#### SCHOOL JURISDICTION MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING

The financial statements and supporting schedules Holy Family Catholic Regional Division No. 37 (Name of School Jurisdiction)

presented to Alberta Learning have been prepared by school jurisdiction management which has responsibility for their preparation, integrity and objectivity. The financial statements and schedules, including notes, have been prepared in accordance with generally accepted accounting principles and Ministerial requirements for Alberta school jurisdictions.

In fulfilling its reporting responsibilities, management has maintained internal control systems and procedures designed to provide reasonable assurance that the school jurisdiction's assets are safeguarded, that transactions are executed in accordance with appropriate authorization and that accounting records may be relied upon to properly reflect the school jurisdiction's transactions. The effectiveness of the control systems is supported by the selection and training of qualified personnel, an organizational structure that provides an appropriate division of responsibility and a strong budgetary system of control.

#### Board of Trustees Responsibility

The ultimate responsibility for the financial statements lies with the Board of Trustees. The Board reviewed the financial statements with management in detail and the Board approved the financial statements for release.

#### **External Auditors**

The Board appoints external auditors to audit the financial statements and meets with the auditors to review their findings. The external auditors have full and free access to school jurisdiction records.

Declaration of Management and Board Chairman To the best of our knowledge and belief, these financial statements and supporting schedules reflect, in all material respects, the financial position and results of operations and cash flows for the year in accordance with generally accepted accounting principles and Ministerial requirements for Alberta school jurisdictions.

# **Auditors' Report**

To the Board of Trustees of the Holy Family Catholic Regional Division No. 37

We have audited the statement of financial position of the Holy Family Catholic Regional Division No. 37 as at August 31, 2005 and the statements of revenues and expenses, cash flows, changes in net assets and capital allocations for the year then ended. These financial statements are the responsibility of the division's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the school division as at August 31, 2005 and the results of its operations and changes in its cash flows, net assets and capital allocations for the year then ended in accordance with Canadian generally accepted accounting principles.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplementary information included in Schedules A to G1 is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such supplementary information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

#### 1. Authority and Purpose

The School Division delivers education programs under the authority of the School Act, Revised Statutes of Alberta, 2000, Chapter S-3.

The jurisdiction receives block allocations for instruction and support under Regulation 77/2003. The regulation allows for the setting of conditions and use of grant monies. The School Jurisdiction is limited on administration expenses and is permitted to reallocate funding within the Alberta Education instruction and support block areas.

#### 2. Summary of Significant Accounting Policies

These financial statements have been prepared in accordance with Canadian generally accepted accounting principles (GAAP) and accounting policies consistent with those prescribed by Alberta Education for Alberta school jurisdictions. The precise determination of many assets and liabilities is dependent on future events. As a result, the preparation of financial statements for a period involves the use of estimates and approximations, which have been made using careful judgment. Actual results could differ from those estimates and approximations. The financial statements have, in management's opinion, been properly prepared within reasonable limits of materiality and within the framework of the accounting policies summarized below:

#### Cash and cash equivalents

Cash and cash equivalents include cash on hand and balances on deposit with banks.

#### Prepaid Expenses

Certain expenditures incurred and paid before the close of the school year are for specific school supplies, which will be consumed subsequent to the year-end, and are accordingly recorded as prepaid expenses. Certain insurance expenses fall into this category.

#### **Revenue Recognition**

Revenue is recognized as follows:

- 1. Instruction and support allocations are recognized in the year to which they relate.
- 2. Fees for services related to courses and programs are recognized as revenue when such courses and programs are delivered.
- 3. Capital allocations from the province or other agencies are recorded as deferred capital contributions until spent. Once spent, they are transferred to the unamortized capital allocation balance and are recognized as revenue in the periods in which the amortization expense for these capital assets is recorded. Amounts invested in unamortized capital assets are recorded as direct increases in net assets.
- 4. Unrestricted contributions are recognized as revenue when received or receivable. Contributions in-kind are recorded at fair market value when reasonably determinable.
- 5. Externally restricted contributions are deferred and recognized as revenue in the period in which the restriction is complied with. Endowment contributions are recognized as direct increases in net assets in the period in which they are received.

#### 2. Summary of Significant Accounting Policies (continued from previous page)

#### Capital Assets

Capital assets are recorded at cost. Items costing less than \$5,000 are expensed when purchased. Capital assets are amortized on a straight- line basis over the assets' estimated useful life as follows:

Vehicles	5 to 10 years
Buildings	10 to 40 years
Furniture and equipment	5 to 20 years

#### School generated funds

Funds generated from school-based activities are included as assets, liabilities, revenues and expenses of the school jurisdiction because the accountability and control/ownership of these funds rests with school jurisdiction officials or their appointees. These are funds in the community, which come under the control and responsibility of the school principal and are for school activities. These funds are usually collected and retained at the school for expenditures paid at the school level (e.g yearbook sales, graduation fees, field trips, etc.).

#### Vacation Pay

Vacation pay is accrued in the period in which the employee earns the benefit.

#### **Operating and Capital Reserves**

Reserves are established at the discretion of the Board of Trustees of the jurisdiction, to set aside funds for operating and for future capital expenditures. Such reserves are appropriations of accumulated surplus.

#### **Contributed services**

Volunteers contribute a considerable number of hours per year to various schools, which are within the school board to ensure that certain programs are delivered, such as kindergarten, lunch services and the raising of school generated funds. Because of the difficulty of compiling these hours and the fact that these services are not otherwise purchased, contributed services are not recognized in the financial statements.

#### **Financial Instruments**

The jurisdiction's financial instruments consist of cash, accounts receivable, accounts payable, accrued liabilities, and long-term debt. It is management's opinion that the jurisdiction is not exposed to significant interest, currency or credit risks arising from these financial instruments. Unless otherwise noted, the fair values of these financial instruments approximates their carrying values. The jurisdiction has invested surplus funds in accordance with Section 60 of the School Act and Section 5 of the Trustees Act.

#### **Employee Future Benefits**

The jurisdiction accrues its obligations under employee future benefit plans and expenses the related costs. As at August 31, 2005, there is no financial impact on the jurisdiction.

August 31, 2005

#### 2. Summary of Significant Accounting Policies (continued from previous page)

#### Pension obligation

Pension costs included in these statements comprise the cost of employer contributions for current service of employees during the year.

The current service and past service costs of the Alberta Teacher Retirement Fund are met by contributions by active members and the Government of Alberta. Under the terms of the Teachers Pension Plan Act, the HFCRD #37 School Division does not make pension contributions for certificate staff.

The school board participates in the multi-employer pension plan, Local Authorities Pension Plan, and does not report on any unfunded liabilities. The expense for this pension plan is equivalent to the annual contributions of \$79,151 (2004 - \$64,571) for the Year ended August 31, 2005. At December 31, 2004, the Local Authorities Pension Plan reported an actuarial deficiency of \$1,288,924,000 (2003 - deficiency of \$1,453,487,000).

#### 8. Deferred Capital Allocations

Deferred capital allocations represent externally-restricted supported capital funds provided for a specific capital purpose that have been received or are receivable by the jurisdictions, but the related expenditure has not yet been made at year-end. These unspent deferred capital allocations are not amortized until the expenditure has been made and it is at that time that the balance is transferred to the unamortized capital allocations account.

#### 9. Unamortized Capital Allocations

Unamortized capital allocations represent externally-restricted supported capital funds that have been spent, but have yet to be amortized over the useful life of the applicable capital asset to which the restricted capital allocations apply. The unamortized capital allocations account balance is increased by transfers of previously deferred capital allocations now spent, as well as fully-supported debentured capital funds, as the principal is repaid.

#### 10. Economic Dependence on Related Third Party

The School Division's primary source of income is from the Alberta Government. The Division's ability to continue viable operations is dependent on this funding.

# Holy Family Catholic Regional Division No. 37 Notes to the Financial Statements

August 31, 2005

#### 11. Budget Amounts

The budget was prepared by the School jurisdiction management with Board of Trustees approval. It is presented for information purposes only and has not been audited.

#### 12. Approval of Financial Statements

These financial statements were approved by management.

#### 13. Contingencies

A number of claims have been filed against the Government of Canada. These claims stem from allegations that occurred in residential schools during a period ranging from the early 1960's to the early 1970's. The Division has been named as a third party with the Government of Canada in these claims. With respect to one of the claims, the Division has been named as defendant.

The Division has entered into an Indemnity Agreement in which the Province of Alberta has agreed to indemnify Holy Family Catholic Regional Division for these claims and related costs incurred.

#### 14. Commitments

The jurisdiction is committed to further capital expenditures for the construction of a replacement school of approximately \$8,825,512. To date, a total of \$949,353 has been spent and funding of \$4,412,757 has been received. It is anticipated that these costs will be fully funded by the capital allocations from Alberta Infrastructure and Transportation.

### SCHEDULE G1 to the AFS

#### DISCLOSURE OF SALARIES AND BENEFITS (SECTION 148.1 OF THE SCHOOL ACT)

#### **COMPLETION INFORMATION**

- (1) Salary and benefits consist of and agree with the amounts properly recorded in the school jurisdiction's payroll records and related object codes for salaries, wages and benefits.
- (2) Remuneration includes regular base salaries, certificated school-based employee allowances outlined in collective agreements, overtime, honoraria, deferred salary leave accruals, lump sum payments EXCEPTING TERMINATION BENEFITS (See #10A below), any other direct cash remuneration EXCEPTING PERFORMANCE PAY (See #10 below).
- (3) Certificated salaries include the aggregate of all payments for certificated staff regardless of the length, nature or definition of the employment agreement. The number of full time equivalent (FTE) staff should be measured as at September 30.
- (4) Uncertificated salaries and wages should be measured in terms of the number of FTE staff employed as at September 30.
- (5) Salary and benefits information should be the aggregate amount covering the same fiscal period as the audited financial statements.
- (6) Salary must include deferred salary accruals.
- (7) Salary includes only payments for services subject to an employer-employee relationship.
- (8) Benefits include the employer's share of all employee benefits and contributions or payments made on behalf of employees including retirement pensions, Canada pension plan (CPP), employment insurance (EI), health care, dental coverage, vision coverage, out of country medical benefits, group life insurance, accidental disability and dismemberment insurance, long and short term disability plans.
- (9) Allowances include all monies paid to an employee as miscellaneous negotiated allowances. This category will include car or travel allowances, isolation allowances, relocation expenses, sabbaticals, special leave with pay, financial and retirement planning services, and club memberships. CERTIFICATED SCHOOL-BASED EMPLOYEE ALLOWANCES, as outlined in collective agreements, are included in Remuneration NOT Allowances.
- (10) **Performance Bonuses** include those monies paid to employees of the school authority that are tied to the achievement of some specifed goal or objective.
- (10A) **Other** includes termination benefits ((severance pay, retiring allowances (ERIP's), sick leave and other settlement costs due to loss of employment).
- (11) **Expenses** will include the reimbursements of travel, subsistence, moving costs, conference fees, etc., paid by the employee **or on his/her behalf** in performing the responsibilities of employment.
- (12) The superintendent's position disclosure is in terms of one individual who is the Chief Executive Officer. Benefits for the superintendent do not include Alberta Learning contributions to the Teachers Retirement Fund pension plan.
- (13) The secretary-treasurer's position disclosure is in terms of one individual who is the Chief Financial Officer. If the board has not appointed one person to act as secretary-treasurer, then the disclosure is in terms of separate individuals appointed to the Board Treasurer and Board Secretary positions. Benefits for the secretary-treasurer include the Local Authorities Pension Plan contributions.
- (13) A position should include salary, benefits and allowances earned and expenses accrued by an individual who officially acted in a position while it was vacant or was appointed to the position. If a position was vacant and no one acted in the position, the position should not be disclosed.
- (14) Benefits and allowances need not include an amount for automobile, housing or other benefits for which a value cannot be reasonably estimated.
- (15) If a position is occupied by more than one individual during a year, each of those individual's specific expenses and salary, benefits and allowances earned by each of the individuals in the position need be disclosed separately.
