

As You Recover

Spot the new guy.

Half of all injured workers are hurt in their first year on the job. A brutal statistic. Whatever a worker's age, if they're new on the job, they're at risk. Make workplace safety your top priority.

HEADS UP
work smart. work safe.

Spot the new guy.

More than half of all injured workers under the age of 25 are hurt in their first six months on the job. A brutal statistic. Ask your supervisor about safety and your job.
