

Redwater library impressed by Supernet

The Redwater Public Library is now operating on Alberta's Supernet.

"Monday, we went live on the Supernet," said library director Judy Dewald Sept. 27. "It's super-duper high speed. Even with graphics and stuff, it's

super speed."

Supernet gives library patrons very fast web search capability plus split second downloading of pictures and site changes. All government web sites are accessible and patrons can use the library computers to apply for a variety of government programs.

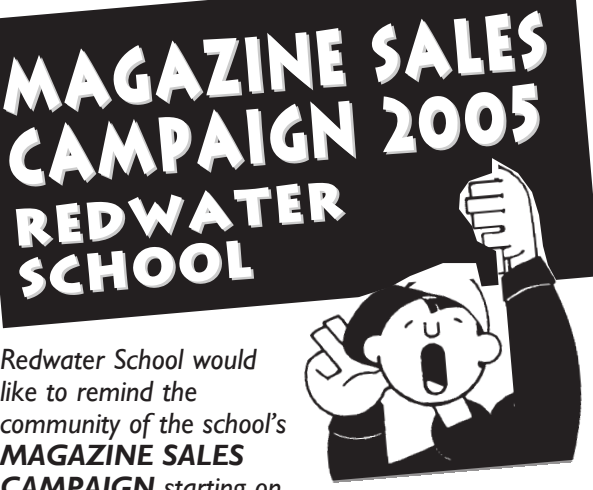

Supernet was installed by the provincial government and is supported by the Alberta Public Library Electronic Network. It is provided to the library at no cost.

Fabulous Inventory Coming In!

4808 - 49 AVE., REDWATER **942-2717**

Redwater School would like to remind the community of the school's **MAGAZINE SALES CAMPAIGN** starting on **Friday, September 30th**. The school is once again using a Canadian company called Canadian Community Reading Plan Inc. This company guarantees 100% service, product satisfaction and lowest prices.

The magazine sales will be the major fund raising activity undertaken by the school and school council in support of student field trips and special activities.

We hope that you will help our school by renewing your present subscriptions or purchasing new magazine subscriptions from any Redwater School or Redwater Learning Centre student. Orders will be accepted until **Monday, October 17th**.

Thank you for your support!

ENERGY LTD

Provident Energy Invites You to a 30th Anniversary Celebration

Provident's Redwater Fractionation and Storage Facility has been operating for 30 years now and we think it's time we celebrated. To help us, we invite you to join us for lunch, cake and some memorable stories of the last 30 years. We'll also conduct tours of the facility, and will share some of our plans to build on the facility's 30 years of success.

Date: Thursday, October 13, 2005

Lunch and Presentations: 1:00 p.m. to 2:00 p.m.

Tours: 2:00 p.m. to 3:00 p.m.

Place: Provident Energy Redwater Fractionation and Storage Facility
Eight miles east of Gibbons on Highway #643

Provident thanks you for your continued support of our operations. We look forward to seeing you at the celebration.

For more information, please contact Ellen Wallace at (780) 992-2600
