An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present in all material respects, the financial position of Moberly Hall School Society as at August 31, 2003 and the results of its operations, changes in cash flows, net assets and capital allocations for the year then ended in accordance with the Canadian generally accepted accounting principles.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplementary information included in Schedules A through G is presented for purposes of additional analysis and is not a required part of the basic financial statements. MOBERLY HALL SCHOOL SOCIETY

NOTES TO FINANCIAL STATEMENTS

AUGUST 31, 2003

1. AUTHORITY AND PURPOSE

Moberly Hall School Society delivers education programs under the authority of the *School Act*, Chapter S-3.1, Statutes of Alberta, 1988.

The School Society receives block allocations for instruction and support under Regulation 72/95. The regulation limits funding and expenses for administration. It permits the school society, within specified limits, to reallocate funding between the instruction and support blocks.

Moberly Hall School Society is incorporated under the Alberta Society's Act as a non-profit organization.

2. SIGNIFICANT ACCOUNTING POLICIES

These financial statements are prepared in accordance with generally accepted accounting principles and accounting policies consistent with those prescribed by Alberta Learning for Alberta school jurisdictions. The precise determination of many assets and liabilities is dependent on future events. As a result, the preparation of financial statements for a period involves the use of estimates and approximation, which have been made using careful judgment. Actual results could differ from those estimates and approximations. The financial statements have, in management's opinion, been properly prepared within reasonable limits of materiality and within the framework of the accounting policies summarized below:

a) Revenue Recognition

Instruction and support allocations are recognized in the year to which they relate.

Fees for services related to courses and programs are recognized as revenue when such courses and programs are delivered.

Unrestricted contributions are recognized as revenue when received or receivable. Contributions in kind are recorded at fair market value when reasonably determinable.

Externally restricted contributions are deferred and recognized as revenue in the period in which the restriction is complied with.

b) Capital Assets

Capital assets are reflected in the accounts at cost, and are amortized over their estimated useful lives on a declining balance basis, at the following rates:

Computers 30% Furniture & Equipment 20%

Only capital assets with costs in excess of \$5,000 are capitalized.

c) School Generated Funds

Funds generated from school-based activities are included as assets, liabilities, revenues and expenses of the school authority because the accountability and control/ownership of these funds rests with the school authority officials or their appointee(s).

MOBERLY HALL SCHOOL SOCIETY

2. SIGNIFICANT ACCOUNTING POLICIES, continued

d) Vacation Pay

Vacation pay is recorded when earned.

e) Contributed Services

Volunteers contribute a considerable number of hours per year to various school projects and activities. Because of the difficulty of compiling these hours and the fact that these services are not otherwise purchased, contributed services are not recognized in the financial statements.

f) Financial Instruments

The school society's financial instruments consist of cash, temporary investments, accounts receivable & accounts payable. It is management's opinion that the school society is not exposed to significant interest, currency or credit risks arising from these financial instruments. Unless otherwise noted, the fair values of these financial instruments approximate their carrying values.

5. COMMITMENTS

Moberly Hall School Society has a rent commitment for lease of the school facility of \$36,000 per year.

6. UNRECORDED LIABILITY

The School has an unrecorded liability for penalties and interest payable to CCRA for unpaid payroll remittances. The amount of penalties and interest paid in November 2003, for May to November deductions was \$5,085.
