AUDITOR'S REPORT

To the Members of the Legislative Assembly

I have audited the consolidated statement of financial position of the Ministry of Community Development as at March 31, 2003 and the consolidated statements of operations and changes in financial position for the year then ended. These consolidated financial statements are the responsibility of the Ministry. My responsibility is to express an opinion on these consolidated financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

Described in the following paragraphs are exceptions from Canadian generally accepted accounting principles. In aggregate, these matters result in an overstatement of liabilities of \$306,000, and an understatement of revenues, expenses, assets, and net assets of \$4,348,000, \$2,375,000, \$2,767,000 and \$11,323,000 respectively in the accompanying financial statements.

The Ministry is required to follow the corporate government accounting policies and reporting practices established by Alberta Finance, including the following policies that are exceptions from Canadian generally accepted accounting principles:

Excluded operations

As disclosed in Note 17, the Ministry operates some of its cultural facilities with the assistance of volunteer societies. These volunteer societies collect government revenues, incur expenses and retain the surpluses for operating and improving the facilities. These Ministry revenues, expenses and surpluses have not been reported in these financial statements. We estimate that the omission of the amounts has resulted in revenues, expenses and net assets at March 31, 2003 being understated by approximately \$4,348,000, \$3,580,000 and \$8,963,000 respectively.

For the year ended March 31, 2003, the Ministry operated all of its historical facilities with the assistance of volunteer societies. In prior years, when the Ministry operated some of its historical facilities with the assistance of volunteer societies, the revenues, expenses, and surpluses that related exclusively to the operation of those facilities operated by volunteer societies were excluded from the Ministry's financial statements. As of March 31, 2003, accumulated surpluses of \$306,000 have been returned to the Ministry and recorded as deferred contributions rather than net assets. In addition, the Ministry has not recorded the remaining surpluses not returned to the Ministry, which are estimated to be in excess of \$129,000.

The effect of this departure from Canadian generally accepted accounting principles is to overstate liabilities by \$306,000, understate assets by approximately \$129,000 and understate net assets by approximately \$435,000 at March 31, 2003.

Capital assets

The Ministry employs a policy of expensing capital asset purchases under \$15,000 in the year of acquisition. Consequently a significant amount of resources available to the Ministry for future use has been recorded as if it had been consumed. At March 31, 2003, assets in the Ministry have been understated by approximately \$2,638,000, net assets have been understated by approximately \$1,925,000 and expenses for the year have been overstated by approximately \$1,205,000.

Related party disclosure

As the Ministry's reporting practices stipulate that related parties include only those organizations that are part of the government reporting entity, transactions with the regional health authorities are not disclosed in these financial statements as transactions with related parties. Under Canadian generally accepted accounting principles, the regional health authorities are related parties of the Ministry and a description of the nature of the relationship with these regional health authorities should be included in Schedule 5, Related Party Transactions. Also Schedule 5 should disclose the expense for the contract services provided by Chinook Regional Health Authority and Palliser Health Authority amounting to \$2.1 million and \$2.5 million respectively.

In my opinion, except for the effect of the matters discussed in the preceding paragraphs, these financial statements present fairly, in all material respects, the financial position of the Ministry as at March 31, 2003 and the results of its operations and changes in its financial position for the year then ended in accordance with Canadian generally accepted accounting principles.

I also report that, as described in Note 16, consolidated expenses include payments made by Persons with Developmental Disabilities Boards for the provision of services to individuals whose disability did not meet the definition of a developmental disability as defined in the *Persons with Developmental Disabilities Community Governance Act.*

Note 1 Authority and Purpose

The Minister of Community Development (Minister) has, by the Government Organization Act and its regulations, been designated responsible for various Acts. To fulfill these responsibilities, the Minister is responsible for the organizations listed in Note 2(a). The authority under which each organization operates is also listed in Note 2(a). Together these organizations form the Ministry of Community Development (Ministry).

The purpose of the Ministry is to enhance and preserve the quality of life for Albertans. This is done by:

- Promoting community development by designing and delivering programs and services that nurture and support, in collaboration with geographic communities and communities of interest, a high quality of life in Alberta;
- Protecting human rights and promoting fairness and access by designing and delivering programs and services that increase understanding and awareness of diversity, fostering equality and reducing discrimination so all Albertans have the opportunity to participate in the social, economic and cultural life of the Province;
- Supporting the inclusion and participation for Albertans with disabilities and protecting persons in care by designing and delivering individual-based programs that ensure that Albertans who live with a disability have opportunity to participate in the social, economic and cultural life of the Province and ensure that adult Albertans in care are protected from abuse;
- Preserving, protecting and presenting Alberta's history and culture by designing and delivering programs and services that preserve, protect, research, present and promote appreciation for Alberta's historical resources and culture, and provide significant educational, scientific and economic benefits; and
- Preserving, protecting and presenting Alberta's provincial parks and protected areas by managing and maintaining Alberta's provincial parks and protected areas to preserve the Province's natural heritage and provide opportunities for heritage appreciation, outdoor recreation and heritage tourism.

Note 2 Summary of Significant Accounting Policies and Reporting Practices

The recommendations of the Public Sector Accounting Board of the Canadian Institute of Chartered Accountants are the primary source for the disclosed basis of accounting. Recommendations of the Accounting Standards Board of the Canadian Institute of Chartered Accountants, other authoritative pronouncements, accounting literature, and published financial statements relating to either the public sector or analogous situations in the private sector are used to supplement the recommendations of the Public Sector Accounting Board where it is considered appropriate. These consolidated financial statements are prepared in accordance with the following accounting policies that have been established by government for all ministries.

Note 2 Summary of Significant Accounting Policies and Reporting Practices (continued)

(a) Reporting Entity

Organization

The reporting entity is the Ministry of Community Development. The Government Accountability Act defines a Ministry as including the Department and any Provincial agency and Crown-controlled organization for which the Minister is responsible.

All departments of the Government of Alberta operate within the General Revenue Fund (Fund). The Fund is administered by the Minister of Finance. All cash receipts of departments are deposited into the Fund and all cash disbursements made by the departments are paid from the Fund. Net Transfer from General Revenues is the difference between all cash receipts and all cash disbursements made.

(b) Basis of Consolidation

The accounts of the organizations listed in Note 2(a) above have been consolidated. Revenue and expense transactions, investing and financing transactions, and related asset and liability accounts between the consolidated organizations were eliminated upon consolidation.

Note 2 Summary of Significant Accounting Policies and Reporting Practices (continued)

(c) Basis of Financial Reporting

Revenues

All revenues are reported on the accrual method of accounting. Cash received for which goods or services have not been provided by year-end is recorded as unearned revenue.

Donations of materials and services that would otherwise have been purchased are recorded at fair value at the date of donation when fair value can reasonably be determined.

Internal Government Transfers

Internal government transfers are transfers between entities within the government reporting entity where the entity making the transfer does not receive any goods or services directly in return.

Dedicated Revenue

Dedicated revenue initiatives provide a basis for authorizing spending. Dedicated revenues must be shown as credits or recoveries in the details of the Government Estimates for a supply vote. If actual dedicated revenues are less than budget and total voted expenses are not reduced by an amount sufficient to cover the deficiency in dedicated revenues, the following year's voted expenses are encumbered. If actual dedicated revenues exceed budget, the Ministry may with the approval of the Treasury Board, use the excess revenue to fund additional expenses on the program. Schedule 2 discloses information on the Ministry's dedicated revenue initiatives.

Expenses

Directly Incurred

Directly incurred expenses are those costs the Ministry has primary responsibility and accountability for, as reflected in the Government's budget documents.

Grants are recorded as expenses when authorized and when all eligibility criteria have been satisfied.

In addition to program operating expenses like salaries, supplies, etc., directly incurred expenses also include:

- Amortization of capital assets;
- Pension costs which comprise the cost of employer contributions for current service of employees during the year; and

Note 2 Summary of Significant Accounting Policies and Reporting Practices (continued)

(c) Basis of Financial Reporting (continued)

Expenses (continued)

Directly Incurred (continued)

• Valuation adjustments which include changes in the valuation allowances used to reflect financial assets at their net recoverable or other appropriate value. Valuation adjustments also represent the change in management's estimate of future payments arising from obligations relating to vacation pay.

Incurred by Others

Services contributed by other entities in support of the Ministry's operations are disclosed in Schedule 6.

Assets

Financial assets of the Ministry are limited to financial claims, such as advances to and receivables from other organizations, employees and other individuals, as well as inventories held for resale.

Investments are recorded at cost. Where there has been a loss in the value of an investment that is other than a temporary decline, the investment is written down to recognize the loss.

Inventories are valued at the lower of cost and net realizable value.

Assets acquired by right are not included. Capital assets of the Ministry are recorded at historical cost and amortized on a straight-line basis over the estimated useful lives of the assets. The threshold for capitalizing new systems development is \$100,000 and the threshold for all other capital assets is between \$5,000 and \$15,000 in accordance with each organization's capitalization policy. All land is capitalized.

Donated capital assets are recorded at their fair value at the time of contribution.

When physical assets (capital assets and inventories) are gifted or sold for a nominal sum to parties external to the government reporting entity, the fair values of these physical assets less any nominal proceeds are recorded as grants in kind.

Collections of historic and scientific artifacts, archival holdings, and works of art held by the Ministry are not recorded as assets. Purchases of collection items are expensed in the period in which the items are acquired. Donations of artworks and collection items are reported as revenue and expenses at their fair value when fair value can be determined. When fair value cannot be reasonably determined, these donations are recorded at nominal value.

ALBERTA COMMUNITY DEVELOPMENT 2002 - 03 ANNUAL REPORT

Note 2 Summary of Significant Accounting Policies and Reporting Practices (continued)

(c) Basis of Financial Reporting (continued)

Liabilities

Liabilities represent all financial claims payable by the Ministry at fiscal year end.

Net Assets

Net assets represent the difference between the carrying value of assets held by the Ministry and its liabilities.

Restricted funds, endowment funds, and general reserves (Note 9) are considered appropriations from net assets and are reported as net assets.

An externally restricted fund accounts for non-government contributions, which can only be used for the purpose specified by the donor.

An internally restricted fund accounts for funds restricted by the Ministry Foundations for either matching non-government contributions, which can only be used for an identified purpose, or for retaining an ongoing funding capability.

An endowment fund accounts for contributions received under various agreements with sponsors and matching funds may be provided by Ministry Foundations. In addition, the endowment fund can include internally restricted funds to be used for identified purposes, or for retaining an ongoing funding capability.

Valuation of Financial Assets and Liabilities

Fair value is the amount of consideration agreed upon in an arm's length transaction between knowledgeable, willing parties who are under no compulsion to act.

The fair values of accounts receivable, prepaid expenses, inventories, long-term investments, accounts payable and accrued liabilities, and unearned revenue are estimated to approximate their carrying values.

(d) Change in Accounting Policy (thousands of dollars)

Effective April 1, 2002, the Historic Resources Fund records capital assets. Previously, capital assets were expensed and not capitalized. With this accounting policy change, the Historic Resources Fund will capitalize assets valued over \$5. This change in accounting policy has been applied retroactively with the restatement of comparative figures. As a result of this change, the capital assets and fund balance increased by \$79 (April 1, 2001) and \$135 (April 1, 2002), and the expenses for the year ended March 31, 2002 decreased by \$56 (2001 – \$66).

Note 3 Government Restructuring

In June 2001, the Alberta Government approved the strategic response to *Building Better Bridges* – Final Report on Programs and Services in Support of Persons with Developmental Disabilities. This strategic response included a commitment to transfer responsibility for the governance of Michener Centre and Youngstown Home to the Persons with Developmental Disabilities Central Alberta Community Board from the Michener Centre Facility Board.

On July 23, 2002, the Alberta Government approved the Michener Centre and Youngstown Home transfer of governance from the Michener Centre Facility Board to the Central Alberta Community Board and the wind-up of the Michener Centre Facility Board. The Order in Council 363/2002 transferred all assets and liabilities previously governed by the Michener Centre Facility Board to the Central Alberta Community Board.

Note 4 Cash (thousands of dollars)

Cash includes deposits in the Consolidated Cash Investment Trust Fund (CCITF) of the Province of Alberta. CCITF is being managed by Alberta Finance with the objective of providing competitive interest income to depositors while maintaining maximum security and liquidity of depositors' capital. The portfolio is comprised of high quality short-term and mid-term fixed income securities with a maximum term to maturity of five years. Interest is earned on the Ministry's daily cash balance at the average rate of CCITF's earnings, which varies depending on prevailing market interest rates.

Note 8 Collections

Collections consist of historical and scientific artifacts, archival holdings, and works of art of provincial, national and international significance located in the archives, museums and historical sites of the Province of Alberta. The Ministry has not recorded the value of these collections in the consolidated financial statements due to the practical difficulties of reflecting them at a meaningful value. The collections are insured for \$356 million. A description of the major collections is as follows:

(a) The Province, through the Historic Sites and Cultural Facilities Branch, preserves and presents 9 historic sites that contain 48 restored historic buildings/structures and 3 stabilized ruins. The Branch also operates 3 interpretive centers, 2 museums and 2 cultural facilities. As well, it administers an additional 3 historic sites which contain 58 undeveloped historic buildings/structures. In addition, the Branch owns 1 developed historic resource (leased to a society), 13 cairns, 4 archaeological sites and 1 palaeontological site. In total, the Ministry owns 1,904 hectares of land deemed to be of historic significance.

Note 8 Collections (continued)

- (b) The Provincial Museum of Alberta maintains 13 programs, with a total collection of approximately 10 million objects representing a highly diverse complement of cultural and natural heritage. These include mammals, birds, fish, insects, minerals, gems, First Nations ethnographical material, military and cultural history artifacts, coins, images, audio and books as well as all the permitted archaeological material recovered in Alberta.

- (d) Reynolds-Alberta Museum exhibits approximately 150 major agricultural, industrial and transportation artifacts, and provides conservation, maintenance and restoration services for an additional collection of approximately 3,000 major and 2,700 smaller artifacts. Included in these numbers are 79 vintage aircraft, 8 of which are on permanent loan to the museum. The museum also houses a collection of documents, numbering 47,480 pieces, related to the museum's mechanization themes.
- (e) The Remington Carriage Museum houses one of the largest collections of horse drawn vehicles in North America, with 265 carriages, buggies, wagons and sleighs, and approximately 690 associated small artifacts.
- (f) The Ukrainian Cultural Heritage Village is responsible for the management of Historic Sites and Cultural Facilities' collection of 46,300 artifacts. Approximately 5,000 of these objects are used to furnish various smaller sites throughout the province, and 8,000 objects furnish the historic buildings at the Ukrainian Cultural Heritage Village. The remaining artifacts are preserved in storage.
- (g) The Provincial Archives of Alberta holds approximately 35,800 linear metres of government textual records; 4,530 linear metres of private textual records; 61,800 maps; 27,600 architectural drawings; 2,086,000 photographic images; 46,600 hours of recorded audio tapes; 65,900 hours of film and video materials; and 10,100 volumes of items in the reference library.
- (h) The Collection Management Unit of the Arts Branch, manages fourteen collections containing approximately 1,500 donated, purchased and/or commissioned artworks.
- (i) The Glenbow-Alberta Institute manages under contract, the care of, and access to, a government collection of approximately 223,900 artifacts in cultural history, military history, ethnology, art and mineralogy; 5 shelf kilometres of textual archival records; over 2 million historical photographs; 800,000 feet of film footage; and over 5,000 sound recordings. The collection is continually enhanced each year.

Note 8 Collections (continued)

(j) The Government House Foundation actively collects various significant items pertaining to the history of Government House. The collection is accessible to the public and consists of paintings, drawings, prints, sculptures, furnishings, books and silverware. The majority of the collection is used or displayed in Government House, while some items are on loan to other provincial institutions.

At March 31, 2003, the collection consisted of approximately 379 (2002 - 379) pieces of artworks and other items, with an approximate value \$948,342 (2002 - \$948,192). During the year, the Government House Foundation purchased artworks at a total cost of \$Nil (2002 - \$24,000). There were no contributions to the collections during the year, (2002 - \$94,795), and there were no disposals during the year. The approximate value of the collection increased by \$150 to reflect the valuation of one item that previously was unassessed.

- (k) The Alberta Foundation for the Arts actively collects visual artworks, which document the Province's significant visual artistic achievement. The collection is accessible to the public and consists of paintings, sculptures, drawings, photographs, ceramics, glass, fibre and prints. During the year, the Alberta Foundation for the Arts purchased 110 (2002 215) artworks by Alberta artists at a total cost of \$249,955 (2002 \$216,594). Contributions to the collection included 47 (2002 43) artworks with an appraised value of \$112,975 (2002 \$387,675). There were 4 artwork disposals during the year for \$1,307 (2002 \$95).
- (1) The Alberta Historical Resources Foundation has a collection of historical assets which is comprised of paintings, sketches, photographs and antique furnishings. During the year, the Alberta Historical Resources Foundation did not acquire any historical assets and there were 6 dispositions.
- (m) The Alberta Sport, Recreation, Parks and Wildlife Foundation has a collection of artworks consisting of 23 (2002 – 25) prints of the Waterfowl of North America Collection # 1250 with an approximate value of \$6,558 (2002 – \$7,297). Note 11 Contingencies

The Ministry has a contingent liability in respect of 14 claims (2002 - 18 claims) aggregating \$2.7 million (2002 - \$15.1 million) relating to the decisions made by the Eugenics Board of Alberta pursuant to the Sexual Sterilization Act of 1928, which was repealed in 1972. The ultimate outcome of these claims cannot be determined.

At March 31, 2003, the Ministry is a defendant in nine other legal claims (2002 – seven legal claims). Eight of these claims have a specified amount totaling \$1,406,000 and the remaining one has no specified amount (2002 – five claims with a specified amount of \$1,190,000 and two with no specified amount). Four claims (2002 – three claims) amounting to \$926,000 (2002 – \$910,000) are covered by the Alberta Risk Management Fund.

The resulting loss, if any, from these claims cannot be determined.

Note 12 Trust Funds Under Administration (thousands of dollars)

The Ministry administers trust funds that are regulated funds consisting of public money over which the Legislature has no power of appropriation. Because the Province has no equity in the funds and administers them for the purposes of various trusts, they are not included in the Ministry's financial statements.

As at March 31, 2003, trust funds under administration were as follows:

	2	003	2	002
Parks General Trust and Performance Deposits ^(a)	\$	308	\$	275
Gakken Dinosaur Exhibit Trust Fund		154		150
Persons with Developmental Disabilities Community

	\$	845	\$	871

^(a) In the prior year, these trusts were reported in the financial statements of the Ministry of Sustainable Resource Development.

In addition to the above trust funds under administration, the Ministry holds a bank guarantee in the form of a letter of credit in the amount of 2,209 (2002 - 222).

Note 13 Payments Under Agreement (thousands of dollars)

The Government of Alberta entered into an agreement to deliver services that were fully funded by the Government of Canada. Costs incurred under the agreement were made by the Ministry under authority of the *Financial Administration Act*, Section 25. This agreement had been budgeted as a Dedicated Revenue Initiative as disclosed in Schedule 2, however, after the release of the Government and Lottery Fund Estimates, it was determined that this agreement should be recorded as a Payment Under Agreement.

Amounts paid under the agreement were as follows:

	20)03
Government of Canada		
G8 Summit Security Agreement	\$	211

Note 14 Defined Benefit Plans

The Ministry participates in the multi-employer pension plans, Management Employees Pension Plan and Public Service Pension Plan. The Ministry also participates in the multi-employer Supplementary Retirement Plan for Public Service Managers. The expense for these pension plans is equivalent to the annual contributions of \$5,463,000 for the year ended March 31, 2003 (2002 – \$4,927,000).

At December 31, 2002, the Management Employees Pension Plan reported a deficiency of \$301,968,000 (2001 – surplus \$5,338,000) and the Public Service Pension Plan reported an actuarial deficiency of \$175,528,000 (2001 – actuarial surplus \$320,487,000). At December 31, 2002, the Supplementary Retirement Plan for Public Service Managers had an actuarial surplus of \$6,472,000 (2001 – actuarial deficiency \$399,000).

The Ministry also participates in two multi-employer Long Term Disability Income Continuance Plans. At March 31, 2003, the Bargaining Unit Plan reported an actuarial deficiency of \$14,434,000 (2002 - \$8,646,000) and the Management, Opted Out and Excluded Plan reported an actuarial deficiency of \$3,053,000 (2002 - \$2,656,000). The expense for these two plans is limited to employer's annual contributions for the year.

Note 15 Surplus Retention Reserves

The Ministry has entered into contracts with third party agencies to provide support for adults with developmental disabilities, which it serves. Occasionally, the agencies do not spend all the funds they have been provided. When these unexpended amounts result from the efficient management of the

Note 15 Surplus Retention Reserves (continued)

program or fluctuations in service demand, the funds may be retained by the agency, and after obtaining approval, spent in the following manner:

- To eliminate deficits;
- To acquire assets;
- To fund exceptional maintenance costs; and
- For expenditures of a one-time nature that will not result in incremental or continuing operating costs.

The estimated balance of these reserves at March 31, 2003 was 112,000 (March 31, 2002 – 102,000). This amount is not reflected in these consolidated financial statements.

Note 16 Grandfathered Clients

When the *Persons with Developmental Disabilities Community Governance Act* (the *Act*) was passed by the Alberta Legislature in 1997, the new legislation narrowed the service mandate from the previous disability supports program and established eligibility criteria.

Certain individuals and agencies which were receiving services prior to the passing of the *Act* but which no longer met these new criteria for Persons with Developmental Disabilities (PDD) supports were grandfathered into the new PDD service system. In response to a recommendation from the *Building Better Bridges* Report, Government directed that PDD Boards continue providing services to grandfathered individuals and agencies until service responsibility is handed-off to a more appropriate provincial program.

Accordingly, expenses related to these grandfathered individuals and agencies do not comply with the *Act*. The total cost of these services for 126 (2002 - 143) individuals that have been included in the Consolidated Statement of Operations is estimated to be \$4,765,000 (2002 - \$5,146,000). The total cost for 10 agencies that have been included in the Statement of Operations is estimated to be \$2,707,000 (2002 - \$2,549,000).

Note 17 Economic Interest

The Ministry has entered into cooperating agreements and provided exclusive licences to two not-forprofit organizations to operate and provide front-of-house and related activities at the Northern Alberta Jubilee Auditorium and the Southern Alberta Jubilee Auditorium. These not-for-profit organizations are incorporated under the Societies Act (Alberta) and function independently of the Ministry. The cooperating agreements and licences expire on March 31, 2003, with the Minister having an option to

Note 17 Economic Interest (continued)

renew these for a further term of two years to March 31, 2005. The Ministry is in the process of renewing these agreements and licences on the same terms and conditions as the ones that expired on March 31, 2003.

Under the cooperating agreements, the societies are required to direct all revenues generated towards programs and services in support of the respective auditorium. Cash in excess of working capital requirements is placed by the societies into a capital reinvestment trust fund. As at March 31, 2003 the two societies had \$8,332,256 (2002 – \$7,863,459) held as restricted funds to be utilized specifically for capital upgrading and major renovations of the auditoriums. The Ministry is not responsible for any liabilities of either society.

The Ministry had also entered into cooperating agreements with other not-for-profit societies to operate admission services at various Ministry sites. These agreements were terminated on March 31, 2000. Upon termination, funds held by these societies for facility reinvestment were donated to the Ministry to be used for the same purpose. These funds have been placed in the Historical Resources Fund and held as deferred contributions until such time as the funds are used for the purposes intended. As at March 31, 2003 this portion of the deferred contributions amounted to 305,638 (2002 – 379,964). In addition to the deferred contributions, two not-for-profit societies have retained facility reinvestment funds. As at March 31, 2003 the funds retained amounted to 130,786 (2002 – 129,785).

Note 18 Comparative Figures

Certain 2002 figures have been reclassified to conform to the 2003 presentation.

Note 19 Approval of Consolidated Financial Statements

The consolidated financial statements were approved by the Senior Financial Officer and the Deputy Minister of Community Development.

ALBERTA COMMUNITY DEVELOPMENT 2002 - 03 ANNUAL REPORT

AUDITOR'S REPORT

To the Minister of Community Development

I have audited the statement of financial position of the Department of Community Development as at March 31, 2003 and the statements of operations and changes in financial position for the year then ended. These financial statements are the responsibility of the Department's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

The Department is required to follow the corporate government accounting policies and reporting practices established by Alberta Finance, including the following policy that is an exception from Canadian generally accepted accounting principles. Items that are capital in nature have been expensed and not recognized as assets in the accompanying statement of financial position. Consequently, a significant amount of resources available to the Department for future use has been recorded as if it had been consumed. At March 31, 2003, assets and net assets have been understated by approximately \$1,724,000 and expenses have been overstated by approximately \$636,000.

In my opinion, except for the effect of the matter discussed in the preceding paragraph, these financial statements present fairly, in all material respects, the financial position of the Department as at March 31, 2003 and the results of its operations and the changes in its financial position for the year then ended in accordance with Canadian generally accepted accounting principles.

Note 1 Authority and Purpose

The Department of Community Development (Department) operates under the authority of the *Government Organization Act*, Chapter G-10, Revised Statutes of Alberta 2000.

The purpose of the Department is to enhance and preserve the quality of life for Albertans. This is done by:

- Promoting community development by designing and delivering programs and services that nurture and support, in collaboration with geographic communities and communities of interest, a high quality of life in Alberta;
- Protecting human rights and promoting fairness and access by designing and delivering programs and services that increase understanding and awareness of diversity, fostering equality and reducing discrimination so all Albertans have the opportunity to participate in the social, economic and cultural life of the Province;
- Supporting the inclusion and participation of Albertans with disabilities and protecting persons in care by designing and delivering individual-based programs that ensure that Albertans who live with a disability have opportunity to participate in the social, economic and cultural life of the province and ensure that adult Albertans in care are protected from abuse;
- Preserving, protecting and presenting Alberta's history and culture by designing and delivering programs and services that preserve, protect, research, present and promote appreciation for Alberta's historical resources and culture, and that provide significant educational, scientific and economic benefits; and
- Preserving, protecting and presenting Alberta's provincial parks and protected areas by managing and maintaining Alberta's provincial parks and protected areas to preserve the province's natural heritage and provide opportunities for heritage appreciation, outdoor recreation and heritage tourism.

Note 2 Summary of Significant Accounting Policies and Reporting Practices

The recommendations of the Public Sector Accounting Board of the Canadian Institute of Chartered Accountants are the primary source for the disclosed basis of accounting. Recommendations of the Accounting Standards Board of the Canadian Institute of Chartered Accountants, other authoritative pronouncements, accounting literature, and published financial statements relating to either the public sector or analogous situations in the private sector are used to supplement the recommendations of the Public Sector Accounting Board where it is considered appropriate. These financial statements are prepared in accordance with the following accounting policies that have been established by government for all departments.

Note 2 Summary of Significant Accounting Policies and Reporting Practices (continued)

(a) Reporting Entity

The reporting entity is the Department of Community Development, which is part of the Ministry of Community Development (ministry) and for which the Minister of Community Development (Minister) is accountable. Other entities reporting to the Minister are:

- Alberta Foundation for the Arts
- The Alberta Historical Resources Foundation
- Alberta Sport, Recreation, Parks and Wildlife Foundation
- The Government House Foundation
- The Historic Resources Fund
- Human Rights, Citizenship and Multiculturalism Education Fund
- The Wild Rose Foundation
- Persons with Developmental Disabilities Provincial Board and Community Boards

The activities of these organizations are not included in these financial statements. The Ministry Annual Report provides a more comprehensive accounting of the financial position and results of the Ministry's operations for which the Minister is accountable.

All departments of the Government of Alberta operate within the General Revenue Fund (Fund). The Fund is administered by the Minister of Finance. All cash receipts of departments are deposited into the Fund and all cash disbursements made by departments are paid from the Fund. Net transfer from General Revenues is the difference between all cash receipts and all cash disbursements made.

(b) Basis of Financial Reporting

Revenues

All revenues are reported on the accrual method of accounting. Cash received for goods or services which have not been provided by year end is recorded as unearned revenue.

Donations of materials and services that would otherwise have been purchased are recorded at fair value at the date of donation when fair value can reasonably be determined.

Internal Government Transfers

Internal government transfers are transfers between entities within the government reporting entity where the entity making the transfer does not receive any goods or services directly in return.

Note 2 Summary of Significant Accounting Policies and Reporting Practices (continued)

(b) Basis of Financial Reporting (continued)

Dedicated Revenue

Dedicated revenue initiatives provide a basis for authorizing spending. Dedicated revenues must be shown as credits or recoveries in the details of the Government Estimates for a supply vote. If actual dedicated revenues are less than budget and total voted expenses are not reduced by an amount sufficient to cover the deficiency in dedicated revenues, the following year's voted expenses are encumbered. If actual dedicated revenues exceed budget, the Department may, with the approval of the Treasury Board, use the excess revenue to fund additional expenses on the program. Schedule 2 discloses information on the Department's dedicated revenue initiatives.

Expenses

Directly Incurred

Directly incurred expenses are those costs the Department has primary responsibility and accountability for, as reflected in the Government's budget documents.

Grants are recorded as expenses when authorized and when all eligibility criteria have been satisfied.

In addition to program operating expenses like salaries, supplies, etc., directly incurred expenses also include:

- Amortization of capital assets;
- Pension costs which comprise the cost of employer contributions for current service of employees during the year; and
- Valuation adjustments which include changes in the valuation allowances used to reflect financial assets at their net recoverable or other appropriate value. Valuation adjustments also represent the change in management's estimate of future payments arising from obligations relating to vacation pay.

Incurred by Others

Services contributed by other entities in support of the Department operations are disclosed in Schedule 8.

Assets

Financial assets of the Department are limited to financial claims, such as advances to and receivables from other organizations, employees and other individuals.

Note 2 Summary of Significant Accounting Policies and Reporting Practices (continued)

(b) Basis of Financial Reporting (continued)

Assets (continued)

Assets acquired by right are not included. Capital assets of the Department are recorded at historical cost and are amortized on a straight-line basis over the estimated useful lives of the assets. The threshold for capitalizing new systems development is \$100,000 and the threshold for all other capital assets is \$15,000. All land is capitalized.

Donated capital assets are recorded at their fair value at the time of contribution.

When physical assets (capital assets and inventories) are gifted or sold for a nominal sum to parties external to the government reporting entity, the fair values of these physical assets less any nominal proceeds are recorded as grants in kind.

Collections of historic and scientific artifacts, archival holdings, and works of art held by the Department are not recorded as assets. Purchases of collection items are expensed in the period in which the items are acquired. Donations of artworks and collection items are reported as revenue and expenses at their fair value when fair value can be determined. When fair value cannot be reasonably determined, these donations are recorded at nominal value.

Liabilities

Liabilities represent all financial claims payable by the Department at fiscal year end.

Net Assets

Net assets represents the difference between the carrying value of assets held by the Department and its liabilities.

Valuation of Financial Assets and Liabilities

Fair value is the amount of consideration agreed upon in an arm's length transaction between knowledgeable, willing parties who are under no compulsion to act.

The fair values of accounts receivable, advances, accounts payable and accrued liabilities, and unearned revenue are estimated to approximate their carrying values.

Note 5 Collections

Collections consist of historical and scientific artifacts, archival holdings, and works of art of provincial, national and international significance located in the archives, museums and historical sites of the Province of Alberta. The Department has not recorded the value of these collections in the financial statements due to the practical difficulties of reflecting them at a meaningful value. The collections are insured for \$344 million. A description of the major collections is as follows:

- (a) The Province, through the Historic Sites and Cultural Facilities Branch, preserves and presents 9 historic sites that contain 48 restored historic buildings/structures and 3 stabilized ruins. The Branch also operates 3 interpretive centers, 2 museums and 2 cultural facilities. As well, it administers an additional 3 historic sites which contain 58 undeveloped historic buildings/structures. In addition, the Branch owns 1 developed historic resource (leased to a society), 13 cairns, 4 archaeological sites and 1 palaeontological site. In total, the Department owns 1,904 hectares of land deemed to be of historic significance.
- (b) The Provincial Museum of Alberta maintains 13 programs, with a total collection of approximately 10 million objects representing a highly diverse complement of cultural and natural heritage. These include mammals, birds, fish, insects, minerals, gems, First Nations ethnographical material, military and cultural history artifacts, coins, images, audio and books as well as all the permitted archaeological material recovered in Alberta.
- (c) The Royal Tyrrell Museum of Palaeontology collection has over 109,000 catalogued items including original and replica fossils. Annually, approximately 2,000 specimens are accessioned into the collection.
- (d) Reynolds-Alberta Museum exhibits approximately 150 major agricultural, industrial and transportation artifacts, and provides conservation, maintenance and restoration services for an additional collection of approximately 3,000 major and 2,700 smaller artifacts. Included in these numbers are 79 vintage aircraft, 8 of which are on permanent loan to the museum. The museum also houses a collection of documents, numbering 47,480 pieces, related to the museum's mechanization themes.
- (e) The Remington Carriage Museum houses one of the largest collections of horse drawn vehicles in North America, with 265 carriages, buggies, wagons and sleighs, and approximately 690 associated small artifacts.
- (f) The Ukrainian Cultural Heritage Village is responsible for the management of Historic Sites and Cultural Facilities' collection of 46,300 artifacts. Approximately 5,000 of these objects are used to furnish various smaller sites throughout the province, and 8,000 objects furnish the historic buildings at the Ukrainian Cultural Heritage Village. The remaining artifacts are preserved in storage.

Note 5 Collections (continued)

- (g) The Provincial Archives of Alberta holds approximately 35,800 linear metres of government textual records; 4,530 linear metres of private textual records; 61,800 maps; 27,600 architectural drawings; 2,086,000 photographic images; 46,600 hours of recorded audio tapes; 65,900 hours of film and video materials; and 10,100 volumes of items in the reference library.
- (h) The Collection Management Unit of the Arts Branch, manages fourteen collections containing approximately 1,500 donated, purchased and/or commissioned artworks.
- (i) The Glenbow-Alberta Institute manages under contract, the care of, and access to, a government collection of approximately 223,900 artifacts in cultural history, military history, ethnology, art and mineralogy; 5 shelf kilometres of textual archival records; over 2 million historical photographs; 800,000 feet of film footage; and over 5,000 sound recordings. The collection is continually enhanced each year.

The ultimate outcome of these claims cannot be determined.

At March 31, 2003, the Department is a defendant in nine other legal claims (2002 - seven legal claims). Eight of these claims have a specified amount totalling \$1,406,000 and the remaining one has no specified amount (2002 - five claims with a specified amount of \$1,190,000 and two with no specified amount). The resulting loss, if any, from these claims cannot be determined.

Note 8 Trust Funds Under Administration (thousands of dollars)

The Department administers trust funds that are regulated funds consisting of public money over which the Legislature has no power of appropriation. Because the Province has no equity in the funds and administers them for the purposes of various trusts, they are not included in the Department's financial statements.

Note 9 Payments Under Agreement (thousands of dollars)

The Government of Alberta entered into an agreement to deliver services that were fully funded by the Government of Canada. Costs incurred under the agreement were made by the Department under authority of the *Financial Administration Act*, Section 25. This agreement had been budgeted as a Dedicated Revenue Initiative as disclosed in Schedule 2, however, after the release of the Government and Lottery Fund Estimates, it was determined that this agreement should be recorded as a Payment Under Agreement.

AUDITOR'S REPORT

To the Members of the Alberta Foundation for the Arts

I have audited the statement of financial position of the Alberta Foundation for the Arts as at March 31, 2003 and the statements of operations and changes in financial position for the year then ended. These financial statements are the responsibility of the Foundation's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Foundation as at March 31, 2003 and the results of its operations and the changes in its financial position for the year then ended in accordance with Canadian generally accepted accounting principles.

Note 2 Summary of Significant Accounting Policies and Reporting Practices

The recommendations of the Public Sector Accounting Board of the Canadian Institute of Chartered Accountants are the primary source for the disclosed basis of accounting. Recommendations of the Accounting Standards Board of the Canadian Institute of Chartered Accountants, other authoritative pronouncements, accounting literature, and published financial statements relating to either the public sector or analogous situations in the private sector are used to supplement the recommendations of the Public Sector Accounting Board where it is considered appropriate. These financial statements are prepared in accordance with the following accounting policies that have been established by government for all departments.

(a) Reporting Entity

The reporting entity is the Alberta Foundation for the Arts, which is part of the Ministry of Community Development and for which the Minister of Community Development is accountable. The Ministry Annual Report provides a more comprehensive accounting of the financial position and results of the Ministry's operations for which the Minister is accountable.

(b) Basis of Financial Reporting

Revenues

All revenues are reported on the accrual method of accounting.

Note 2 Summary of Significant Accounting Policies and Reporting Practices (continued)

(b) Basis of Financial Reporting (continued)

Revenues (continued)

Internal Government Transfers

Internal government transfers are transfers between entities within the government reporting entity where the entity making the transfer does not receive goods or services directly in return.

Unrestricted donations are recognized as revenue when they are received. Donations of materials and services that would otherwise have been purchased are recorded at fair value at the date of donation, when fair value can reasonably be determined.

Expenses

Directly Incurred

Directly incurred expenses are those costs the Foundation has primary responsibility and accountability for, as reflected in the Government's budget documents.

Directly incurred expenses include amortization of capital assets.

Grants are recorded as expenses when authorized and when all eligibility criteria have been satisfied.

Incurred by Others

Services contributed by other entities in support of the Foundation are disclosed in Schedule 4.

Artworks

Artworks are not recorded as assets. Purchases of artworks are expensed in the period in which the items are acquired. Donations of artworks and collection items are reported as revenue and expenses at their fair value when fair value can be determined. When fair value cannot be reasonably determined, these donations are recorded at nominal value.

Proceeds from the disposition of artworks can only be used to acquire other items to be added to the collection or for the direct care of existing artworks.

Note 2 Summary of Significant Accounting Policies and Reporting Practices (continued)

Basis of Financial Reporting (continued)

Assets

Financial assets of the Foundation are limited to financial claims, such as receivables from other organizations.

Capital assets of the Foundation are recorded at historical cost and amortized on a straight-line basis over the estimated useful lives of the assets. The threshold for capitalizing capital assets is \$5,000.

Investments

Investments are recorded at cost. Where there has been a loss in value of an investment that is other than a temporary decline, the investment is written down to recognize the loss.

Liabilities

Liabilities represent all financial claims payable by the Foundation at fiscal year-end.

Fair Value

Fair value is the amount of consideration agreed upon in an arm's length transaction between knowledgeable, willing parties who are under no compulsion to act.

The fair values of accrued interest, accounts receivable, accounts payable and accrued liabilities are estimated to approximate their book values.

Note 3 Cash

Cash consists of deposits in the Consolidated Cash Investment Trust Fund (CCITF) of the Province of Alberta. CCITF is managed by Alberta Finance with the objective of providing competitive interest income to depositors while maintaining maximum security and liquidity of depositors' capital. The portfolio is comprised of high quality short-term and mid-term fixed income securities with a maximum term to maturity of five years. Interest is earned on the daily cash balance at the average rate of CCITF's earnings, which varies depending on prevailing market interest rates.

AUDITOR'S REPORT

To the Directors of the Alberta Historical Resources Foundation

I have audited the statement of financial position of the Alberta Historical Resources Foundation as at March 31, 2003 and the statements of operations and changes in financial position for the year then ended. These financial statements are the responsibility of the Foundation's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Foundation as at March 31, 2003 and the results of its operations and the changes in its financial position for the year then ended in accordance with Canadian generally accepted accounting principles.

Note 1 Authority and Purpose

The Alberta Historical Resources Foundation (Foundation) operates under the authority of the *Historical Resources Act*, Chapter H-9, Revised Statutes of Alberta 2000.

The purpose of the Foundation is to assist in the preservation and interpretation of Alberta's heritage primarily through the encouragement and sponsorship of community heritage initiatives.

The Foundation is a crown agent of the Government of Alberta and as such has a tax exempt status.

Note 2 Summary of Significant Accounting Policies and Reporting Practices

The recommendations of the Public Sector Accounting Board of the Canadian Institute of Chartered Accountants are the primary source for the disclosed basis of accounting. Recommendations of the Accounting Standards Board of the Canadian Institute of Chartered Accountants, other authoritative pronouncements, accounting literature, and published financial statements relating to either the public sector or analogous situations in the private sector are used to supplement the recommendations of the Public Sector Accounting Board where it is considered appropriate. These financial statements are prepared in accordance with the following accounting policies that have been established by government for all departments.

(a) Reporting Entity

The reporting entity is the Alberta Historical Resources Foundation, which is part of the Ministry of Community Development and for which the Minister of Community Development is accountable. The Ministry Annual Report provides a more comprehensive accounting of the financial position and results of the Ministry's operations for which the Minister is accountable.

(b) Basis of Financial Reporting

Fund Accounting

Transactions are grouped, for reporting purposes, into funds in accordance with specified activities or objectives. These funds are described as follows:

- The operating fund accounts for the revenues and expenses associated with the primary activities of the Foundation.
- Restricted funds account for contributions received with imposed conditions on how the funds are to be used, interest earned and the expenses associated with the specified activities.

Note 2 Summary of Significant Accounting Policies and Reporting Practices (continued)

(b) Basis of Financial Reporting (continued)

Revenue

All revenues are reported on the accrual method of accounting. Cash received for which goods or services have not been provided by year end is recorded as unearned revenue.

Donations are recognized as revenues when they are received. Donations of materials and services that would otherwise have been purchased are recorded at fair value when fair value can reasonably be determined.

Internal Government Transfers

Internal government transfers are transfers between entities within the government reporting entity where the entity making the transfer does not receive any goods or services directly in return.

Expenses

Directly Incurred

Directly incurred expenses are those costs the Foundation has primary responsibility and accountability for, as reflected in the Government's budget documents.

Directly incurred expenses include amortization of capital assets.

Grants are recorded as expenses when authorized and when all eligibility criteria have been satisfied.

Incurred by Others

Services contributed by other entities in support of the Foundation operations are disclosed in Schedule 4.

Assets

Financial assets of the Foundation are limited to financial claims, such as receivables from other organizations as well as inventories held for resale.

Capital assets of the Foundation are recorded at historical cost and amortized on a straight-line basis over the estimated useful lives of the assets. The threshold for capitalizing capital assets is \$5,000.

Collections of historical assets held by the Foundation are not recorded as assets. Purchases of collection items are expensed in the period in which the items are acquired. Donations of artworks and collection

Note 2 Summary of Significant Accounting Policies and Reporting Practices (continued)

(b) Basis of Financial Reporting (continued)

Assets (continued)

items are reported as revenue and expenses at their fair value when fair value can be determined. When fair value cannot be reasonably determined, these donations are recorded at nominal value.

Liabilities

Liabilities represent all financial claims payable by the Foundation at fiscal year end.

Fair Value

Fair value is the amount of consideration agreed upon in an arm's length transaction between knowledgeable, willing parties who are under no compulsion to act.

The fair values of accounts receivable, inventory, accounts payable and accrued liabilities are estimated to approximate their book values.

Note 3 Cash

Cash consists of deposits in the Consolidated Cash Investment Trust Fund (CCITF) of the Province of Alberta. CCITF is managed by Alberta Finance with the objective of providing competitive interest income to depositors while maintaining maximum security and liquidity of depositors' capital. The portfolio is comprised of high-quality short-term and mid-term fixed income securities with a maximum term to maturity of five years. Interest is earned on the Foundation's daily cash balance at the average rate of CCITF's earnings, which varies depending on prevailing market interest rates.

Due to the short-term nature of these deposits, the carrying value approximates fair value.

AUDITOR'S REPORT

To the Members of the Alberta Sport, Recreation, Parks and Wildlife Foundation

I have audited the statement of financial position of the Alberta Sport, Recreation, Parks and Wildlife Foundation as at March 31, 2003 and the statements of operations and changes in financial position for the year then ended. These financial statements are the responsibility of the Foundation's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Alberta Sport, Recreation, Parks and Wildlife Foundation as at March 31, 2003 and the results of its operations and the changes in its financial position for the year then ended in accordance with Canadian generally accepted accounting principles.

Note 1 Authority and Purpose

The Alberta Sport, Recreation, Parks and Wildlife Foundation (Foundation) operates under the authority of the Alberta Sport, Recreation, Parks and Wildlife Foundation Act, Chapter A-34, Revised Statutes of Alberta 2000.

The purpose of the Foundation is to support enhancement of sport, recreation, parks and wildlife programs for all Albertans.

The Foundation is a Crown corporation of the Government of Alberta and as such has a tax-exempt status.

Note 2 Summary of Significant Accounting Policies and Reporting Practices

The recommendations of the Public Sector Accounting Board of the Canadian Institute of Chartered Accountants are the primary source for the disclosed basis of accounting. Recommendations of the Accounting Standards Board of the Canadian Institute of Chartered Accountants, other authoritative pronouncements, accounting literature, and published financial statements relating to either the public sector or analogous situations in the private sector are used to supplement the recommendations of the Public Sector Accounting Board where it is considered appropriate. These financial statements are prepared in accordance with the following accounting policies that have been established by government for all departments.

(a) Reporting Entity

The reporting entity is the Alberta Sport, Recreation, Parks and Wildlife Foundation, which is part of the Ministry of Community Development and for which the Minister of Community Development is accountable. The Ministry Annual Report provides a more comprehensive accounting of the financial position and results of the Ministry's operations for which the Minister is accountable.

(b) Basis of Financial Reporting

Fund Accounting

Transactions are grouped, for accounting and reporting purposes, into funds in accordance with specified activities or objectives. These funds are described as follows:

- The operating fund accounts for revenues and expenses associated with the primary activities of the Foundation;
- The restricted fund accounts for non-government contributions received for which donors have specified the purpose, restricted interest earned, related expenses incurred, and funds restricted by the Board of Directors; and

Note 2 Summary of Significant Accounting Policies and Reporting Practices (continued)

(b) Basis of Financial Reporting (continued)

Fund Accounting (continued)

• The endowment fund accounts for contributions received under various agreements with sponsors and matching funds provided by the Foundation. Interest earned on the existing endowment funds can only be used to fund various sport programs, and are therefore recorded as part of the restricted fund. The principal must remain intact.

Revenues

All revenues are reported on the accrual method of accounting.

Cash donations are reported when received. Donations of materials and services that would otherwise have been purchased are recorded at fair value at the date of donation when fair value can reasonably be determined.

Internal Government Transfers

Internal government transfers are transfers between entities within the government reporting entity where the entity making the transfer does not receive any goods or services directly in return.

Expenses

Directly Incurred

Directly incurred expenses are those costs the Foundation has primary responsibility and accountability for, as reflected in the Government's budget documents.

Directly incurred expenses include amortization of capital assets.

Grants are recorded as expenses when authorized and when all eligibility criteria have been satisfied.

Incurred by Others

Services contributed by other entities in support of the Foundation's operations are disclosed in Schedule 4.

Note 2 Summary of Significant Accounting Policies and Reporting Practices (continued)

(b) Basis of Financial Reporting (continued)

Assets

Financial assets of the Foundation are limited to financial claims, such as advances to and receivables from other organizations and individuals as well as inventories held for resale.

Capital assets of the Foundation are recorded at historical cost and amortized on a straight-line basis over the useful lives of the assets. The threshold for capitalizing assets is \$5,000. All land is capitalized.

Donated capital assets are recorded at their fair value at date of contribution.

Artworks are not recorded as assets. Purchases of artworks are expensed in the period in which the items are acquired. Donations of artworks and collection items are reported as revenue and expenses at their fair value when fair value can be determined. When fair value cannot be reasonably determined, these donations are recorded at nominal value.

Liabilities

Liabilities represent all financial claims payable by the Foundation at fiscal year end.

Valuation of Financial Assets and Liabilities

Fair value is the amount of consideration agreed upon in an arm's length transaction between knowledgeable, willing parties who are under no compulsion to act.

The fair values of cash, short-term investments, accounts receivable, and accounts payable and accrued liabilities are estimated to approximate their book values.

Note 3 Cash

Cash consists of deposits in the Consolidated Cash Investment Trust Fund (CCITF) of the Province of Alberta. Alberta Finance manages the CCITF with the objective of providing competitive interest income to depositors while maintaining maximum security and liquidity of depositor's capital. The portfolio is comprised of high-quality short-term and mid-term fixed income securities with a maximum term to maturity of five years. Interest is earned on the Foundation's daily cash balance at the average rate of the CCITF's earnings, which varies depending on prevailing market interest rates.

Due to the short-term nature of these deposits, the carrying value approximates fair value.

AUDITOR'S REPORT

To the Members of Government House Foundation

I have audited the statement of financial position of the Government House Foundation as at March 31, 2003 and the statements of operations and changes in financial position for the year then ended. These financial statements are the responsibility of the Foundation's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Foundation as at March 31, 2003 and the results of its operations and the changes in its financial position for the year then ended in accordance with Canadian generally accepted accounting principles.

The Government House Foundation Notes to the Financial Statements For the year ended March 31, 2003

Note 1 Authority and Purpose

The Government House Foundation (Foundation) operates under the authority of the Government House Act, Chapter G-9, Revised Statutes of Alberta 2000.

The purpose of the Foundation is:

- To advise the Minister on the preservation of Government House as an historic site and building;
- To inform and stimulate the interest of the public in the historical and architectural development of Government House; and
- To solicit and receive, by gift, bequest, device, transfer or otherwise any personal property for use or display in Government House.

The Foundation is a crown agent of the Government of Alberta and as such has a tax-exempt status.

Note 2 Summary of Significant Accounting Policies and Reporting Practices

The recommendations of the Public Sector Accounting Board of the Canadian Institute of Chartered Accountants are the primary source for the disclosed basis of accounting. Recommendations of the Accounting Standards Board of the Canadian Institute of Chartered Accountants, other authoritative pronouncements, accounting literature, and published financial statements relating to either the public sector or analogous situations in the private sector are used to supplement the recommendations of the Public Sector Accounting Board where it is considered appropriate. These financial statements are prepared in accordance with the following accounting policies that have been established by government for all departments.

(a) Reporting Entity

The reporting entity is the Government House Foundation, which is part of the Ministry of Community Development and for which the Minister of Community Development is accountable. The Ministry Annual Report provides a more comprehensive accounting of the financial position and results of the Ministry's operations for which the Minister is accountable.

(b) Basis of Financial Reporting

Revenue

All revenues are reported on the accrual method of accounting. Cash received for which goods or services have not been provided by year-end is recorded as unearned revenue.

Donations of materials and services that would otherwise have been purchased are recorded at fair value at the date of donation, when fair value can reasonably be determined.

The Government House Foundation Notes to the Financial Statements For the year ended March 31, 2003

Note 2 Summary of Significant Accounting Policies and Reporting Practices (continued)

(b) Basis of Financial Reporting (continued)

Revenue (continued)

Internal Government Transfers

Internal government transfers are transfers between entities within the government reporting entity where the entity making the transfer does not receive any goods or services directly in return.

Expenses

Directly Incurred

Directly incurred expenses are those costs the Foundation has primary responsibility and accountability for, as reflected in the Government's budget documents

Incurred by Others

Services contributed by other entities in support of the Foundation operations are disclosed in schedule 4.

Artworks

Artworks are not recorded as assets. Purchases of artworks are expensed in the period in which the items are acquired. Donations of artworks and collection items are reported as revenue and expenses at their fair value when fair value can be determined. When fair value cannot be reasonably determined, these donations are recorded at nominal value.

Proceeds from the disposition of artworks can only be used to acquire other items to be added to the collection or for the direct care of existing artworks.

Assets

Financial assets of the Foundation are limited to receivables from other organizations.

Liabilities

Liabilities represent all financial claims payable by the Foundation at year-end.

The Government House Foundation Notes to the Financial Statements For the year ended March 31, 2003

Note 3 Cash

Cash consists of deposits in the Consolidated Cash Investment Trust Fund (CCITF) of the Province of Alberta. The CCITF is managed by Alberta Finance with the objective of providing competitive interest income to depositors while maintaining maximum security and liquidity of depositors' capital. The portfolio is comprised of high-quality short-term and mid-term fixed income securities with a maximum term to maturity of five years. Interest is earned on the Foundation's daily cash balance at the average rate of the CCITF earnings, which varies depending on prevailing market interest rates.

Due to the short-term nature of these deposits, the carrying value approximates fair value.

Note 4 Artworks and Collections

The Government House Foundation actively collects various significant items pertaining to the history of Government House. The collection is accessible to the public and consists of paintings, drawings, prints, sculptures, furnishings, books and silverware. The majority of the collection is used or displayed in Government House, while some items are on loan to other provincial institutions.

At March 31, 2003, the collection consisted of approximately 379 pieces of artworks and other items, (2002 - 379), with an approximate value of \$948,342, (2002 - \$948,192). During the year, the Foundation purchased artworks at a total cost of \$Nil, (2002 - \$24,000). There were no contributions to the collections during the year, (2002 - \$94,795), and there were no disposals during the year. The approximate value of the collection increased by \$150 to reflect the valuation of one item that previously was unassessed.

Note 5 Commitments

At March 31, 2003, the Foundation had commitments in the amount of approximately \$4,000 (2002 – \$3,325) relating to program contracts.

Note 6 Comparative Figures

Certain 2002 figures have been reclassified to conform to the 2003 presentation.

Note 7 Approval of Financial Statements

The financial statements were approved by the Board of Directors.

AUDITOR'S REPORT

To the Minister of Community Development

I have audited the statement of financial position of the Historic Resources Fund as at March 31, 2003 and the statements of operations and changes in financial position for the year then ended. These financial statements are the responsibility of the Fund's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

The Fund is required to follow the corporate government accounting policies and reporting practices established by Alberta Finance, including the following policies that are exceptions to Canadian generally accepted accounting principles:

Recording of surpluses

In prior years, the Ministry operated some of its facilities with the assistance of volunteer societies. The Ministry's revenues, expenses, and surpluses generated by the operation of these government-owned facilities were excluded from the Fund's financial statements. As of March 31, 2003, accumulated surpluses of \$ 305,000 have been returned to the Fund and recorded as deferred contributions instead of being recorded as part of the fund balance. In addition, the Fund has not recorded Ministry's surpluses generated by the operation of government-owned facilities that have not been returned to the Fund by the volunteer societies, which are estimated to be in excess of \$129,000. The effect of this departure from Canadian generally accepted accounting principles is to overstate liabilities by \$ 305,000, understate assets by approximately \$129,000 and understate fund balance by approximately \$434,000 at March 31, 2003.

Capital assets

The Fund employs a policy of expensing capital asset purchases under \$5,000 in the year of acquisition. Consequently a significant amount of resources available to the Ministry for future use has been recorded as if it had been consumed. It is estimated that for the year ended March 31, 2003, assets have been understated by \$523,000, expenses have been overstated by \$ 399,000, and opening fund balance understated by \$124,000 as at March 31, 2003.

In my opinion, except for the effects of the matters discussed in the preceding section, these financial statements present fairly, in all material respects, the financial position of the Fund as at March 31, 2003 and the results of its operations and the changes in its financial position for the year then ended in accordance with Canadian generally accepted accounting principles.

Note 1 Authority and Purpose

The Historic Resources Fund (Fund) operates under the authority of the *Historical Resources Act*, Chapter H-9, Revised Statutes of Alberta 2000, as amended.

The purpose of the Fund is to protect, enhance, promote and display Alberta's historic resources by funding programs designated by the Lieutenant Governor in Council, by providing operational grants to non-profit organizations, and by promoting the use and development of related facilities.

The Fund is a regulated fund of the Province of Alberta and as such has a tax-exempt status.

Note 2 Summary of Significant Accounting Policies and Reporting Practices

The recommendations of the Public Sector Accounting Board of the Canadian Institute of Chartered Accountants are the primary source for the disclosed basis of accounting. Recommendations of the Accounting Standards Board of the Canadian Institute of Chartered Accountants, other authoritative pronouncements, accounting literature, and published financial statements relating to either the public sector or analogous situations in the private sector are used to supplement the recommendations of the Public Sector Accounting Board where it is considered appropriate. These financial statements are prepared in accordance with the following accounting policies that have been established by government for all departments.

(a) Reporting Entity

The reporting entity is the Historic Resources Fund, which is part of the Ministry of Community Development, and for which the Minister of Community Development is accountable. The Ministry Annual Report provides a more comprehensive accounting of the financial position and results of the Ministry's operations for which the Minister is accountable.

(b) Basis of Financial Reporting

Revenues

All revenues are reported on the accrual basis of accounting. Cash received for which goods or services have not been provided by year-end is recorded as unearned revenue.

Grants and donations, that are restricted to a specific use, are recorded as deferred contributions and transferred to revenues in the period in which the related expenses are incurred.

Donations are recognized as revenues when they are received. Donations of materials and services that would otherwise have been purchased are recorded at fair value at the date of donation when fair value can reasonably be determined.

Note 2 Summary of Significant Accounting Policies and Reporting Practices (continued)

(b) Basis of Financial Reporting (continued)

Revenues (continued)

Internal Government Transfers

Internal government transfers are transfers between entities within the government reporting entity where the entity making the transfer does not receive goods or services directly in return.

Expenses

Directly Incurred

Directly incurred expenses are those costs the Fund has primary responsibility and accountability for, as reflected in the Government's budget documents. In addition to program operating expenses like salaries, supplies, etc., directly incurred expenses also include amortization of capital assets.

Incurred by Others

Services contributed by other entities in support of the Fund's operations are disclosed in Schedule 5.

Assets

Financial assets of the Fund include advances to and receivables from other organizations, employees, and other individuals, as well as inventories held for resale. Inventory is valued at the lower of cost and estimated net realizable value.

Capital assets of the Fund are recorded at historical cost and amortized on a straight-line basis over the estimated useful lives of the assets. The threshold for capitalizing all capital assets is \$5,000.

Liabilities

Liabilities represent all financial claims payable by the Fund at fiscal year-end.

Fair Value

Fair value is the amount of consideration agreed upon in an arm's length transaction between knowledgeable, willing parties who are under no compulsion to act.

The fair values of accounts receivable, inventory, prepaid expenses, accounts payable and accrued liabilities, deferred contributions and unearned revenue are estimated to approximate their book values.

Note 2 Summary of Significant Accounting Policies and Reporting Practices (continued)

(c) Change in Accounting Policy

Effective April 1, 2002, the Fund records capital assets. Previously, capital assets were expensed and not capitalized. With this accounting policy change, the Fund will capitalize assets valued over \$5,000. This change in accounting policy has been applied retroactively with the restatement of comparative figures. As a result of this change, the capital assets and fund balance increased by \$78,568 (April 1, 2001) and \$134,422 (April 1, 2002), and the expenses for the year ended March 31, 2002 decreased by \$55,854 (2001 - \$65,651).

Note 3 Cash

Cash consists of deposits in the Consolidated Cash Investment Trust Fund (CCITF) of the Province of Alberta. CCITF is managed by Alberta Finance with the objective of providing competitive interest income to depositors while maintaining maximum security and liquidity of depositors' capital. The portfolio is comprised of high-quality short-term and mid-term fixed income securities with a maximum term to maturity of five years. Interest is earned on the Fund's daily cash balance at the average rate of CCITF earnings, which varies depending on prevailing market interest rates.

Due to the short-term nature of these deposits, the carrying value approximates fair value.

## AUDITOR'S REPORT

To the Directors of Human Rights, Citizenship and Multiculturalism Education Fund

I have audited the statement of financial position of the Human Rights, Citizenship and Multiculturalism Education Fund as at March 31, 2003 and the statements of operations and changes in financial position for the year then ended. These financial statements are the responsibility of the Fund's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Human Rights, Citizenship and Multiculturalism Education Fund as at March 31, 2003 and the results of its operations and the changes in its financial position for the year then ended in accordance with Canadian generally accepted accounting principles.

Original Signed by Fred J. Dunn, FCA Auditor General

## Note 1 Authority and Purpose

The Human Rights, Citizenship and Multiculturalism Education Fund (Fund) operates under the authority of the *Human Rights, Citizenship and Multiculturalism Act*, Chapter H-14, Revised Statutes of Alberta 2000.

The purpose of the Fund is to promote equality, increase understanding and acceptance of Alberta's diverse racial and cultural composition, and inform Albertans about their rights and responsibilities under the Human Rights, Citizenship and Multiculturalism Act.

The Fund is owned by the Crown in right of Alberta and is not subject to taxation.

#### Note 2 Summary of Significant Accounting Policies and Reporting Practices

The recommendations of the Public Sector Accounting Board of the Canadian Institute of Chartered Accountants are the primary source for the disclosed basis of accounting. Recommendations of the Accounting Standards Board of the Canadian Institute of Chartered Accountants, other authoritative pronouncements, accounting literature, and published financial statements relating to either the public sector or analogous situations in the private sector are used to supplement the recommendations of the Public Sector Accounting Board where it is considered appropriate. These financial statements are prepared in accordance with the following accounting policies that have been established by government for all departments.

#### (a) Reporting Entity

The reporting entity is the Fund, which is part of the Ministry of Community Development and for which the Minister of Community Development is accountable. The Ministry Annual Report provides a more comprehensive accounting of the financial position and results of the Ministry's operations for which the Minister is accountable.

#### (b) Basis of Financial Reporting

#### Revenues

All revenues are reported on the accrual method of accounting.

#### Internal Government Transfers

Internal government transfers are transfers between entities within the government reporting entity where the entity making the transfer does not receive any goods or services directly in return.

Cash donations are reported when received. Donations of materials and services that would otherwise have been purchased are recorded at fair value at the date of donation, when fair value can reasonably be determined.

## Note 2 Summary of Significant Accounting Policies and Reporting Practices (continued)

## (b) Basis of Financial Reporting (continued)

#### Expenses

#### **Directly Incurred**

Directly incurred expenses are those costs the Fund has primary responsibility and accountability for, as reflected in the Government's budget documents.

Grants are recorded as expenses when authorized and when all eligibility criteria have been satisfied.

#### Incurred by Others

Services contributed by other entities in support of the Fund operations are disclosed in Schedule 4.

#### Assets

Financial assets of the Fund are limited to financial claims, such as advances to and receivables from other organizations.

## Liabilities

Liabilities represent all financial claims payable by the Fund at fiscal year end.

### Fair Value

Fair value is the amount of consideration agreed upon in an arm's length transaction between knowledgeable, willing parties who are under no compulsion to act.

The fair values of accounts receivable, accounts payable and accrued liabilities are estimated to approximate their book values.

#### Note 3 Cash

Cash consists of deposits in the Consolidated Cash Investment Trust Fund (CCITF) of the Province of Alberta. CCITF is managed by Alberta Finance with the objective of providing competitive interest income to depositors while maintaining maximum security and liquidity of depositors' capital. The

#### Note 3 Cash (continued)

portfolio is comprised of high-quality short-term and mid-term fixed income securities with a maximum term to maturity of five years. Interest is earned on the Fund's daily cash balance at the average rate of CCITF's earnings, which varies depending on prevailing market interest rates.

Due to the short-term nature of these deposits, the carrying value approximates fair value.

Accounts receivable are unsecured and non-interest bearing.

## Note 5 General Reserve

The general reserve has been established by appropriation from the fund balance. The purpose of the reserve is to maintain a source for ongoing funding capability. The reserve is not available for operations without authorization of the Treasury Board.

Interest earned on the cash appropriated for the reserve is reported as operating revenue.

## AUDITOR'S REPORT

To the Directors of the Wild Rose Foundation

I have audited the statement of financial position of the Wild Rose Foundation as at March 31, 2003 and the statements of operations and changes in financial position for the year then ended. These financial statements are the responsibility of the Foundation's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Wild Rose Foundation as at March 31, 2003 and the results of its operations and the changes in its financial position for the year then ended in accordance with Canadian generally accepted accounting principles.

#### Note 1 Authority and Purpose

The Wild Rose Foundation (Foundation) operates under the authority of the *Wild Rose Foundation Act*, Chapter W-8, Revised Statutes of Alberta 2000.

The purposes of the Foundation are:

- To provide funding to volunteer, non-profit organizations that provide valuable services to Albertans;
- To foster or promote the use of volunteers, or to assist those who volunteer or use the services of volunteers in Alberta; and
- To foster or promote charitable, philanthropic, humanitarian, or public spirited acts or to assist those who perform them.

The Foundation is a crown agent of the Government of Alberta and as such has a tax exempt status.

## Note 2 Summary of Significant Accounting Policies and Reporting Practices

The recommendations of the Public Sector Accounting Board of the Canadian Institute of Chartered Accountants are the primary source for the disclosed basis of accounting. Recommendations of the Accounting Standards Board of the Canadian Institute of Chartered Accountants, other authoritative pronouncements, accounting literature, and published financial statements relating to either the public sector or analogous situations in the private sector are used to supplement the recommendations of the Public Sector Accounting Board where it is considered appropriate. These financial statements are prepared in accordance with the following accounting policies that have been established by government for all departments.

## (a) Reporting Entity

The reporting entity is the Wild Rose Foundation, which is part of the Ministry of Community Development and for which the Minister of Community Development is accountable. The Ministry Annual Report provides a more comprehensive accounting of the financial position and results of the Ministry's operations for which the Minister is accountable.

#### (b) Basis of Financial Reporting

#### Revenue

All revenues are reported on the accrual method of accounting. Cash received for which goods or services have not been provided by year end is recorded as unearned revenue.

## Note 2 Summary of Significant Accounting Policies and Reporting Practices (continued)

#### (b) Basis of Financial Reporting (continued)

#### **Revenue (continued)**

Donations are recognized as revenues when they are received. Donations of materials and services that would otherwise have been purchased are recorded at fair value at the date of donation when fair value can reasonably be determined.

#### Internal Government Transfers

Internal government transfers are transfers between entities within the government reporting entity where the entity making the transfer does not receive any goods or services directly in return.

#### Expenses

#### Directly Incurred

Directly incurred expenses are those costs the Foundation has primary responsibility and accountability for, as reflected in the Government's budget documents.

Directly incurred expenses include amortization of capital assets.

Grants are recorded as expenses when authorized and when all eligibility criteria have been satisfied.

#### Incurred by Others

Services contributed by other entities in support of the Foundation operations are disclosed in Schedule 4.

#### Assets

Financial assets of the Foundation are limited to financial claims, such as receivables from other organizations.

Capital assets of the Foundation are recorded at historical cost and amortized on a straight-line basis over the estimated useful lives of the assets. The threshold for capitalizing capital assets is \$5,000.

#### Liabilities

Liabilities represent all financial claims payable by the Foundation at fiscal year end.

## Note 2 Summary of Significant Accounting Policies and Reporting Practices (continued)

## (b) Basis of Financial Reporting (continued)

## Fair Value

Fair value is the amount of consideration agreed upon in an arm's length transaction between knowledgeable, willing parties who are under no compulsion to act.

The fair values of accounts receivable, prepaid expenses, accounts payable and accrued liabilities, and unearned revenues are estimated to approximate their book values.

## Note 3 Cash and Investment

Cash consists of deposits in the Consolidated Cash Investment Trust Fund (CCITF) of the Province of Alberta. CCITF is managed by Alberta Finance with the objective of providing competitive interest income to depositors while maintaining maximum security and liquidity of depositors' capital. The portfolio is comprised of high-quality short-term and mid-term fixed income securities with a maximum term to maturity of five years. Interest is earned on the Foundation's daily cash balance at the average rate of CCITF's earnings, which varies depending on prevailing market interest rates.

Investment also consists of deposits in the CCITF. It represents deposits equivalent to the endowment fund balance. These deposits are restricted in accordance with the terms of the endowment.

Due to the short-term nature of these deposits, the carrying value approximates fair value.

## Note 5 Endowment Fund – Internally Restricted

In 1985, the members of the Foundation directed that the initial contribution from lottery funds amounting to \$4,500,000 be placed in an endowment fund so that the funds are not available for use in its operations. In 1993, a further \$2,000,000 was transferred from the operating fund balance to the endowment fund. The purpose of the fund is to earn income and to retain an ongoing funding capability.

Interest earned on the endowment fund is reported as operating revenue.

## AUDITOR'S REPORT

To the Members of the Board of Directors of the Calgary Region Community Board Persons with Developmental Disabilities and the Minister of Community Development

I have audited the statement of financial position of the Calgary Region Community Board Persons with Developmental Disabilities as at March 31, 2003 and the statements of operations and changes in financial position for the year then ended. These financial statements are the responsibility of the management of the Board. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Calgary Region Community Board Persons with Developmental Disabilities as at March 31, 2003 and the results of its operations and the changes in its financial position for the year then ended in accordance with Canadian generally accepted accounting principles.

I also report that, as described in Note 10, the Board made certain payments that did not comply with the *Persons with Developmental Disabilities Community Governance Act.*

#### Note 7 Commitments (thousands of dollars)

As at March 31, 2003, the Board has the following commitments:

	2	003	2002 (restated)		
Program Contracts ^(a) Long-term Leases ^(b)	\$	56 43	\$	- 142	
	\$	99	\$	142	

^(a) The actual amounts are dependent on the usage of service.

^(b) The Board leases certain equipment under operating leases that expire on various dates. The aggregate amounts payable for the unexpired terms of these leases are as follows:

2004 2005 2006	\$	18 15
2006 2007		8 2
	\$	43

#### Note 8 Surplus Retention Reserves (thousands of dollars)

The Board has entered into contracts with third party agencies to provide support for individuals which it serves. Occasionally, the Agencies do not spend all the funds they have been provided. When these unexpended amounts result from the efficient management of the program or fluctuations in service demand, the funds may be retained by the Agency and, after obtaining approval from the CEO of the Board, spent in the following manner.

- To eliminate deficits;
- To acquire assets;
- To fund exceptional maintenance costs; and
- For expenses of a one-time nature that will not result in incremental or continuing operating costs.

The estimated balance of these reserves at March 31, 2003 was 30 (March 31, 2002 – 30). This amount is not reflected in these financial statements.

#### Note 9 Trust Fund Under Administration (thousands of dollars)

The Board administers trust funds. Because the Province has no equity in the funds and administers them for the purpose of various trusts, they are not included in the Board's financial statements.

As at March 31, 2003 trust funds under administration were as follows:

	2	003	2	002
Client Trust Funds	\$	83	\$	94

#### Note 10 Grandfathered Clients and Services (thousands of dollars)

When the *Persons with Developmental Disabilities Community Governance Act* (the *Act*) was passed by the Alberta Legislature in 1997, the new legislation narrowed the service mandate from the previous disability supports program and established eligibility criteria.

Certain individuals and agencies which were receiving services prior to the passing of the *Act* but which no longer met these new criteria for Persons with Developmental Disabilities (PDD) supports were grandfathered into the new PDD service system. In response to a recommendation from the *Building Better Bridges* Report, Government directed that PDD Boards continue providing services to grandfathered individuals and agencies until service responsibility is handed-off to a more appropriate provincial program.

Accordingly, expenses related to these grandfathered individuals and agencies do not comply with the *Act*. The total cost of these services for 71 (2002 - 86) individuals that have been included in the Statement of Operations is estimated to be \$1,535 (2002 - \$1,715). The total cost for 2 agencies (2002 - 3) that has been included in the Statement of Operations is estimated to be \$1,020 (2002 - \$1,135).

In addition, there are specialized program supports to children who are the responsibility of Calgary Rocky View Child and Family Services Authority. The total cost of these services that has been included in Schedule 1 is estimated to be \$1,295 (2002 - \$1,120).

#### Note 11 Comparative Figures

Certain 2002 figures have been reclassified to conform to the 2003 presentation.

#### Note 12 Approval of Financial Statements

The financial statements were prepared by management and approved by the Board.

### AUDITOR'S REPORT

To the Members of the Board of Directors of the Persons with Developmental Disabilities Central Alberta Community Board and the Minister of Community Development

I have audited the statement of financial position of the Persons with Developmental Disabilities Central Alberta Community Board as at March 31, 2003 and the statements of operations and changes in financial position for the year then ended. These financial statements are the responsibility of the management of the Board. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with the Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Persons with Developmental Disabilities Central Alberta Community Board as at March 31, 2003 and the results of its operations and the changes in its financial position for the year then ended in accordance with the Canadian generally accepted accounting principles.

I also report that, as described in Note 15, the Board made certain payments that did not comply with the *Persons with Developmental Disabilities Community Governance Act*.

#### Note 3 Government Restructuring

In June 2001, the Alberta Government approved the strategic response to *Building Better Bridges* – Final Report on Programs and Services in Support of Persons with Developmental Disabilities. This strategic response included a commitment to transfer responsibility for the governance of Michener Centre and Youngstown Home to the Persons with Developmental Disabilities Central Alberta Community Board from the Michener Centre Facility Board.

On July 23, 2002, the Alberta government approved the Michener Centre and Youngstown Home transfer of governance from the Michener Centre Facility Board to the Central Alberta Community Board and the wind-up of the Michener Centre Facility Board. The Order in Council 363/2002 transferred all assets and liabilities previously governed by the Michener Centre Facility Board to the Central Alberta Community Board.

The activities of Michener Centre and Youngstown Home for the 2002/03 fiscal year have been included in the Central Alberta Community Board financial statements as if the restructuring took place on April 1, 2002. The restructuring has been applied on a retroactive basis for comparative purposes.

Financial statements for the period April 1, 2002 to July 23, 2002 were not prepared as the operations of Michener Centre and Youngstown Home continued and did not change as a result of the restructuring. The Board operates the Michener Centre and Youngstown Home activities as a distinct operating segment (Note 14).

#### Note 4 Change in Accounting Policy (thousands of dollars)

In prior years, the Fee Revenue was recorded as revenue in the financial statements of the Department of Community Development. In the current year, this revenue, in the amount of \$1,062, was recorded in the financial statements of the Board. This change in accounting policy has been applied on a retroactive basis with the 2002 comparative amount being restated.

	 2003	 2002
Service Contracts ^(a) Long-term Leases ^(b)	\$ 6,842 366	\$ 5,006 306

2004 2005	\$ 171 108
2006	\$ <u> </u>

#### Note 11 Measurement Uncertainty

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Although these estimates are based on management's best knowledge of current events and actions that the Board may undertake in the future, actual results could differ from the estimates.

#### Note 12 Voluntary Contributions

These financial statements do not include amounts relating to voluntary contributions received for materials and services.

#### Note 13 Trust Funds Under Administration (thousands of dollars)

The Board administers trust funds on behalf of clients. Because the Province has no equity in the funds, they are not included in the Board's financial statements.

The Community Delivery segment manages accommodation and program services delivered through contracts and grants to individuals.

### Note 15 Grandfathered Clients (thousands of dollars)

When the Persons with Developmental Disabilities Community Governance Act (the Act) was passed by the Alberta Legislature in 1997, the new legislation narrowed the service mandate from the previous disability supports program and established eligibility criteria.

#### Note 15 Grandfathered Clients (thousands of dollars) (continued)

Certain individuals who were receiving services prior to the passing of the *Act* but who no longer met these new criteria for Persons with Developmental Disabilities (PDD) supports were grandfathered in to the new PDD service system. In response to a recommendation from the *Building Better Bridges* Report, Government directed that PDD Boards continue providing services to grandfathered individuals until service responsibility is handed-off to a more appropriate provincial program.

Accordingly, expenses related to the care of these grandfathered individuals do not comply with the *Act*. The total cost of these services for 9 individuals (2002 - 9 individuals) that have been included in the Statement of Operations is estimated to be \$594 (2002 - \$568).

#### Note 16 Comparative Figures

Certain 2002 figures have been reclassified to conform to the 2003 presentation.

#### Note 17 Approval of Financial Statements

The financial statements were prepared by management and approved by the Board.

### AUDITOR'S REPORT

To the Members of the Board of Directors of the Persons with Developmental Disabilities Edmonton Region Community Board and the Minister of Community Development

I have audited the statement of financial position of the Persons with Developmental Disabilities Edmonton Region Community Board as at March 31, 2003 and the statements of operations and changes in financial position for the year then ended. These financial statements are the responsibility of the management of the Board. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Persons with Developmental Disabilities Edmonton Region Community Board as at March 31, 2003 and the results of its operations and the changes in its financial position for the year then ended in accordance with Canadian generally accepted accounting principles.

I also report that, as described in Note 10, the Board made certain payments that did not comply with the *Persons with Developmental Disabilities Community Governance Act*.

### Note 9 Trust Fund Under Administration (thousands of dollars)

As at March 31, 2003 trust funds under administration were as follows:

	_	2003	}	20	002
Donation to Clients Client Trust Funds	5	\$	3 56	\$	3 74
		6	59	\$	77

#### Note 10 Grandfathered Clients (thousands of dollars)

When the *Persons with Developmental Disabilities Community Governance Act* (the *Act*) was passed by the Alberta Legislature in 1997, the new legislation narrowed the service mandate from the previous disability supports program and established eligibility criteria.

Certain individuals and agencies which were receiving services prior to the passing of the *Act* but which no longer met these new criteria for Persons with Developmental Disabilities (PDD) supports were grandfathered in to the new PDD service system. In response to a recommendation from the *Building Better Bridges* Report, Government directed that PDD Boards continue providing services to grandfathered individuals and agencies until service responsibility is handed-off to a more appropriate provincial program.

Accordingly, expenses related to these grandfathered individuals and agencies do not comply with the *Act*. The total cost of these services for 16 (2002 - 18) individuals that have been included in the Statement of Operations is estimated to be \$1,000 (2002 - \$1,059). The total cost for nine agencies that has been included in the Statement of Operations is estimated to be \$1,412 (2002 - \$1,429).

#### Note 11 Comparative Figures

Certain 2002 figures have been reclassified to conform to the 2003 presentation.

#### Note 12 Approval of Financial Statements

The financial statements were prepared by management and approved by the Board.

#### Note 7 Commitments (thousands of dollars)

As at March 31, 2003, the Board has the following commitments:

Service Contracts ^(a) Long-term Leases ^(b)	\$	- 34	\$	-7
	\$	34	\$	7

^(a) The actual amounts are dependent on the usage of service.

^(b) The Board leases certain equipment under operating leases that expire on various dates. The aggregate amounts payable for the unexpired terms of these leases are as follows:

#### Note 8 Surplus Retention Reserves (thousands of dollars)

The Board has entered into contracts with third party agencies to provide support for individuals which it serves. Occasionally, the Agencies do not spend all the funds they have been provided. When these unexpended amounts result from the efficient management of the program or fluctuations in service demand, the funds may be retained by the Agency and, after obtaining approval from the CEO of the Board, spent in the following manner:

- To eliminate deficits;
- To acquire assets;
- To fund exceptional maintenance costs; and
- For expenses of a one-time nature that will not result in incremental or continuing operating costs.

The estimated balance of these reserves at March 31, 2003 was \$4 (March 31, 2002 - \$0). This amount is not reflected in these financial statements.

#### Note 9 Grandfathered Clients (thousands of dollars)

When the *Persons with Developmental Disabilities Community Governance Act* (the *Act*) was passed by the Alberta Legislature in 1997, the new legislation narrowed the service mandate from the previous disability supports program and established eligibility criteria.

Certain individuals who were receiving services prior to the passing of the *Act* but who no longer met these new criteria for Persons with Developmental Disabilities (PDD) supports were grandfathered in to the new PDD service system. In response to a recommendation from the *Building Better Bridges* Report, Government directed that PDD Boards continue providing services to grandfathered individuals until service responsibility is handed-off to a more appropriate provincial program.

Accordingly, expenses related to the care of these grandfathered individuals do not comply with the *Act*. The total cost of these services for eight individuals that have been included in the Statement of Operations is estimated to be \$154 (2002 - \$124).

#### Note 11 Comparative Figures

Certain 2002 figures have been reclassified to conform to the 2003 presentation.

#### Note 12 Approval of Financial Statements

The financial statements were prepared by management and approved by the Board.

### AUDITOR'S REPORT

To the Members of the Board of Directors of the Persons with Developmental Disabilities Northwest Region Community Board and the Minister of Community Development

I have audited the statement of financial position of the Persons with Developmental Disabilities Northwest Region Community Board as at March 31, 2003 and the statements of operations and changes in financial position for the year then ended. These financial statements are the responsibility of the management of the Board. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Persons with Developmental Disabilities Northwest Region Community Board as at March 31, 2003 and the results of its operations and the changes in its financial position for the year then ended in accordance with Canadian generally accepted accounting principles.

I also report that, as described in Note 9, the Board made certain payments that did not comply with the *Persons with Developmental Disabilities Community Governance Act*.

### Note 9 Grandfathered Clients (thousands of dollars)

When the *Persons with Developmental Disabilities Community Governance Act* (the *Act*) was passed by the Alberta Legislature in 1997, the new legislation narrowed the service mandate from the previous disability supports program and established eligibility criteria.

Certain individuals who were receiving services prior to the passing of the *Act* but who no longer met these new criteria for Persons with Developmental Disabilities (PDD) supports were grandfathered in to new PDD service system. In response to a recommendation from the *Building Better Bridges* Report, Government directed that PDD Boards continue providing services to grandfathered individuals until service responsibility is handed-off to a more appropriate provincial program.

Accordingly, expenses related to the care of these grandfathered individuals do not comply with the *Act*. The total cost of these services for 5 individuals that have been included in the Statement of Operations is estimated to be 40 (2002 - 65).

### AUDITOR'S REPORT

To the Members of the Board of Directors of the Persons with Developmental Disabilities Provincial Board and the Minister of Community Development

I have audited the statement of financial position of the Persons with Developmental Disabilities Provincial Board as at March 31, 2003 and the statements of operations, changes in net assets and changes in financial position for the year then ended. These financial statements are the responsibility of the management of the Board. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Persons with Developmental Disabilities Provincial Board as at March 31, 2003 and the results of its operations and changes in its financial position for the year then ended in accordance with Canadian generally accepted accounting principles.

### AUDITOR'S REPORT

To the Members of the Board of Directors of the Persons with Developmental Disabilities South Alberta Board and the Minister of Community Development

I have audited the statement of financial position of the Persons with Developmental Disabilities South Alberta Board as at March 31, 2003 and the statements of operations and changes in financial position for the year then ended. These financial statements are the responsibility of the management of the Board. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

As the Ministry of Community Development reporting practices stipulate that related parties include only those organizations that are part of the government reporting entity, transactions with the regional health authorities are not disclosed in these financial statements as transactions with related parties. Under Canadian generally accepted accounting principles, the regional health authorities are related parties of the Board. A description of the nature of the Board's relationship with regional health authorities should have been included in Schedule 5, Related Party Transactions. Also, Schedule 5 should have disclosed the expense for the contract services provided by Chinook Regional Health Authority and Palliser Health Authority amounting to \$2.1 million and \$2.5 million respectively.

In my opinion, except for the matter described in the preceding paragraph, these financial statements present fairly, in all material respects, the financial position of the Persons with Developmental Disabilities South Alberta Board as at March 31, 2003 and the results of its operations and the changes in its financial position for the year then ended in accordance with Canadian generally accepted accounting principles.

I also report that, as described in Note 9, the Board made certain payments that did not comply with the *Persons with Developmental Disabilities Community Governance Act*.

#### Note 8 Surplus Retention Reserves (thousands of dollars)

The Board has entered into contracts with third party agencies to provide support for individuals which it serves. Occasionally, the Agencies do not spend all the funds they have been provided. When these unexpended amounts result from the efficient management of the program or fluctuations in service demand, the funds may be retained by the Agency and, after obtaining approval from the CEO of the Board, spent in the following manner:

- To eliminate deficits;
- To acquire assets;
- To fund exceptional maintenance costs; and
- For expenses of a one-time nature that will not result in incremental or continuing operating costs.

The estimated balance of these reserves at March 31, 2003 was \$48 (March 31,2002 - \$72). This amount is not reflected in these financial statements.

#### Note 9 **Grandfathered Clients (thousands of dollars)**

When the Persons with Developmental Disabilities Community Governance Act (the Act) was passed by the Alberta Legislature in 1997, the new legislation narrowed the service mandate from the previous disability supports program and established eligibility criteria.

Certain individuals who were receiving services prior to the passing of the Act but who no longer met these new criteria for Persons with Developmental Disabilities (PDD) supports were grandfathered in to new PDD service system. In response to a recommendation from the Building Better Bridges Report, Government directed that PDD Boards continue providing services to grandfathered individuals until service responsibility is handed-off to a more appropriate provincial program.

Accordingly, expenses related to the care of these grandfathered individuals do not comply with the Act. The total cost of these services for 16 individuals that have been included in the Statement of Operations is estimated to be \$425 (2002 - \$480).

#### Note 10 Comparative Figures

Certain 2002 figures have been reclassified to conform to the 2003 presentation.

#### Note 11 Approval of Financial Statements

The financial statements were prepared by management and approved by the Board.
