Auditor's Report

To the Members of the Board of Directors of the Persons with Developmental Disabilities Northeast Region Community Board and the Minister of Community Development

I have audited the statement of financial position of the Persons with Developmental Disabilities Northeast Region Community Board as at March 31, 2004 and the statements of operations and cash flow for the year then ended. These financial statements are the responsibility of the Board's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Persons with Developmental Disabilities Northeast Region Community Board as at March 31, 2004 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

I also report that, as described in Note 8, the Board made certain payments that did not comply with the *Persons with Developmental Disabilities Community Governance Act.*

In response to a recommendation from the *Building Better Bridges* Report, Government directed that PDD Boards continue providing services to these individuals and agencies until service responsibility is handed-off to a more appropriate provincial program. Accordingly, expenses related these grandfathered individuals and agencies do not comply with the *Act*.

The total cost of these services for 11 (2003 - 12) individuals that has been included in the Statement of Operations is estimated to be \$338 (2003 - \$195).
