AUDITORS' REPORT

To the Board of Trustees of the Palliser Regional Division No. 26

We have audited the statement of financial position of the Palliser Regional Division No. 26 as at August 31, 2003 and the statements of revenues and expenses, cash flows, changes in net assets and capital allocations for the year then ended. These financial statements are the responsibility of the school jurisdiction's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the school jurisdiction as at August 31, 2003 and the results of its operations, changes in cash flows, net assets and capital allocations for the year then ended in accordance with Canadian generally accepted accounting principles.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplementary information included in Schedules A through G is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such supplementary information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

PALLISER REGIONAL DIVISION NO. 26 NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED AUGUST 31, 2003

1. AUTHORITY AND PURPOSE

The school jurisdiction delivers education programs under the authority of the School Act, Chapter S-3, Statutes of Alberta, January 1, 2002.

The jurisdiction receives block allocations for instruction and support under Regulation 72/95. The regulation limits funding and expenses for administration. It permits the jurisdiction, within specified limits, to reallocate funding between the instruction and support blocks.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

These financial statements have been prepared in accordance with Canadian generally accepted accounting principles (GAAP) and accounting policies consistent with those prescribed by Alberta Learning for Alberta school jurisdictions. The precise determination of many assets and liabilities is dependent on future events. As a result, the preparation of financial statements for a period involves the use of estimates and approximations, which have been made using careful judgment. Actual results could differ from those estimates and approximations. The financial statements have, in management's opinion, been properly prepared within reasonable limits of materiality and within the framework of the accounting policies summarized below.

- a) Revenue Recognition Revenue is recognized as follows:
 - Instruction and support allocations are recognized in the year in which they relate.
 - Fees for services related to courses and programs are recognized as revenue when such courses and programs are delivered.
 - Unrestricted contributions are recognized as revenue when received or receivable. Contributions in kind are recorded at fair market value when reasonably determinable.
 - Externally restricted contributions are deferred and recognized as revenue in the period in which the
 restriction is complied with. Endowment funds, which are to be retained as net assets, are recorded
 as direct increases in trust assets and liabilities.
- Capital Assets Capital assets are reflected in the accounts at cost, and are amortized over their estimated useful lives on a straight-line basis, at the following rates:

Buildings 2.5 – 4%
 Vehicles & Buses 10-20%
 Equipment & Furnishings 10-20%

Only capital assets with costs in excess of \$5,000 are capitalized. Any capital allocations received for asset additions are amortized over the same period as the related asset.

- c) School-Generated Funds These are funds in the community, which come under the control and responsibility of the school principal and are for school activities. These funds are usually collected and retained at the school for expenditures paid at the school level (e.g., yearbook sales, graduation fees, field trip fees, etc.).
- d) Vacation Pay Vacation pay is accrued in the period in which the employee earns the benefit.
- e) Pensions Pension costs included in these statements comprise the cost of employer contributions for current service of employees during the year.

The current service and past service costs of the Alberta Teacher Retirement Fund are met by contributions by active members and the Government of Alberta. Under the terms of the Teachers Pension Plan Act, the Palliser School Division does not make pension contributions for certificated staff.

The school board participates in the multi-employer pension plan – the Local Authorities Pension Plan. The expense for this pension plan is equivalent to the annual contributions of \$ 158,167 for the year ended August 31, 2003. At December 31, 2002, the Local Authorities Pension Plan reported an actuarial deficiency of \$444,980,000 (2001 surplus of \$634,960,000).

- Inventories Inventories are recorded at the lesser of cost or net realizable value.
- g) Prepaid Expenses Certain expenditures incurred and paid before the close of the school year are for specific school supplies, which will be consumed subsequent to the year-end, and are accordingly recorded as prepaid expenses. Certain insurance expenses fall into this category.
- h) Contributed Services Volunteers contribute a considerable number of hours per year to various schools, which are within the school board to ensure that certain programs are delivered, such as kindergarten, lunch services and the raising of school-generated funds. Because of the difficulty of compiling these hours, and the fact that these services are not otherwise purchased, contributed services are not recognized in the financial statements.
- i) Financial Instruments The jurisdiction's financial instruments consist of cash, accounts receivable, accounts payable, accrued liabilities and long-term debt. It is management's opinion that the jurisdiction is not exposed to significant interest, currency or credit risks arising from these financial instruments. Unless otherwise noted, the fair values of these financial instruments approximate their carrying values. The jurisdiction has invested surplus funds in accordance with Section 60 of the School Act and Section 5 of the Trustees Act.
- Operating and Capital Reserves Reserves are established at the discretion of the Board of Trustees
 of the jurisdiction, to set aside funds for operating and for future capital expenditures. Such reserves are
 appropriations of accumulated surplus.
- k) Employee Future Benefits The jurisdiction accrues its obligations under employee future benefit plans and expenses the related costs. As at August 31, 2003, the recorded obligation is \$ 257,128 (2002 \$ 622,020).

7. DEFERRED CAPITAL ALLOCATIONS

Capital allocations received for qualifying capital projects initiated by the jurisdiction have been capitalized. These allocations are amortized on a basis consistent with the capital asset that the allocation funded.

8. LONG-TERM DEBT

a) Debenture Debt - Supported - The debenture debt bears interest at rates varying between 6.875% and 11.625%. The debenture debt is fully supported by Alberta Finance. The current portion of long-term debt consists entirely of amounts payable by Alberta Finance on supported debt; therefore, the working capital (current assets minus current liabilities) is understated by this amount. Debenture payments due over the next five years and beyond are as follows:

| Year | Principle | Interest | Total |
|------------|--------------|--------------|--------------|
| 2004 | \$ 454,911 | \$ 507,528 | \$ 962,439 |
| 2005 | 429,012 | 462,715 | 891,727 |
| 2006 | 417,989 | 419,862 | 837,851 |
| 2007 | 402,796 | 378,194 | 780,990 |
| 2008 | 395,281 | 338,043 | 733,324 |
| Thereafter | 3,085,853 | 1,447,790 | 4,533,643 |
| Total | \$ 5,185,842 | \$ 3,554,132 | \$ 8,739,974 |

b) Long Term Debt – Unsupported – Unsupported debt consists of a mortgage on the district's administrative building. This debt is not supported by Alberta Finance. The mortgage bears interest at 7.17% and is repayable in monthly blended payments of \$13,718.48. Payments due over the next 3 years are as follows:

| Year | Principle | Interest | Total |
|-------|------------|-----------|------------|
| 2004 | \$ 136,485 | \$ 28,137 | \$ 164,622 |
| 2005 | 146,598 | 18,024 | 164,622 |
| 2006 | 171,258 | 7,242 | 178,500 |
| Total | \$ 454,341 | \$ 53,403 | \$ 507,744 |

c) Capital Leases - Unsupported - There are currently no capital leases held by the jurisdiction.

9. UNAMORTIZED CAPITAL ALLOCATIONS

Unamortized capital allocations (UCA) represents the jurisdiction's net investment in capital assets (other than land and equipment) purchased prior to September 1, 1995. The total debenture payments increase the balance in the UCA account, with the amortization expense on related assets acting as a deduction to the account. Transfers from the deferred capital allocation account also increase the balance in the UCA account.

10. BUDGET AMOUNTS

The budget was prepared by the school jurisdiction and approved by the Board of Trustees. It is presented for information purposes only and has not been audited.

11. COMPARATIVE FIGURES

2...

The Budget 2003 and Actual 2002 comparative figures have been reclassified where necessary to conform to Actual 2003 presentation.

The 2002 figures were restated to reallocate \$757,914 of modernization funding from deferred revenue to deferred capital allocations.

12. COMMITMENTS

The jurisdiction is committed to further capital expenditures to build a new elementary school in Vulcan, Alberta of approximately \$ 4,500,000. It is anticipated that these costs will be fully funded by capital allocations from Alberta Infrastructure.

13. ECONOMIC DEPENDENCE ON RELATED THIRD PARTY

The Palliser School Division's primary source of income is from the Alberta Government. The Division's ability to continue viable operations is dependent of this funding.

14. SUBSEQUENT EVENTS

Subsequent to year-end a lawsuit was filed against the jurisdiction for unspecified damages. It is management's opinion that any damages awarded would be covered by the jurisdiction's liability insurance.
