

Alberta SuperNet - it's working for Albertans!

Did you know?
Alberta SuperNet is longer than the
entire TransCanada Highway, which
spans from Vancouver B.C.
to St. John's Newfoundland!

- SuperNet Community
- First Nation Reserve
- Metis Settlement
- SuperNet Fibre
- - - - SuperNet Wireless

Alberta SuperNet is a high-speed broadband network that spans the province. It connects approximately 4,200 schools, hospitals, libraries, and government offices.

The network became fully operational in the province's centennial year, creating a legacy of new opportunities in e-health, e-learning and e-commerce. For more, visit www.albertasupernet.ca
