

Special: Interior Plantscape Certification Class

The Recertification Program initiative for the Special: Interior Plantscape Certification Class has been determined by the Greenhouse and Special: Interior Certification Committee. The Committee is comprised of industry and government representatives. For more information on pesticide recertification, call 780-538-8054. The Committee has determined the following phase in for the Special: Interior Plantscape class of certificate:

- Applicators with certificates expiring in 2004 and 2005 will renew by reapplying for their certificate. This option will only be offered until December 31, 2005 after which 5 credits will be required.
- Applicators with certificates expiring in 2006 will renew by rewriting the certification exam or obtaining 5 continuing education credits. The 5-credit option will only be offered until December 31, 2006 after which 10 credits will be required.
- Applicators with certificates expiring in 2007 will renew by rewriting the certification exam or obtaining 10 continuing education credits. The 10-credit option will only be offered until December 31, 2007 after which 15 credits will be required.
- Applicators with certificates expiring in 2008 will renew by rewriting the certification exam or obtaining 15 continuing education credits.

Special: Interior Plantscape - Sessions Approved for Continuing Education Credit

NOTE:

- **STANDARDIZED SESSIONS (SESSIONS WHERE THE COURSE CONTENT DOES NOT CHANGE) CAN ONLY BE TAKEN ONCE FOR CREDIT IN A CERTIFICATION PERIOD. For example, the NAIT IPM Fundamentals Course can only be taken once for credit in an applicator's certification period.**
- **ONLY ONE OF THE SESSIONS THAT ARE BASED ON THE LAKELAND COLLEGE HOMESTUDY COURSE (YELLOW SHADED SESSIONS IN THE TABLE BELOW) CAN BE TAKEN FOR CREDIT IN A CERTIFICATION PERIOD. For example, if an applicator takes the first day of an applicator tutorial, they can not get additional credits for taking the Authorized Assistant or Olds College Core Review Session as they are all based on the Lakeland College homestudy course.**

Session/Course Name	Location	Contact	Recognized for which Certification Classes	No. of Credits/Concept
Pesticide Applicator Tutorial (available yearly)	Lakeland College Sherwood Park December 2006 February 2007 April 2007	1-866-853-8646	All Certification Classes: Core Portion only	All Classes - Core Portion: 2 - Regulations 1 - Health & Safety 1 - Labelling 1 - Environment 1 - Emergency Response Aerial, Agriculture, Industrial, Forestry and Landscape. Six credits as listed above for the Core portion plus: 2 – Pest Management 2 – Application Technology
	Olds College Olds March 19-22, 2007	1-800-661-6537	Aerial, Agriculture, Industrial, Landscape, Forestry
