Auditor's Report

To the Directors of the Alberta Historical Resources Foundation

I have audited the statement of financial position of the Alberta Historical Resources Foundation (the Foundation) as at March 31, 2006 and the statements of operations and cash flows for the year then ended. These financial statements are the responsibility of the Foundation's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Foundation as at March 31, 2006 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

Notes to the Financial Statements
Year ended March 31, 2006

Note 1 Authority and Purpose

The Alberta Historical Resources Foundation (Foundation) operates under the authority of the *Historical Resources Act*, Chapter H-9, Revised Statutes of Alberta 2000.

The purpose of the Foundation is to assist in the preservation and interpretation of Alberta's heritage primarily through the encouragement and sponsorship of community heritage initiatives.

The Foundation is a crown agent of the Government of Alberta and as such has a tax exempt status.

Note 2 Summary of Significant Accounting Policies and Reporting Practices

The recommendations of the Public Sector Accounting Board of the Canadian Institute of Chartered Accountants are the primary source for the disclosed basis of accounting. These financial statements are prepared in accordance with the following accounting policies that have been established by government for all entities.

(a) Reporting Entity

The reporting entity is the Alberta Historical Resources Foundation, which is part of the Ministry of Community Development (Ministry) and for which the Minister of Community Development (Minister) is accountable. The Ministry Annual Report provides a more comprehensive accounting of the financial position and results of the Ministry's operations for which the Minister is accountable.

(b) Basis of Financial Reporting

Fund Accounting

Transactions are grouped, for reporting purposes, into funds in accordance with specified activities or objectives. These funds are described as follows:

- The operating fund accounts for the revenues and expenses associated with the primary activities of the Foundation.
- Restricted funds account for contributions received with imposed conditions on how the funds are to be used, interest earned and the expenses associated with the specified activities.

Note 2 Summary of Significant Accounting Policies and Reporting Practices (continued)

(b) Basis of Financial Reporting (continued)

Revenue

All revenues are reported on the accrual method of accounting. Cash received for which goods or services have not been provided by year end is recorded as unearned revenue.

Donations are recognized as revenues when they are received. Donations of materials and services that would otherwise have been purchased are recorded at fair value when fair value can reasonably be determined.

Internal Government Transfers

Internal government transfers are transfers between entities within the government reporting entity where the entity making the transfer does not receive any goods or services directly in return.

Expenses

Directly Incurred

Directly incurred expenses are those costs the Foundation has primary responsibility and accountability for, as reflected in the Government's budget documents.

Directly incurred expenses include amortization of capital assets.

Grants are recorded as expenses when authorized and when all eligibility criteria have been satisfied.

Incurred by Others

Services contributed by other entities in support of the Foundation's operations are disclosed in Schedule 3.

Assets

Financial assets of the Foundation are limited to financial claims, such as receivables from other organizations as well as inventories held for resale.

Tangible capital assets of the Foundation are recorded at historical cost and amortized on a straight-line basis over the estimated useful lives of the assets. The threshold for capitalizing new systems development is \$100,000 and the threshold for all other capital assets is \$5,000.

Note 2 Summary of Significant Accounting Policies and Reporting Practices (continued)

Basis of Financial Reporting (continued)

Assets (continued)

Collections of historical assets held by the Foundation are not recorded as assets. Purchases of collection items are expensed in the period in which the items are acquired. Donations of artworks and collection items are reported as revenue and expenses at their fair value when fair value can be determined. When fair value cannot be reasonably determined, these donations are recorded at nominal value.

Liabilities

Liabilities are recorded to the extent that they represent present obligations as a result of events and transactions occurring prior to the end of the fiscal year. The settlement of liabilities will result in sacrifice of economic benefits in the future.

Valuation of Financial Assets and Liabilities

Fair value is the amount of consideration agreed upon in an arm's length transaction between knowledgeable, willing parties who are under no compulsion to act.

The fair values of cash and accounts payable and accrued liabilities are estimated to approximate their carrying values because of the short-term nature of these instruments.

Note 3 Cash (thousands of dollars)

Cash consists of deposits in the Consolidated Cash Investment Trust Fund (CCITF) of the Province of Alberta. CCITF is managed by Alberta Finance with the objective of providing competitive interest income to depositors while maintaining appropriate security and liquidity of depositors' capital. The portfolio is comprised of high quality short-term and mid-term fixed income securities with a maximum term to maturity of three years. Interest is earned on the Foundation's daily cash balance at the average rate of CCITF's earnings, which varies depending on prevailing market interest rates.

Due to the short-term nature of these deposits, the carrying value approximates fair value.

Cash in the amount of \$19 has been restricted for the Roger Soderstrom Fellowship fund and is therefore not available to pay for operating expenses of the Foundation (Note 6).
