fees charged by the hearing aid practitioner are at your own cost.
- Hearing aids that are lost, stolen or damaged due to misuse are not replaced by AADL. You may wish to arrange for insurance to cover the loss of hearing aids.

Medical/Surgical Supplies and Rehabilitation or Respiratory Equipment

An AADL authorizer must assess your need for equipment and supplies and complete an authorization form. Some items may require a physician's prescription.

Program authorizers have complete lists of all items provided. A maximum number of benefits are available each year. For details on specific medical/surgical supplies, rehabilitation and respiratory equipment covered by AADL, contact your regional health authority or:

ALBERTA BLUE CROSS – COVERAGE FOR SENIORS

Alberta Health and Wellness offers coverage for health-related services not covered by the Alberta Health Care Insurance Plan through Alberta Blue Cross *Coverage for Seniors*. This program is premium-free for all Alberta seniors, their spouses and eligible dependants. *Coverage for Seniors* starts the first month after you turn 65.

After you are registered with Alberta Health and Wellness for seniors coverage, you will receive an Alberta Blue Cross card. To receive services, you must show your card.

Coverage for Seniors uses the same benefit year as Alberta Health and Wellness, July 1 to June 30. During one benefit year, *Coverage for Seniors* will provide a maximum of \$25,000 in benefits per person for the following services:

Ambulance Services

Ambulance services refer to transportation to or from a public or general, active treatment hospital. You must be ill or injured and transported in a ground vehicle licensed under the Ambulance Services Act and Regulations. *Coverage for Seniors* will pay up to the maximum rate set by Alberta Health and Wellness.

Note: *Inter-facility transfers are not covered under Alberta Blue Cross Coverage for Seniors. Inter-facility transfers are covered by Alberta's regional health authorities.*

Prescription Drugs

Alberta Health and Wellness covers 70 per cent of the cost of prescription drugs, including insulin. You pay the other 30 per cent, up to a \$25 maximum per prescription or refill. The pharmacy bills Alberta Blue Cross directly, so your only out-of-pocket expense is the 30 per cent. Only prescription drugs listed in the *Alberta Health and Wellness Drug Benefit List* are covered.

Note: *If an interchangeable drug product is available, Coverage for Seniors will pay to the least-cost alternative price.*

Purchase only the medicine you need, in quantities you will use. The maximum prescription quantity is a 100-day supply. It is best to be stabilized on the drug dose before getting this quantity. A pharmacist cannot dispense a larger quantity without authorization from Alberta Blue Cross. If you plan to travel outside Alberta and need medication for more than 100 days, talk to your pharmacist at least two weeks before your departure. This will give your pharmacist enough time to obtain authorization.

Alberta Blue Cross *Coverage for Seniors* also provides coverage for services received in other parts of Canada or outside the country. You may be asked to pay for these services at the time they are provided. To be reimbursed, send Alberta Blue Cross a completed and signed Alberta Blue Cross health claim form, with receipts attached. Benefits for services received out-of-country are paid in Canadian funds according to approved Alberta benefit rates.

Continued next page...

OTHER SERVICES

For the following services, you pay the bill then submit the receipt to Alberta Blue Cross for reimbursement:

- clinical psychological services (up to specified maximums)
- home nursing care (up to yearly maximums)
- appliances (up to 100 per cent of the maximum allowable for items on a benefit list as defined by Alberta Health and Wellness), on written order of a physician, the purchase or repair of:
 - artificial eyes
 - artificial limbs except myoelectric-controlled prostheses
 - permanent braces
 - mastectomy prostheses (supporting brassieres are not covered)

Alberta Seniors and Community Supports offers the Dental Assistance for Seniors program. This program provides eligible Albertans aged 65 and older with coverage for basic dental services and is administered by Alberta Blue Cross. Please see page 29 for more information.

Extra Billing

Extra billing is not permitted for any medically required physician, oral surgery or optometry service insured by the Alberta Health Care Insurance Plan; however, not all services provided by practitioners are covered. You can expect to pay the full fee for uninsured services, and should be informed of this by your practitioner before the service is delivered.

Alberta chiropractors and podiatrists are allowed to extra bill the patient. Private insurers providing supplementary health

insurance for health services in Alberta can cover extra charges.

Hospital Services

When you are registered with the Alberta Health Care Insurance Plan and are admitted to an acute care hospital in Alberta for medically required services, you will receive standard ward care, meals, nursing and other services without charge while you are a patient in the hospital. For details about other services that may be included, contact Alberta Health and Wellness at **(780) 427-1432**. Outside the Edmonton area, call the Service Alberta Call Centre at **310-0000** to be connected toll-free.

If you request a private or semi-private hospital room, you will be required to pay a room charge, determined by each individual hospital, unless a physician indicates it is medically required. You may be able to purchase coverage for these charges from some private insurers. See page 42 for information on private insurers.

For more information about coverage for hospital services, contact your regional health authority, listed on pages 37-38.

Temporary Absence from Alberta

If you travel to another province within Canada, you must return within 12 months to retain your Alberta Health Care Insurance Plan coverage. Home Care Services

Regional health authorities in Alberta are responsible for home care. Services are provided to people of all ages based on assessed need.

Home care services help residents of Alberta achieve and maintain health, well-being and personal independence in their own homes. Referrals for home care services come from many sources including family members, friends and doctors. Once the referral is made, regional health authority staff assess the health needs of the individual and the needs of the caregiver. Home care services, including respite to relieve informal caregivers, may be provided.

Home care services include professional and support services. Professional services are nursing, social work, physiotherapy, occupational therapy, nutritional services and respiratory therapy. Support services are personal care services (bathing, dressing and grooming). There is no charge for professional and personal care services.

To arrange for home care services, please call your regional health authority. See pages 37–38 for a listing of Alberta’s regional health authorities.

Long-Term Care Centres

In Alberta, long-term care facilities (nursing homes and auxiliary hospitals) provide room and board and a range of care services, from personal care with nursing supervision to skilled medical and nursing care provided through a contract with regional health authorities. These centres vary in size and are located throughout the province.

The province pays all care costs based on individual need assessments for patients who meet the following conditions:

- you must be eligible for registration with the Alberta Health Care Insurance Plan,
- you must have lived in Alberta for three consecutive years at any time previously, or
- you must have lived in Alberta for one year immediately prior to applying, and
- you must have been a resident of Canada for 10 years or more.

Residents of nursing homes and auxiliary hospitals are not charged for the cost of prescription drugs as prescribed by the resident’s attending physician.

Ambulance services are also provided at no charge if a patient is transferred to or from a hospital for care or treatment.

Residents of long-term care facilities are responsible for accommodation charges at the following rates:

- \$39.62/day for standard accommodation
- \$42.00/day for semi-private accommodation
- \$48.30/day for private accommodation

Low-income seniors may be eligible for financial assistance through the Alberta Seniors Benefit program. For information, please telephone **1-800-642-3853**.

Admission to a long-term care facility is based on an assessment of need by a registered nurse of the regional health authority. When you request services, the assessment staff may decide that a long-term care facility would provide the most appropriate services. If this decision is made, regional staff will work with the placement service to find the right centre for you.

Regional health authorities may be able to offer other models of care that combine health services and accommodation. Other models of care include assisted living, adult family care, group homes, special centres for Alzheimer's disease and related disorders, transitional living settings and various types of seniors day programs. Those that receive funding through regional health authorities will undergo assessments like those used for long-term care facilities before being placed in any of these other models of care.

For more information about long-term care facilities, contact your regional health authority. See pages 37–38 for phone numbers and addresses.

Day Support Programs and Day Hospitals

Day support programs are group programs that individuals may attend on a daily basis. They are intended for people who are frail and/or disabled, and those that need health maintenance, rehabilitation and social or recreational activities. The programs take place in a variety of settings.

Day hospitals are for people who require specialized assessment, treatment and rehabilitation services as an alternative to admission to an acute care hospital or long-term care facility. Individual care plans are developed. These programs may be available through acute care programs and long-term care facilities.

To find out if there is a day support program or a day hospital in your community, contact your regional health authority.

OFFICE OF THE PUBLIC GUARDIAN

Alberta Seniors and Community Supports is responsible for the Office of the Public Guardian (OPG), which offers assistance and services relating to guardianship for dependent adults and personal directives.

GUARDIANSHIP FOR DEPENDENT ADULTS

Guardianship is a legal process that gives an individual (a guardian) the legal authority and responsibility to make decisions about non-financial personal matters on behalf of a dependent adult. Dependent adults are individuals over the age of 18 who are unable to care for themselves and unable to make reasonable judgments about personal matters. Personal matters include where and with whom to live, social activities, work-related matters, education and training, licenses and permits, non-estate legal matters, health care and day-to-day decisions.

OPG encourages and assists individuals in obtaining a guardianship order for an adult who is unable to make independent decisions. Once appointed by the court, these individuals are called private guardians and have decision-making authority for the adult's personal affairs.

If no family or friends are willing to apply to be a private guardian, then the Public Guardian can be appointed as a last resort. Guardians are accountable to the Court. The Court will require the actions and decisions of the guardian to be reviewed at least every six years.

OPG can provide additional information about how to apply for a guardianship order. OPG funds 12 community agencies to assist the public in applying for guardianship. OPG also has self-help kits available for people who wish to apply for guardianship without hiring a lawyer. There are some costs associated with the granting of an order. Where the legal costs would be a hardship for a dependent adult or an applicant, the applicant may be eligible to have OPG contribute to the cost.

PERSONAL DIRECTIVES

A personal directive is a legal document that you can write in case something happens and you cannot make your own personal decisions in the future. Anyone over the age of 18 can complete a personal directive. It can be made with or without the assistance of a lawyer. It becomes a legal document when it is dated, signed and witnessed.

A personal directive lets you choose another person, called an agent, to act on your behalf. The written instructions provided in this document help your agent make decisions on personal, non-financial matters such as where and with whom you live, health care and legal matters. Family, friends and service providers can also be assured that the decisions being made are consistent with your expressed wishes.

The Office of the Public Guardian can provide additional information about how to create a personal directive, where help is available and how to carry out the role as an agent.

Questions about guardianship or personal directives should be directed to the regional office closest to where the dependent adult or the person making a personal directive lives. For more information, visit the website www.seniors.gov.ab.ca, or contact the Office of the Public Guardian at:

FRAUDS AND SCAMS

On a daily basis, seniors are at risk of being taken advantage of by criminals. Although many legitimate businesses market their products and services over the telephone (telemarketing), door to door, or through the Internet, mail or newspaper and magazine ads, there are some dishonest people who will use these methods to try to take your money.

Learn how to tell the difference between a legitimate and honest offer and those individuals that could be defrauding you. Remember, legitimate businesses are not concerned about consumers checking past customer relationships, and are willing to wait for consumers to decide to use their services. If they are reluctant to give you any information, you should be just as reluctant to hire them.

POWER OF ATTORNEY

Granting a Power of Attorney gives someone else (called your *attorney*) the power to make decisions and act on your behalf. A Power of Attorney is voluntary and is limited to matters of property and finance. It does not allow someone to make personal or health decisions on your behalf. For information on guardianship or personal directives, see pages 48–50.

GENERAL VS LIMITED POWER OF ATTORNEY

A *limited* Power of Attorney gives your attorney the power to handle certain financial affairs only; for example, your affairs at a particular bank.

A *general* Power of Attorney gives your attorney the power to handle all financial affairs, including applying for and administering federal or provincial benefits.

POWER OF ATTORNEY/

ENDURING POWER OF ATTORNEY

The following is a brief description of the differences between a Power of Attorney and an Enduring Power of Attorney. For more detailed information, visit the Alberta Justice website at www.justice.gov.ab.ca/dependent_adults/default.aspx, and refer to menu topics.

POWER OF ATTORNEY

- you must be mentally competent to give a Power of Attorney
- takes effect immediately
- ends if you become mentally incapable of managing your affairs

ENDURING POWER OF ATTORNEY

- specifically states that the Power of Attorney remains in effect should you become mentally incapable of managing your affairs
- can contain conditions, such as requiring a written statement from a physician indicating that a specific event has occurred

Although not mandatory, you may wish to consult a lawyer for assistance in drafting your Power of Attorney document.

LAST WILL AND TESTAMENT

A will is a written document that allows you to set out how your property is to be distributed after you die. A will allows you to name a person who will act as your executor after your death and who will make certain that your property is distributed according to your wishes. A will does not have any legal force or effect until after you die.

There are three different types of wills:

- **formal will:** prepared for you by a lawyer
- **holograph will:** prepared by you and done in your handwriting
- **will kit:** forms obtained from any stationary store that you complete yourself

If you require a lawyer, and you do not have one, you can contact the Lawyer Referral Service at **1-800-661-1095**. See page 24 for more information.

WHAT HAPPENS IF YOU DIE WITHOUT A WILL?

If you die without a will, your property will be distributed according to the provisions of the *Intestate Succession Act*. Information about this act is available in the handbook *Saying Farewell: A helpful guide with information and forms to assist you through the death and dying process*. To request a copy, contact Alberta Seniors and Community Supports at **1-800-642-3853 (427-7876** in Edmonton), or print your own copy at **www.seniors.gov.ab.ca**.

WHAT IS AN EXECUTOR?

An executor is a person who is named in a will to be responsible for the administration of an estate. The executor is responsible for notifying relatives and beneficiaries, disposing of perishable assets, securing any estate assets that require immediate attention, making provisions for the immediate needs of the dependants of the deceased, and ensuring that proper funeral and burial arrangements are made.

For more information on wills, executors, or the *Intestate Succession Act*, contact your lawyer or call the Lawyer Referral Service at **1-800-661-1095**.

MAKING FUNERAL ARRANGEMENTS

Check to find out if the deceased previously made any funeral arrangements. If no funeral arrangements have been made, you will need to choose a time and place for the funeral or memorial service. If there is no money for a funeral, discuss with the funeral director whether financial assistance may be available to you.

Prices for funerals can vary significantly depending on the types of services requested. The Alberta Funeral Service Association has a publication *Funerals: An Information Guide*. The publication offers information about planning a funeral, memorial service or military service. To obtain a copy of this publication, contact the Alberta Funeral Service Association at:
