AUDITOR'S REPORT

To the Members of the Board Westmount Charter School Society

I have audited the statement of financial position of the Westmount Charter School Society as at August 31, 2004 and the statements of revenue and expenses, cash flows, changes in net assets and capital allocations for the year then ended. These financial statements are the responsibility of the Society's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free from material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating overall financial statement presentation.

In my opinion these financial statements present fairly, in all material respects, the financial position of the Society as at August 31, 2004 and the results of its operations, changes in cash flows, net assets and capital allocations for the year then ended in accordance with Canadian generally accepted accounting principles.

My audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplementary information included in the schedules A through G is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such supplementary information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in my opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED AUGUST 31, 2004

NOTE 1 - GENERAL

The ABC Charter Public School Society (the Society) was incorporated on August 9, 2000 under the laws of the Societies Act of Alberta. The Society's main purpose was to operate the ABC Charter Public School which had previously been operated as a division of the Action for Bright Children (Calgary Society). The Calgary Society was approved to open and operate a Charter School in Calgary which commenced operations August 1, 1996 and transferred the charter to the Society effective for the beginning of the 2000 - 2001 school year. On November 15, 2002, the Society changed its name to Westmount Charter School Society. These financial statements are presented to include the assets, liabilities and operations of Westmount Charter School Society from the commencement of operations in 1996.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

These financial statements have been prepared in accordance with Canadian generally accepted accounting principles (GAAP) and accounting policies consistent with those prescribed by Alberta Learning for Alberta school jurisdictions. The precise determination of many assets and liabilities is dependent on future events. As a result, the preparation of financial statements for a period involves the use of estimates and approximations, which have been made using careful judgement. Actual results could differ from those estimates and approximations. The financial statements have, in management's opinion, been properly prepared within reasonable limits of materiality and within the framework of the accounting policies summarized below:

Revenue Recognition

Instruction and support allocations are recognized in the year to which they relate.

Fees for services related to courses and programs are recognized when such courses and programs are delivered.

Unrestricted contributions are recognized as revenue when received or receivable. Contributions in-kind are recorded at fair market value when reasonably determinable.

Externally restricted contributions are deferred and recognized as revenue in the year in which the restriction is complied with.

NOTES TO FINANCIAL STATEMENTS - continued

YEAR ENDED AUGUST 31, 2004

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - continued

Capital Assets

Purchased capital assets are recorded at cost. Contributed capital assets are recorded at fair value at the date of contribution. The School's policy is to capitalize only those individual capital assets with a cost in excess of \$5,000 and amortize these assets over their useful lives. All other capital assets are charged to expense in the year incurred or contributed.

School Generated Funds

These are funds in the community, which come under the control and responsibility of the school principal and are for school activities. These funds are usually collected and retained at the school for expenditures paid at the school level.

Vacation Pay

Vacation pay is accrued in the period in which the employee earns the benefit.

Pensions

The current service and past service costs of the Alberta Teacher Retirement Fund are met by contributions by active members and the Government of Alberta. Under the terms of the Teachers Pension Plan Act, the Westmount Charter School Society does not make pension contributions for certificated staff.

Prepaid Expenses

Certain expenditures incurred and paid before the close of the school year are for specific school supplies, which will be consumed subsequent to year end, and are accordingly recorded as prepaid expenses.

Contributed Services

Volunteers contribute a considerable number of hours each year to assist the School in carrying out certain programs, such as kindergarten, lunch services and the raising of school generated funds. Because of the difficulty of compiling these hours and the fact that the services are not otherwise purchased, contributed services are not recognized in the financial statements.

NOTES TO FINANCIAL STATEMENTS - continued

YEAR ENDED AUGUST 31, 2004

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - continued

Financial Instruments

The Society's financial instruments consist of cash, short term investments, accounts receivable, accounts payable and accrued liabilities. It is management's opinion that the Society is not exposed to significant interest, currency or credit risks arising from these financial instruments. Unless otherwise noted, the fair values of these financial instruments approximate their carrying values. The Society has invested surplus funds in accordance with Section 60 of the School Act and Section 5 of the Trustees Act.

Operating Reserves

Reserves are established at the discretion of the Board of Trustees to set aside funds for certain operating expenditures. Such reserves are appropriations of accumulated surplus.

Employee Future Benefits

The Society does not provide a future benefit plan to its employees and therefore no such obligations have been expensed or accrued in these financial statements.

NOTE 3 - SHORT TERM INVESTMENTS

Short term investments consists of variable rate guaranteed investment certificates as follows;

During the year, the Society received donated furniture and computer equipment with an estimated fair value of \$30,900 (2003 - \$22,505) which, in accordance with its capital asset policy in Note 2, has been charged to expense.

At the end of the prior year, the Society purchased furniture and equipment in anticipation of the school expansion in 2003 - 2004. These expenses have been included in prepaid expenses to match the expenditures with the funding to be received by Alberta Infrastructure for this purpose.

Deferred revenue consists of the following:

		Aug	ust 31

Prepaid lease support and furniture and equipment Prepaid student fees Alberta Initiative for School Improvement LRC and RCF credits Restricted donations One time grant (2003)	\$	67,345	\$1,088,570

	Ф	1.45.060	#1.142.050	
	\$	147,968	\$1,143,858	

The School received a one time grant in the amount of \$3,762 in 2003 from the Government of Alberta which was to be used for specific programs in the 2003 - 2004 school year. This restricted amount was recorded as deferred revenue in 2003 and was matched to the specific program expenditures in 2003 - 2004

The Society received cash in the amount of \$4,370 (2003 - \$3,865) which has specific terms of usage and has been recorded as a restricted donation. These funds have been deferred and will be recognized as revenue when the funds are spent on their designated purpose.

NOTE 8 - LEASE COMMITMENTS

The Society has a lease with The Calgary Board of Education for its premises which expires on July 31, 2006 and has estimated scheduled minimum rent payments of \$1,058,030 per annum.

The Society also has lease commitments relating to various office equipment with expiry dates to 2008 and has scheduled lease payments of \$37,900 per annum.

NOTE 9 - SCHOOL GENERATED FUNDS

In the current year, net SGF revenue and net SGF expense include operations from school council, who maintain a separate bank account and do not report directly to the school. As the amounts are deemed to be immaterial, Schedule E has restated the opening unexpended funds to include school council's carryforward funds, but no adjustment has been made to the prior year revenue and expense numbers.

NOTES TO FINANCIAL STATEMENTS - continued

YEAR ENDED AUGUST 31, 2004

NOTE 10 - LEASING COSTS

The School moved into new premises effective August 1, 2001 and signed a 5 year lease with The Calgary Board of Education as described in note 8. The funding received from Alberta Learning for lease support is based on a similar formula as the lease, but is calculated and paid over the school year (September to August) instead of the lease year (August to July). As the lease was not signed until well into the 2001 - 2002 school year, no amount of rent from this lease for August, 2001 (\$25,935) was included in the 2000 - 2001 financial statements, and the extra month was included in the 2001 - 2002 financial statements. Due to the ongoing growth at the school, the rent charges increase each August to account for the additional space occupied by the school, while the funding increases in September, which increases the differential between the amounts paid for rent and the funding received for lease costs. The differential as at August 31, 2004 of \$88,169 (2003 - \$88,169) has not been recorded in these financial statements as this timing difference is expected to continue indefinitely.

The School also received a one time grant of \$22,990 to be applied towards the plant operations and maintenance of the school for 2002 - 2003 or 2003 - 2004. This grant has been applied, under instruction from the Calgary Board of Education, to the 2002- 2003 school year.

NOTE 11 - INTERNALLY RESTRICTED NET ASSETS

Subsequent to year end, the Board approved a motion to carry forward the 2004 transportation surplus of \$35,000 as a reserve against future transportation costs. Also, the Board approved the continuation of a scholarship fund from the net proceeds of the Summerstock production in 2004 in the amount of \$10,787 (2003 - \$19,377). In 2002, the Board approved the transfer from accumulated operating surplus' of \$100,000 to be used as a reserve against the future costs of expansion of the school. In the current year, the Board approved a motion to apply \$21,630 of these funds towards designated expenditures, with the balance of \$78,370 to be carried forward.

NOTE 12 - ECONOMIC DEPENDENCE ON RELATED THIRD PARTY

Westmount Charter School Society's primary source of income is from the Alberta Government. The Society's ability to continue viable operations is dependent on this funding.

NOTE 13 - BUDGET AMOUNTS

The budget was prepared by the Society and approved by the Board of Trustees. It is presented for information purposes only and has not been audited.
