MIS PRIMARY ACCOUNTS VALID IN ACCS

Account Number	Description
7112060	<p>EMPLOYEE HEALTH The functional centre pertaining to the provision of medical examinations as required, from time to time, for health service organization personnel, in accordance with federal and provincial legislation and health service organization policy; and to the maintenance of the associated records. Includes all similar services procured on a purchased service basis.</p>
713 AMBULATORY CARE SERVICES	
71310	<p>EMERGENCY The functional centre pertaining to the unit providing assessment, diagnostic and treatment services to individuals with conditions requiring immediate attention. Includes data for services provided for registered scheduled clients receiving care in Emergency.</p>
7131020	<p>GENERAL EMERGENCY The Functional Centre pertaining to the area where assessment, diagnostic and treatment services are provided for registered patients with general injuries and disorders which require prompt attention. Treatment should not be delayed beyond 24 hours.</p>
7131025	<p>HOSPITAL URGENT CARE CENTRE The functional centre within a hospital setting where assessment, diagnostic and treatment services are provided during certain hours of the day for registered service recipients with injuries or conditions that require urgent attention. As there is not the infrastructure within the hospital to support service recipients with resuscitation-type injuries or conditions, ambulances do not transport service recipients to these centres.</p>
7131040	<p>INTERIM EMERGENCY ASSESSMENT The Functional Centre pertaining to the area where observation and treatment services are provided for registered persons who require short-term serialized assessment and management. May include services for persons who are waiting for an inpatient/resident bed or awaiting transfer to another health service organization.</p>
7131060	<p>TRAUMA EMERGENCY The Functional Centre pertaining to the area where assessment, diagnostic and treatment services are provided for clients with severe, multiple system disorders as the result of injury, which are a potential threat to life or limb.</p>

Account Number	Description
7131070	<p>EMERGENCY PSYCHIATRIC SERVICES The Functional Centre pertaining to the unit where services are provided, usually on a consultation basis, for registered persons who are referred to the service by physicians, and who have acute psychiatric problems requiring assessment, treatment and disposition. Can pertain to a unit or to a team dedicated to the provision of this service.</p>
7131080	<p>EMERGENCY ADVICE CENTRE The Functional Centre pertaining to the unit where a telephone service is provided by professional personnel, primarily for information or advice on conditions requiring immediate attention. Telephone services include assessment, advice for treatment and prevention, and referral to appropriate facilities for treatment and follow-up.</p>
71320	<p>POISON INFORMATION CENTRE The Functional Centre pertaining to the unit providing information or advice on the treatment of known or suspected cases of poisoning. Includes assessment, advice for treatment and prevention and referral to appropriate facilities for treatment and followup.</p>
71330	<p>TELEHEALTH Alberta Only. The Functional Centre providing or receiving consultative services by way of video or teleconference in order to diagnose or treat patients/clients/residents.</p>
71340	<p>SPECIALTY DAY/NIGHT CARE The Functional Centre pertaining to the units providing specialized day/night care for registered persons who attend for three to twelve hours on average, typically as the result of a referral from a primary care practitioner.</p>
7134005	<p>GENERAL SPECIALTY DAY/NIGHT CARE The Functional Centre pertaining to the units where general services are provided for registered persons who attend for three to twelve hours on average, typically as the result of a referral from a primary care practitioner.</p>
7134010	<p>MEDICAL SPECIALTY DAY/NIGHT CARE The Functional Centre pertaining to the units where medical, non-surgical services are provided for registered persons who attend for three to twelve hours on average, typically as the result of a referral from a primary care practitioner.</p>

Account Number	Description
7134020	<p>SURGICAL/PROCEDURAL (OR/PARR EXCLUDED) SPECIALTY DAY/NIGHT CARE The Functional Centre pertaining to the units without self-contained operating room(s) and post-anaesthetic recovery room(s) where scheduled surgical and diagnostic procedures are provided for registered persons who attend for three to twelve hours on average. This unit provides pre- and post-operative care only and utilizes operating room and recovery room facilities that serve inpatients.</p>
7134025	<p>SURGICAL/PROCEDURAL (OR/PARR INCLUDED) SPECIALTY DAY/NIGHT CARE The Functional Centre pertaining to the units with self-contained operating room(s) and post-anaesthetic recovery room(s) where scheduled surgical and diagnostic procedures are provided for registered persons who attend for three to twelve hours on average.</p>
713402520	<p>SPECIALTY DAY/NIGHT CARE OPERATING ROOM The Functional Centre pertaining to the Operating Room where scheduled surgical and diagnostic procedures are provided only for registered persons who attend for three to twelve hours on average, typically as the result of a referral from a primary care practitioner.</p>
713402540	<p>SPECIALTY DAY/NIGHT CARE RECOVERY ROOM The Functional Centre pertaining to the Recovery Room where continuous observation, care and treatment is provided in the immediate post-operative and post-anesthetic period, for registered persons who attend for three to twelve hours on average, typically as the result of a referral from a primary care practitioner.</p>
713402560	<p>SPECIALTY DAY/NIGHT CARE PRE AND POST OPERATIVE CARE The Functional Centre pertaining to the unit where services are provided for surgical registered persons in the pre- and postoperative stage and who attend for three to twelve hours on average, typically as the result of a referral from a primary care practitioner.</p>
7134030	<p>PEDIATRIC DAY/NIGHT CARE Alberta Only. Pertains to units or teams where rehabilitation services are provided for registered pediatric patients who attend for a number of hours of the day or night. Age limit used for classifying pediatrics is 12 years.</p>
7134035	<p>CARDIAC SPECIALTY DAY/NIGHT CARE The Functional Centre pertaining to the units where services are provided for registered persons with cardiac disorders who attend for three to twelve hours on average, typically as the result of a referral from a primary care practitioner.</p>

Account Number	Description
713403520	<p>GENERAL CARDIAC SPECIALTY DAY/NIGHT CARE The Functional Centre pertaining to the unit where services are provided for registered persons who have general cardiac disorders and who attend for three to twelve hours on average, typically as the result of a referral from a primary care practitioner.</p>
713403540	<p>HEMODYNAMIC SPECIALTY DAY/NIGHT CARE The Functional Centre pertaining to the unit where services are provided for registered persons who require cardiac investigation and who attend for three to twelve hours on average, typically as the result of a referral from a primary care practitioner.</p>
7134037	<p>CARDIAC CATHETERIZATION LABORATORY SPECIALTY DAY/NIGHT CARE The Functional Centre pertaining to the provision of invasive, hemodynamic, electrophysiologic, biochemical, and angiographic study of the heart. Service recipients attend for three to twelve hours on average, typically as the result of a referral from a primary care practitioner. Excludes Diagnostic Imaging personnel involved in the delivery of service. (see Functional Centre 71 4 15 55).</p>
7134050	<p>DIABETES SPECIALTY DAY/NIGHT CARE The Functional Centre pertaining to the units where teaching and treatment services are provided for registered persons who are diabetic and who attend for three to twelve hours on average, typically as the result of a referral from a primary care practitioner. Can pertain to a unit or to a team dedicated to the provision of this service.</p>
7134055	<p>ENDOSCOPY SPECIALTY DAY/NIGHT CARE The Functional Centre pertaining to the units where services are provided for registered persons who require endoscopic procedures and who attend for three to twelve hours on average, typically as the result of a referral from a primary care practitioner.</p>
7134060	<p>GERIATRICS SPECIALTY DAY/NIGHT CARE The Functional Centre pertaining to the units where treatment and counseling services are provided for elderly registered persons, sick or well, who attend for three to twelve hours on average, typically as the result of a referral from a primary care practitioner.</p>
713406020	<p>GENERAL GERIATRIC SPECIALTY DAY/NIGHT CARE The Functional Centre pertaining to the unit where services are provided for ill elderly registered persons who attend for three to twelve hours on average, typically as the result of a referral from a primary care practitioner.</p>

Account Number	Description
713406040	<p>GERIATRIC ASSESSMENT SPECIALTY DAY/NIGHT CARE The Functional Centre pertaining to the unit where services are provided for elderly registered persons who require assessment and evaluation for referral to the appropriate health service, and who attend for three to twelve hours on average, typically as the result of a referral from a primary care practitioner. Can pertain to the unit or to a team dedicated to the provision of this service.</p>
713406060	<p>GERIATRIC REHABILITATION/ACTIVATION SPECIALTY DAY/NIGHT CARE The Functional Centre pertaining to the unit where rehabilitation services are provided for elderly registered persons who attend for three to twelve hours on average, typically as the result of a referral from a primary care practitioner. Can pertain to a unit or to a team dedicated to the provision of this service.</p>
713406080	<p>GERIATRIC SOCIAL SUPPORT SPECIALTY DAY/NIGHT CARE The Functional Centre pertaining to the unit where treatment and counseling services are provided for elderly registered persons who require social support and who attend for three to twelve hours on average, typically as the result of a referral from a primary care practitioner. Can pertain to a unit or to a team dedicated to the provision of this service.</p>
7134065	<p>METABOLIC SPECIALTY DAY/NIGHT CARE The Functional Centre pertaining to the units where services are provided for registered persons who are undergoing metabolic studies and who attend for 3 to 12 hours on average, typically as the result of a referral from a primary care practitioner.</p>
7134070	<p>ONCOLOGY SPECIALTY DAY/NIGHT CARE The Functional Centre pertaining to the units where services are provided for registered persons with neoplastic tumours/diseases who attend for three to twelve hours on average, typically as the result of a referral from a primary care practitioner.</p>
713407010	<p>ONCOLOGY SPECIALTY DAY/NIGHT CARE – CHEMOTHERAPY The Functional Centre pertaining to the units where chemotherapy services are provided for registered persons with neoplastic tumours/diseases who attend for three to twelve hours on average, typically as the result of a referral from a primary care practitioner.</p>
713407020	<p>ONCOLOGY SPECIALTY DAY/NIGHT CARE – OTHER THERAPY The Functional Centre pertaining to the units where services other than chemotherapy (e.g. blood transfusions) are provided for registered persons with neoplastic tumours/diseases who attend for three to twelve hours on average, typically as the result of a referral from a primary care practitioner.</p>

Account Number	Description
7134075	<p>PALLIATIVE SPECIALTY DAY/NIGHT CARE The Functional Centre pertaining to the unit where treatment and support services are provided for terminally ill registered persons who attend for three to twelve hours on average, typically as the result of a referral from a primary care practitioner. (For the appropriate treatment of a team dedicated to providing palliative care services, refer to definition in Glossary of Terms, Chapter 4 - Palliative Care Team.)</p>
7134080	<p>PSYCHIATRY/ ADDICTION SPECIALTY DAY/NIGHT CARE The Functional Centre pertaining to the units where assessment, treatment and counseling services are provided for registered persons with psychiatric/ psychological disorders including addictions who attend for three to twelve hours on average, typically as the result of a referral from a primary care practitioner.</p>
713408020	<p>GENERAL PSYCHIATRY SPECIALTY DAY/NIGHT CARE The Functional Centre pertaining to the units where assessment, treatment, and counseling services are provided for registered persons with general psychiatric/psychological disorders who attend for 3 to 12 hours on average, typically as the result of a referral from a primary care practitioner.</p>
713408040	<p>ACUTE PSYCHIATRY SPECIALTY DAY/NIGHT CARE The Functional Centre pertaining to the units where services are provided for registered individuals with acute psychiatric disorders who attend for three to twelve hours on average, typically as the result of a referral from a primary care practitioner.</p>
713408060	<p>CHRONIC PSYCHIATRY SPECIALTY DAY/NIGHT CARE The Functional Centre pertaining to the units where services are provided for registered persons with chronic psychiatric disorders who attend for three to twelve hours on average, typically as the result of a referral from a primary care practitioner.</p>

714 DAGNOSTIC AND THERAPEUTIC SERVICES	
71415	<p>DIAGNOSTIC IMAGING The Functional Centre pertaining to producing visual records of body tissues and functions, and interpretation of the records to assist in the clinical investigation and management of the inpatient/resident/client. Excludes nursing services related to Diagnostic Imaging.</p>
7141518	<p>RADIOGRAPHY The Functional Centre pertaining to the use of radiant energy from x-ray equipment for general diagnostic purposes. Excludes angiography or interventional studies and nursing services related to Diagnostic Imaging.</p>
7141520	<p>MAMMOGRAPHY The Functional Centre pertaining to the taking of an x-ray of breast tissue for screening and/or diagnostic purposes. Excludes nursing services related to Diagnostic Imaging.</p>
7141523	<p>INTERVENTIONAL/ANGIOGRAPHY STUDIES The Functional Centre pertaining to the use of radiant energy from x-ray equipment during interventional and angiography studies. Excludes nursing services related to Diagnostic Imaging.</p>
7141525	<p>COMPUTED TOMOGRAPHY The Functional Centre pertaining to the use of radiant energy to reconstruct images of tissues and organs by means of a visual display on a TV monitor or graphical representation. Excludes nursing services related to Diagnostic Imaging.</p>
7141530	<p>ULTRASOUND The Functional Centre pertaining to the production of a visual record of body tissues by means of high frequency sound waves, and to the provision of an interpretation of the record to assist in the clinical investigation of the inpatient/resident/client. Excludes nursing services related to Diagnostic Imaging.</p>
714153020	<p>ABDOMINAL ULTRASOUND The Functional Centre pertaining to the production of a visual record of abdominal organs by means of high frequency sound waves, and the provision of an interpretation of the record to assist in the clinical investigation of the inpatient/resident/client. Excludes nursing services related to Diagnostic Imaging.</p>
714153030	<p>ECHOCARDIOGRAPHY ULTRASOUND The Functional Centre pertaining to the production of a visual record of heart and blood vessels by means of high frequency sound waves, and the provision of an interpretation of the record to assist in the clinical investigation of the inpatient/resident/client. Excludes nursing services related to Diagnostic Imaging. If this service is provided by personnel who are not part of Diagnostic Imaging, see Echocardiography 71 4 30 20 20.</p>

Account Number	Description
714153040	<p>OBSTETRICAL AND GYNECOLOGICAL ULTRASOUND The Functional Centre pertaining to the production of a visual record of female reproductive organs and/or fetal tissues by means of high frequency sound waves, and to provide an interpretation of the record to assist in the clinical investigation of the inpatient/resident/client. Excludes nursing services related to Diagnostic Imaging.</p>
714153060	<p>OPHTHALMOLOGICAL ULTRASOUND The Functional Centre pertaining to the production of a visual record of ophthalmological tissues by means of high frequency sound waves, and to provide an interpretation of the record to assist in the clinical investigation of the inpatient/resident/client. Excludes nursing services related to Diagnostic Imaging.</p>
714153080	<p>NEUROLOGICAL ULTRASOUND The Functional Centre pertaining to the production of a visual record of neurological tissues by means of high frequency sound waves, and to provide an interpretation of the record to assist in the clinical investigation of the inpatient/resident/client. Excludes nursing services related to Diagnostic Imaging.</p>
714153090	<p>VASCULAR ULTRASOUND The Functional Centre pertaining to the production of a visual record of blood vessels by means of high frequency sound waves, and the provision of an interpretation of the record to assist in the clinical investigation of the inpatient/resident/client. Excludes nursing services related to Diagnostic Imaging.</p>
7141540	<p>NUCLEAR MEDICINE (IN VIVO) The Functional Centre pertaining to the utilization of the nuclear properties of radioactive and stable nuclides to make diagnostic evaluations of the anatomic and/or physiologic conditions of the body and to provide therapy with unsealed radioactive sources. Excludes nursing services related to Diagnostic Imaging.</p>
7141555	<p>CARDIAC CATHETERIZATION LAB DIAGNOSTIC SERVICES The Functional Centre pertaining to the provision of cardiac catheterization and angioplasty when the service is provided by Diagnostic Imaging personnel. Excludes nursing services related to Diagnostic Imaging (see 71 4 05 15) and Cardiac Catheterization Laboratory Specialty Day/Night Care (see 71 3 40 37).</p>
7141570	<p>MAGNETIC RESONANCE IMAGING The Functional Centre pertaining to the production of a visual record of body tissues and organs by use of radiant energy from magnetic resonance equipment; and to the provision of interpretation of the record to assist in the clinical investigation of the inpatient/resident/client. Excludes nursing services related to Diagnostic Imaging (see 71 4 05 15).</p>

Account Number	Description
71420	<p>RADIATION ONCOLOGY The Functional Centre pertaining to the use of radiant energy from x-ray equipment and radioactive elements for therapeutic purposes.</p>
71425	<p>ELECTRODIAGNOSTIC LABORATORIES The Functional Centre pertaining to measurement and recording of electrical impulses to evaluate the brain and associated physiologic functions. Excludes data pertaining to Electrocardiography (ECG) Services (refer to Non-Invasive Cardiology and Vascular Laboratories 71 4 30).</p>
7142510	<p>ELECTROENCEPHALOGRAPHY (EEG) The Functional Centre pertaining to the measurement and recording of electrical impulses of the brain for the evaluation of brain function.</p>
7142520	<p>ELECTROMYOGRAPHY (EMG) The Functional Centre pertaining to the recording of electrical potential variations in nerve and/or muscles on an electromyograph, in order to facilitate the diagnosis of nerve and/or muscle dysfunction and neurological disorders.</p>
7142530	<p>EVOKED POTENTIALS The Functional Centre pertaining to the recording of the responses of the brain to a variety of stimuli (auditory, visual, somatosensory). In neurology, in particular, it is essentially a diagnostic tool used in the evaluation of brainstem function as well as the evaluation of the functional integrity of sensory projection pathways in the central nervous system.</p>
7142540	<p>POLYSOMNOGRAPHY The Functional Centre pertaining to the overnight recording of EEG with constant monitoring of EOG, EMGs, EKGs, multiple transducers for recording respiration, PO2 monitoring, etc. Sleep studies are a diagnostic tool used in the evaluation of patients/residents/clients suspected of movement disorders, sleep apnea, hypersomnias, organic insomnia, etc.</p>
7142550	<p>INTENSIVE MONITORING The Functional Centre pertaining to the prolonged EEG recording (4-10 hours) using a video and radio telemetry system to document the EEG and certain electrophysiological characteristics of seizures of various types; i.e. absences, status, unusual attacks and psychogenic seizures.</p>
7142560	<p>ELECTRONYSTAGMOGRAPHY/ELECTRO-OCULOGRAPHY (ENG/EOG) The Functional Centre pertaining to the recording of various forms of eye movements including those under volitional control and those under vestibular control. They are recordings used to help differentiate between dizziness due to inner ear problems and that due to brain pathology.</p>

Account Number	Description
71430	<p>NON-INVASIVE CARDIOLOGY AND VASCULAR LABORATORIES The Functional Centre pertaining to performance of highly specialized non-invasive procedures which determine the presence or extent of diseases of the heart and peripheral vascular system. Includes data pertaining to Electrocardiography (ECG) Services.</p>
7143020	<p>NON-INVASIVE CARDIOLOGY LABORATORY The Functional Centre pertaining to the detection, localization, and quantification of cardiac disorders through the use of highly specialized non-invasive diagnostic procedures.</p>
714302020	<p>ECHOCARDIOGRAPHY The Functional Centre pertaining to the use of echocardiography equipment for the evaluation of the size, position, configuration and motion of structures of the heart; the assessment of anatomical relationships within the heart, and the assessment of cardiac function. If this service is provided by Diagnostic Imaging personnel, see Echocardiography Ultrasound 71 4 15 30 30.</p>
714302040	<p>AMBULATORY MONITORING The Functional Centre pertaining to the continuous ECG monitoring of a patient/resident/client over a prolonged period (6-24 hours), while the patient goes about his or her usual daily activities.</p>
714302060	<p>EXERCISE STRESS TESTING The Functional Centre pertaining to the use of exercise, according to specific criteria, for the purpose of detecting heart disease or for quantifying cardiorespiratory function.</p>
714302080	<p>ELECTROPHYSIOLOGY The Functional Centre pertaining to the study of the electrophysiological properties of the heart through non-invasive means.</p>
714302090	<p>ELECTROCARDIOGRAPHY (ECG) The Functional Centre pertaining to the measurement and recording of electrical impulses of the heart for the evaluation of heart function.</p>
7143040	<p>VASCULAR LABORATORY The Functional Centre pertaining to the provision of non-invasive detection, localization, and quantification of diseases affecting peripheral arteries and veins.</p>
714304510	<p>CLINICAL GENETICS Alberta Only.</p>
714304515	<p>BIOCHEMICAL GENETICS Alberta Only.</p>

Account Number	Description
714304520	CYTOGENETICS Alberta Only.
71435	RESPIRATORY SERVICES The Functional Centre pertaining to the administration of gases, aerosols, tests as well as those specialty services that assist in the diagnosis and treatment of inpatients/residents/clients with respiratory and cardio-respiratory-related conditions. Includes the maintenance and repair of respiratory services, anaesthesia and perfusion associated equipment.
7143520	RESPIRATORY SERVICES – THERAPEUTICS Alberta Only.
7143525	ROUTINE/CRITICAL CARE RESPIRATORY SERVICES The Functional Centre pertaining to the administration of gases, aerosols (with the exception of anaesthesia and hyperbaric chamber) and specialized procedures to assist in the routine and critical care treatment of inpatients/residents/clients with respiratory and related conditions. Includes the maintenance and repair of respiratory services and associated equipment.
714352510	ROUTINE RESPIRATORY SERVICES The Functional Centre pertaining to the administration of gases, aerosols and specialized procedures to assist in the routine treatment of inpatients/residents/clients with respiratory and related conditions. Includes the maintenance and repair of respiratory services and associated equipment.
714352520	CRITICAL CARE RESPIRATORY SERVICES The Functional Centre pertaining to the administration of gases, aerosols and specialized procedures to assist in the treatment of critically ill persons with respiratory and related conditions. Includes the maintenance and repair of respiratory services and associated equipment.
7143530	HYPERBARIC CHAMBER The Functional Centre pertaining to the treatment of specific medical conditions with the use of a recompression chamber which is pressurized with compressed air and in which 100 percent O ₂ is administered to the patient/resident/client.
7143542	PULMONARY FUNCTION LAB The Functional Centre pertaining to the detection, localization and quantification of pulmonary disorders through the use of highly specialized diagnostic procedures. Includes the maintenance and repair of pulmonary function diagnostic equipment.
7143545	BLOOD GASES LAB The Functional Centre pertaining to the analysis of blood and gases for the purpose of measuring pH and the pressures of physiological gases. Includes the maintenance and repair of blood gas analyzers.

Account Number	Description
7143550	<p>ANESTHESIA RESPIRATORY SERVICES The Functional Centre pertaining to the preventive maintenance and quality control of anesthetic and patient systems monitoring equipment; attendance at selected surgical procedures for the purpose of assisting in the operation and monitoring of such equipment; and assistance in the pre-induction procedures and the respiratory management and hemodynamic monitoring of the patient/resident/client during surgery. Includes the maintenance and repair of all associated equipment.</p>
7143560	<p>PERFUSION The Functional Centre pertaining to the activities associated with the assistance for selected surgeries for patients requiring extracorporeal circulation or for patients requiring the use of specialized cardiac equipment (e.g. Intra-aortic balloon pump). Includes the maintenance and repair of all associated equipment.</p>
7144060	<p>CLINICAL PHARMACY The functional centre pertaining to the provision of services to optimize drug therapy outcomes. Includes assessment, therapeutic intervention, consultation/collaboration and investigational drug/clinical trial activities, and the provision of information within the health service organization pertaining to all aspects of drug use and presentations to health service professionals.</p>
71445	<p>CLINICAL NUTRITION The Functional Centre pertaining to providing promotion of a high level of nutritional care through nutritional control (normal and therapeutic), counseling and research.</p>
71450	<p>PHYSIOTHERAPY The Functional Centre pertaining to services pertaining primarily to the prevention or alleviation of movement dysfunction in people.</p>
71455	<p>OCCUPATIONAL THERAPY The Functional Centre pertaining to analyzing and applying activities specifically related to occupational performance in the areas of self-care, productivity, and leisure.</p>
7145520	<p>PHYSICAL MEDICINE OCCUPATIONAL THERAPY The Functional Centre pertaining to the provision of occupational therapy services to inpatients/residents/clients with physical disabilities.</p>
7145540	<p>PSYCHIATRIC OCCUPATIONAL THERAPY The Functional Centre pertaining to the provision of occupational therapy services to psychiatric inpatients/residents/clients.</p>
71460	<p>AUDIOLOGY AND SPEECH/LANGUAGE PATHOLOGY The Functional Centre pertaining to the prevention, evaluation, treatment and management of language, speech, voice and hearing disorders.</p>

Account Number	Description
7146020	<p>SPEECH/LANGUAGE PATHOLOGY The Functional Centre pertaining to the prevention, evaluation, treatment, and management of language, speech, and speech-voice disorders.</p>
7146040	<p>AUDIOLOGY The Functional Centre pertaining to the assessment, diagnosis, and treatment of individuals with hearing disabilities.</p>
71465	<p>REHABILITATION ENGINEERING The Functional Centre pertaining to designing, fabricating and fitting appliances destined to replace in whole or in part human organs and limbs, which are amputated or congenitally deformed; and to restore or support the impaired or abnormal function of human organs and limbs. Includes seating systems.</p>
7146520	<p>PROSTHETICS The Functional Centre pertaining to the design, fabrication, and fitting of appliances to replace, in whole or in part, human organs and limbs amputated or congenitally deformed, in order to restore their function and appearance.</p>
7146540	<p>ORTHOTICS The Functional Centre pertaining to the design, fabrication, and fitting of appliances destined to restore or support the impaired or abnormal function of human organs and limbs.</p>
7146560	<p>SEATING SYSTEMS The Functional Centre pertaining to the design, fabrication and fitting of seating systems to accommodate individual needs.</p>
71470	<p>SOCIAL WORK The Functional Centre pertaining to helping inpatients/residents/clients and their families deal with personal, socio-economic and environmental problems which influence the inpatients'/residents'/clients' condition.</p>
7147010	<p>GENERAL SOCIAL WORK The Functional Centre pertaining to the assistance of individual service recipients and their families in dealing with personal socioeconomic and environmental problems which influence the inpatient's/resident's/client's condition.</p>
7147020	<p>FAMILY THERAPY The Functional Centre pertaining to family therapy for families who display disorganized or disturbed functioning.</p>
71475	<p>PSYCHOLOGY The Functional Centre pertaining to assessing and treating behavioral problems in inpatients/residents/clients and their families.</p>

Account Number	Description
7147520	<p>CLINICAL PSYCHOLOGY The Functional Centre pertaining to the assessment and treatment of patients behavioral problems other than those associated with known or suspected organic impairment of brain function.</p>
7147540	<p>NEUROPSYCHOLOGY The Functional Centre pertaining to the utilization of special neuropsychological evaluation tools to assess the relationship between brain function and behavior in inpatients/residents/clients with known or suspected organic brain dysfunction, as well as the rehabilitation of such behaviours, through techniques based on the specific knowledge of the syndromes of focal and diffuse brain lesions.</p>
71476	<p>GENETIC COUNSELLING The functional centre where consultative, investigative and counselling services are provided for registered individuals with a history or an increased risk for a genetic condition.</p>
71480	<p>PASTORAL CARE The Functional Centre pertaining to providing and coordinating a religious ministry to inpatients/residents/clients and their families.</p>
71485	<p>RECREATION The Functional Centre pertaining to the involvement of inpatients/residents/clients in activities such as sports and arts and crafts, in order to maintain and effect improvement in their physical, mental, and social well-being.</p>
71490	<p>CHILD LIFE The Functional Centre pertaining to providing a therapeutic program that meets the social, emotional, cognitive and physical activity needs of children in a health service organization through education and recreation.</p>
71495	<p>COMMUNITY REHABILITATION PROGRAMS Alberta Only. A multi-disciplinary functional centre where: Physiotherapy, Occupational Therapy & Speech/Audiology services are provided. Also includes multi-disciplinary externally funded CRP clinics.</p>
7149535	<p>COMMUNITY RESPIRATORY THERAPY Alberta Only. Respiratory therapy services provided to clients who are neither registered In-Patients or Clients. Includes externally contracted services.</p>
7149550	<p>COMMUNITY PHYSIOTHERAPY Alberta Only. Physiotherapy services provided to clients who are neither registered In-Patients or Clients. Includes externally contracted services.</p>

Account Number	Description
7149555	<p>COMMUNITY OCCUPATIONAL THERAPY Alberta Only. Occupational Therapy services provided to clients who are neither registered In-Patients or Clients. Includes externally contracted Services.</p>
714956020	<p>COMMUNITY SPEECH LANGUAGE PATHOLOGY Alberta Only. Speech Language Pathology services provided to clients who are neither registered In-Patients or Clients. Includes externally contracted services.</p>
714956040	<p>COMMUNITY AUDIOLOGY Alberta Only. Audiology services provided to clients who are neither registered In-Patients or Clients. Includes externally contracted services.</p>
715 COMMUNITY AND SOCIAL SERVICES	
71509	<p>CASE MANAGEMENT The Functional Centre pertaining to service planning and coordination of services provided through a community-based program for, or on behalf of, the client/family to locate, establish and maintain resources, services and supports necessary to meet the client's service goals and expected outcomes (e.g. the planning, coordination, monitoring and review of the home nursing and physiotherapy visits deemed necessary for a specific Home Health client).</p>
71510	<p>PRIMARY CARE CLINICS/PROGRAMS The Functional Centre pertaining to the provision of primary health services that do not require facilities, technology, and/or staff support typically found in an ambulatory care specialty clinic to self-referred patients/clients who attend for less than three hours on average. Includes: Walk-In Clinics, Dental and Nutritional Services, etc.</p>
7151077	<p>MENTAL HEALTH PRIMARY CARE CLINICS The Functional Centre pertaining to the provision of mental health services to clients who attend for less than three hours on average.</p>
7151078	<p>ADDICTION SERVICES PRIMARY CARE CLINICS The Functional Centre pertaining to the provision of treatment services to clients with addictions-based disorders who attend for less than three hours on average.</p>
71513	<p>COMMUNITY URGENT CARE CENTRE The functional centre within a community setting where assessment, diagnostic and treatment services are provided during certain hours of the day for registered service recipients with injuries or conditions that require urgent attention. As there is not the infrastructure within the centre to support service recipients with resuscitation-type injuries or conditions ambulances do not transport service recipients to these centres. Excludes walk-in clinics (see 715 10).</p>

Account Number	Description
71515	<p>CRISIS INTERVENTION The Functional Centre pertaining to the provision of services in response to urgent individual medical, and/or psychological needs of clients. Includes: crisis lines and lifeline services.</p>
7151577	<p>MENTAL HEALTH CRISIS INTERVENTION The Functional Centre pertaining to the provision of services in response to urgent individual medical and/or psychological needs of clients with mental disorders.</p>
7151578	<p>ADDICTION SERVICES CRISIS INTERVENTION The Functional Centre pertaining to the provision of services in response to urgent individual medical and/or psychological needs of clients with addictions-based disorders.</p>
71520	<p>PRIMARY DAY/NIGHT CARE The Functional Centre pertaining to the free-standing or attached units where treatment, counseling, rehabilitative/social and recreational services are provided for clients, who attend for three to twelve hours on average.</p>
7152077	<p>MENTAL HEALTH PRIMARY DAY/NIGHT CARE The Functional Centre pertaining to the free-standing or attached units where treatment, counselling, rehabilitative/social and recreational services are provided for mental health clients, who attend for three to twelve hours on average.</p>
7152078	<p>ADDICTION SERVICES PRIMARY DAY/NIGHT CARE The Functional Centre pertaining to the free-standing or attached units where treatment, counselling, rehabilitative/social and recreational services are provided for clients with addictions-based disorders, who attend for three to twelve hours on average.</p>
71532	<p>HOME NURSING The Functional Centre pertaining to nursing services provided in clients' residences to meet the acute care replacement, long-term supportive, rehabilitative, maintenance and end-of-life needs of clients and their significant others. For diagnostic and therapeutic services see the appropriate Diagnostic & Therapeutic Services account (714*****).</p>
7153277	<p>MENTAL HEALTH HOME NURSING The Functional Centre pertaining to clinical services provided in clients' residences to meet the acute, long-term, rehabilitative, palliative and support needs of mental health clients.</p>
7153278	<p>ADDICTION SERVICES HOME NURSING The Functional Centre pertaining to clinical services provided in clients' residences to meet the acute, long-term, rehabilitative, palliative and support needs clients with substance abuse-based disorders.</p>

Account Number	Description
71535	<p>HOME SUPPORT The Functional Centre pertaining to providing or coordinating home support assistance to clients. Includes activities such as homemaking, personal care, home maintenance/adaptation, or respite services. See Patient/Resident/Client Food Services (71195) if meals are prepared and delivered to the clients home, Volunteer Services (71140) if volunteer coordination is provided and Patient/Resident/Client Transport (71185) if transport services are provided by the health service organization.</p>
7153510	<p>HOMEMAKING SERVICES The Functional Centre Pertaining to the provision of assistance to clients with household tasks such as housecleaning, dishwashing, laundry and ironing, in-home meal preparation and shopping.</p>
7153520	<p>HOME MAINTENANCE/ ADAPTATION SERVICES The Functional Centre pertaining to the provision of maintenance and repair services to the clients home, garden or yard for the purpose of keeping the home environment safe and in a habitable condition (e.g. lawn mowing, snow removal), and modifying or making minor renovations to a client's home to enable them to live at home with their disabling condition (e.g. install grab bars, hand rails, ramps, monitoring system).</p>
7153530	<p>PERSONAL CARE SERVICES The Functional Centre pertaining to the provision of personal care services by unlicensed caregivers to provide assistance to the client with self-care activities such as eating, grooming, bathing, dressing, toileting, transferring and household mobility/ambulation.</p>
7153540	<p>RESPITE SERVICES The Functional Centre pertaining to the provision of substitute caregiving services so that primary caregivers can get temporary relief or support.</p>
7153599	<p>PROVISION OF MEDICAL EQUIPMENT Alberta Only. Pertains to services related to the assessment and provision of approved medical equipment and supplies for individuals to continue independent living in the community. (AADL – Alberta Aids To Daily Living)</p>
71540	<p>RESIDENTIAL SERVICES The Functional Centre pertaining to the provision of supportive living arrangements in a residential/group home setting. Includes respite. Excludes nursing homes. (See functional centre 71 2 95 **.)</p>
7154077	<p>MENTAL HEALTH RESIDENTIAL SERVICES The Functional Centre pertaining to the provision of supportive living arrangements for mental health clients in a residential/group home setting.</p>

Account Number	Description
7154078	ADDICTION SERVICES RESIDENTIAL SERVICES The Functional Centre pertaining to the provision of supportive living arrangements for clients with addictions-based disorders in a residential/group home setting.
71550	HEALTH PROMOTION AND EDUCATION The Functional Centre pertaining to promoting health, and educating the community, including the public, professionals, and other sectors which impact on the health of individuals and populations towards maintaining/improving health statistics.
7155066	ONCOLOGY HEALTH PROMOTION AND EDUCATION The Functional Centre pertaining to promoting health, and educating the community, including the public, professionals, and other sectors about oncology prevention.
7155077	MENTAL HEALTH PROMOTION AND EDUCATION The Functional Centre pertaining to promoting health, and educating the community, including the public, professionals, and other sectors about mental health.
7155080	ADDICTIONS HEALTH PROMOTION AND EDUCATION The Functional Centre pertaining to promoting health, and educating the community, including the public, professionals, and other sectors about addictions.
715508010	SMOKING CESSATION HEALTH PROMOTION AND EDUCATION The Functional Centre pertaining to promoting health, and educating the community, including the public, professionals, and other sectors about smoking cessation.
715508090	OTHER ADDICTIONS HEALTH PROMOTION AND EDUCATION The Functional Centre pertaining to promoting health, and educating the community, including the public, professionals, and other sectors about addictions that are not elsewhere classified.
71555	DISEASE AND INJURY PREVENTION AND CONTROL The Functional Centre pertaining to the activities associated with reducing injury or risk of injury and the prevention of disease for individuals, community and population including such activities as immunization, screening, communicable disease control and disease surveillance.
7155510	COMMUNICABLE DISEASE PREVENTION Alberta Only.
7155530	SEXUALLY TRANSMITTED DISEASE PREVENTION Alberta Only.

Account Number	Description
7155540	HEREDITARY DISEASES Alberta Only.
7155550	DENTAL HEALTH Alberta Only.
7155566	ONCOLOGY SCREENING The Functional Centre pertaining to the activities associated with the prevention of cancer for individuals, community and population including such activities as screening and disease surveillance.
71558	HEALTH PROMOTION AND DISEASE AND INJURY PREVENTION COMBINED The Functional Centre pertaining to promoting health and educating the community including the public, professionals and other sectors and reducing injury or risk of injury and the prevention of disease for individuals, community and population.
71560	ENVIRONMENTAL HEALTH The Functional Centre pertaining to the mandated environmental health protection services to ensure that the food supply, water and other aspects of the human environment are safe from disease, contaminants and other health and safety hazards.
71565	LICENSING The Functional Centre pertaining to activities for licensing and support services which safeguard the well being of individuals for facilities such as child day care facilities and adult and child residential care facilities.
71597	COMBINED SERVICES - RESIDENTIAL The Functional Centre pertaining to the provision, by a contracted-out third party provider, of "all-inclusive" supportive living arrangements in a residential/group home setting (e.g. nursing, counsellors, support workers, and administrative and support).
