<sup>(24)</sup> The inexperienced labour force refers to unemployed persons 15 years and over who have never worked or who had worked only prior to January 1, 2000. Job characteristics of the labour force (industry, occupation, and class of worker) are only collected for the experienced labour force (persons with recent paid work experience).

(27) A couple living common-law may be of opposite or same sex.

<sup>(25)</sup> Private households only.(26) Children are included if they are blood, step- or adopted sons and daughters (regardless of age or marital status) who are living in the same dwelling as their parent(s), as well as grandchildren in households where there are no parents present. Sons and daughters who are living with their spouse or common-law partner, or with one or more of their own children, are not considered to be members of the census family of their parent(s), even if they are living in the same dwelling.
