AUDITOR'S REPORT

To the Members of the Board of Directors of the Persons with Developmental Disabilities Northwest Region Community Board and the Minister of Community Development

I have audited the statement of financial position of the Persons with Developmental Disabilities Northwest Region Community Board as at March 31, 2003 and the statements of operations and changes in financial position for the year then ended. These financial statements are the responsibility of the management of the Board. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Persons with Developmental Disabilities Northwest Region Community Board as at March 31, 2003 and the results of its operations and the changes in its financial position for the year then ended in accordance with Canadian generally accepted accounting principles.

I also report that, as described in Note 9, the Board made certain payments that did not comply with the *Persons with Developmental Disabilities Community Governance Act*.

Note 7 Commitments (thousands of dollars)

As at March 31, 2003, the Board has the following commitments:

	20	003	20	002
Service Contracts ^(a) Long-term Leases ^(b)	\$	55	\$	45
	\$	55	\$	45

- ^(a) The actual amounts are dependent on the usage of service.
- ^(b) The Board leases certain equipment under operating leases that expire on various dates. The aggregate amounts payable for the unexpired terms of these leases are as follows:

2004	\$ 19
2005	17
2006	14
2007	5
	\$ 55

Note 8 Surplus Retention Reserves (thousands of dollars)

The Board has entered into contracts with third party agencies to provide support for individuals which it serves. Occasionally, the Agencies do not spend all the funds they have been provided. When these unexpended amounts result from the efficient management of the program or fluctuations in service demand, the funds may be retained by the Agency and, after obtaining approval from the CEO of the Board, spent in the following manner:

- To eliminate deficits;
- To acquire assets;
- To fund exceptional maintenance costs; and
- For expenses of a one-time nature that will not result in incremental or continuing operating costs.

The estimated balance of these reserves at March 31, 2003 was \$30 (March 31, 2002 - \$0). This amount is not reflected in these financial statements.

Note 9 Grandfathered Clients (thousands of dollars)

When the *Persons with Developmental Disabilities Community Governance Act* (the *Act*) was passed by the Alberta Legislature in 1997, the new legislation narrowed the service mandate from the previous disability supports program and established eligibility criteria.

Certain individuals who were receiving services prior to the passing of the *Act* but who no longer met these new criteria for Persons with Developmental Disabilities (PDD) supports were grandfathered in to new PDD service system. In response to a recommendation from the *Building Better Bridges* Report, Government directed that PDD Boards continue providing services to grandfathered individuals until service responsibility is handed-off to a more appropriate provincial program.

Accordingly, expenses related to the care of these grandfathered individuals do not comply with the *Act*. The total cost of these services for 5 individuals that have been included in the Statement of Operations is estimated to be 40 (2002 - 65).

Note 11 Comparative Figures

Certain 2002 figures have been reclassified to conform to the 2003 presentation.

Note 12 Approval of Financial Statements

The financial statements were prepared by management and approved by the Board.
