

## **SCHEDULE 1 PESTICIDE: NOTICE TO PURCHASERS**

The pesticide that you are purchasing is a restricted-use pesticide and is included in Schedule 1 of provincial pesticide regulations. Schedule 1 pesticides have special health or environmental concerns and must be used with extra care and caution.

Please read all label instructions carefully. If you do not understand a label instruction, please have your pesticide vendor explain the instruction for you. Please contact the pesticide manufacturer if you have any questions regarding the safe use of this product that is not explained on the product label.

Appropriate protective equipment must be worn when handling or applying this product. Check the label or contact the manufacturer for verification of the appropriate personal protective equipment to wear. If after handling or using the product you experience any unusual symptoms that may be related to exposure to this pesticide, please contact the Alberta Poison Centre for information and assistance (1-800-332-1414).

For information regarding provincial pesticide regulations, please contact a regional office of Alberta Environment:
