SCHOOL JURISDICTION MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING

The financial statements and supporting schedules Canadian Rockies Regional Division No. 12

(Name of School Jurisdiction)

presented to Alberta Learning have been prepared by school jurisdiction management which has responsibility for their preparation, integrity and objectivity. The financial statements and schedules, including notes, have been prepared in accordance with generally accepted accounting principles and Ministerial requirements for Alberta

In fulfilling its reporting responsibilities, management has maintained internal control systems and procedures designed to provide reasonable assurance that the school jurisdiction's assets are safeguarded, that transactions are executed in accordance with appropriate authorization and that accounting records may be relied upon to properly reflect the school jurisdiction's transactions. The effectiveness of the control systems is supported by the selection and training of qualified personnel, an organizational structure that provides an appropriate division of responsibility and a strong budgetary system of control.

Board of Trustees Responsibility

The ultimate responsibility for the financial statements lies with the Board of Trustees. The Board reviewed the financial statements with management in detail and the Board approved the financial statements for release.

The Board appoints external auditors to audit the financial statements and meets with the auditors to review their findings. The external auditors have full and free access to school jurisdiction records.

Declaration of Management and Board ChairmanTo the best of our knowledge and belief, these financial statements and supporting schedules reflect, in all material respects, the financial position and results of operations and cash flows for the year in accordance with generally accepted accounting principles and Ministerial requirements for Alberta school jurisdictions.

AUDITORS' REPORT

To The Board of Trustees
Canadian Rockies Regional Division No. 12

We have audited the statement of financial position of the Canadian Rockies Regional Division No. 12 as at August 31, 2003 and the statements of revenues and expenses, cash flows, changes in net assets and capital allocations for the year then ended. These financial statements are the responsibility of the school jurisdiction's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the school jurisdiction as at August 31, 2003 and the results of its operations for the year then ended in accordance with Canadian generally accepted accounting principles.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplementary information included in Schedules A through G is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such supplementary information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

NOTES TO THE FINANCIAL STATEMENTS

1. AUTHORITY AND PURPOSE

The School Jurisdiction delivers education programs under the authority of the *School Act*, Chapter S-3, Statutes of Alberta, January 1, 2002.

The jurisdiction receives block allocations for instruction and support under Regulation 72/95. The regulation limits funding and expenses for administration. It permits the jurisdiction, within specified limits, to reallocate funding between the instruction and support blocks.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

These financial statements have been prepared in accordance with generally accepted accounting principles (GAAP) and accounting policies consistent with those prescribed by Alberta Learning for Alberta school jurisdictions. The precise determination of many assets and liabilities is dependent on future events. As a result, the preparation of financial statements for a period involves the use of estimates and approximations, which have been made using careful judgment. Actual results could differ from those estimates and approximations. The financial statements have, in management's opinion, been properly prepared within reasonable limits of materiality and within the framework of the accounting policies summarized below:

a) Revenue Recognition

Revenue is recognized as follows:

Instruction and support allocations are recognized in the year to which they relate.

Fees for services related to courses and programs are recognized as revenue when such courses and programs are delivered.

Unrestricted contributions are recognized as revenue when received and receivable. Contributions in-kind are recorded at fair market value when reasonably determinable.

Externally restricted contributions are deferred and recognized as revenue in the period in which the restriction is complied with. Endowment funds, which are to be retained as net assets, are recorded as direct increases in trust assets and liabilities.

b) Capital Assets

Capital Assets are reflected in the accounts at cost, and are amortized over their estimated useful lives on a straight-line basis, at the following rates:

Buildings 10 to 40 years Vehicles & Buses 5 to 10 years Equipment & Furnishings 5 to 10 years

Only capital assets with costs in excess of \$5,000 are capitalized. Any capital allocations received for asset additions are amortized over the same period as the related asset.

c) School Generated Funds

These are funds in the community, which come under the control and responsibility of the school principal and are for school activities. These funds are usually collected and retained at the school for expenditures paid at the school level (e.g. yearbook sales, graduation fees, field trip fees, etc.)

d) Vacation Pay

Vacation Pay is accrued in the period in which the employee earns the benefit.

e) Pensions

Pension costs included in these statements comprise the cost of employer contributions for current service of employees during the year.

The current service and past service costs of the Alberta Teacher Retirement Fund are met by contributions by active members and the Government of Alberta. Under the terms of the Teachers Pension Plan Act, the Canadian Rockies School Division does not make pension contributions for certificated staff.

The school board participates in the multi-employer pension plan, Local Authorities Pension Plan. The Expense for this pension plan is equivalent to the annual contributions of \$104,731 for the Year ended August 31, 2003. At December 31, 2002, the Local Authorities Pension Plan reported an actuarial deficiency of \$444,980,000 (2001 surplus of \$634,960,000).

f) Inventories

Inventories are recorded at the lesser of cost or net realizable value.

g) Prepaid Expenses

Certain expenditures incurred and paid before the close of the school year are for specific school supplies, which will be consumed subsequent to the year-end, and are accordingly recorded as prepaid expenses. Certain insurance expenses fall into this category.

h) Contributed Services

Volunteers contribute a considerable number of hours per year to various schools, which are within the school board to ensure that certain programs are delivered, such as kindergarten, lunch services and the raising of school generated funds. Because of the difficulty of compiling these hours and the fact that these services are not otherwise purchased, contributed services are not recognized in the financial statements.

i) Financial Instruments

The jurisdiction's financial instruments consist of cash, accounts receivable, accounts payable, accrued liabilities, and long-term debt. It is management's opinion that the jurisdiction is not exposed to significant interest, currency or credit risks arising from these financial instruments. Unless otherwise noted, the fair values of these financial instruments approximate their carrying values. The jurisdiction has invested surplus funds in accordance with Section 60 of the *School Act* and Section 5 of the Trustees Act.

j) Operating and Capital Reserves

Reserves are established at the discretion of the Board of Trustees of the jurisdiction or externally, to set aside funds for operating and for future capital expenditures. Such reserves are appropriations of accumulated surplus.

k) Employee Future Benefits

The jurisdiction accounted for the future cost of employee benefits commencing in the 2000/2001 school year using the retroactive approach. There is no financial impact on the jurisdiction at this time

4. BANK INDEBTEDNESS

The jurisdiction has negotiated an operating line of credit in the amount of \$3,000,000 (currently limited to \$1.5 million) that bears interest at the Canadian Imperial Bank of Commerce (CIBC) prime rate. There was no balance outstanding on the line of credit at August 31, 2003. The CIBC has also made available Letters of Credit in favour of the Town of Banff to a maximum of \$200,000 and corporate credit cards to a maximum of \$85,000. The credit is secured by a borrowing resolution for \$1,500,000 covering all revenue of the jurisdiction.

Scholarship Trusts	\$ 80,690	\$	80,487	
Total	\$ 80,690	\$	80,487	

8. LONG TERM DEBT

a) Debenture Debt - Supported

The debenture debt bears interest at rates varying between 6% and 12%. The debenture debt is fully supported by Alberta Finance. The current portion of long-term debt consists entirely of amounts payable by Alberta Finance on supported debt; therefore, the working capital (current assets minus current liabilities) is understated by this amount. Debenture payments due over the next five years and beyond are as follows:

	Principal		Interest	Total		
2003-2004	\$ 851,956	\$	965,724	\$	1,817,680

Total	\$ 10,014,519	\$	7,424,072	\$	17,438,591	

b) Capital Leases – Unsupported

There are currently no capital leases held by the jurisdiction.

9. DEFERRED AND UNAMORTIZED CAPITAL ALLOCATIONS

Capital allocations received for qualifying capital projects initiated by the jurisdiction are deferred until expended on the capital project for which they were received. When expended, these funds are transferred to unamortized capital allocations.

Unamortized capital allocations represent the jurisdiction's net investment in provincially funded capital assets. For provincially funded capital assets funding (including debenture principal payment funding) is deferred and amortized into revenue over the life of the related capital assets. The annual amortization of such assets is charged to expense and offset by corresponding revenue arising from the amortization of capital allocations.

10. COMMITMENTS

a) Building Projects

The jurisdiction is committed to further capital expenditures for the modernization at Banff Community High School of approximately \$433,389. It is anticipated that these costs will be fully funded by the capital allocations from Alberta Infrastructure.

11. ECONOMIC DEPENDENCE ON RELATED THIRD PARTY

The Canadian Rockies Public Schools' primary source of income is from the Alberta Government. The Division's ability to continue viable operations is dependent on this funding.

12. BUDGET AMOUNTS

The budget was prepared by the school jurisdiction and approved by the Board of Trustees. It is presented for information purposes only and has not been audited.

13. COMPARATIVE FIGURES

The Budget 2003 and Actual 2002 comparative figures have been reclassified where necessary to conform to Actual 2003 presentation.
