**Summary of Licensed Vehicles and Equipment Used in Off-Road Operations**

First complete the detailed listing of all licensed vehicles and unlicensed equipment used in your off-road operations. Use the "Type of Operation" and "Category" codes referenced below. Once the detailed listing on schedule 2 is complete, carry forward the totals to this page.

Type of Operation	Category	Type of Vehicle or Equipment (Enter the total number of each type of vehicle, etc in the applicable boxes)		Total Number of Vehicles/Equipment per Category	Estimated Annual Clear Fuel Allocation **
<b>1 = Forestry Service</b>	<b>1A = Support Vehicles</b>	1 <input type="text"/> Light Trucks	5 <input type="text"/> Emergency Vehicles ***	(1A)	%
		2 <input type="text"/> Crew Cabs	6 <input type="text"/> Safety Supervisor		
		3 <input type="text"/> Pilot Trucks	7 <input type="text"/> Mechanic Vehicle		
		4 <input type="text"/> Campsite Trucks ***	8 <input type="text"/> Operator Vehicle		
	<b>1B = Heavy Support Vehicles over 4550 kg.</b>	1 <input type="text"/> Bed Trucks	4 <input type="text"/> Picker Trucks	(1B)	%
		2 <input type="text"/> Winch Trucks	5 <input type="text"/> Fuel Trucks ***		
		3 <input type="text"/> Highway Tractors (with low or high boys)	6 <input type="text"/> Portable Water Trucks ***		
	<b>1C = Log Transport Class 2 Plated</b>	1 <input type="text"/> Highway Tractors	2 <input type="text"/> Highway Tractors with Pickers	(1C)	%
	<b>1D = Log Transport Class 1 Plated</b>	1 <input type="text"/> Highway Tractors	2 <input type="text"/> Highway Tractors with Pickers	(1D)	%
	<b>1E = Silviculture Operation</b>	1 <input type="text"/> Light Trucks	2 <input type="text"/> Buses	(1E)	%
		3 <input type="text"/> Crew Cabs			
	<b>1F = Wood Chip &amp; Hog Fuel Hauling</b>	1 <input type="text"/> Highway Tractors		(1F)	%

\* Unlicensed equipment should use marked (tax exempt) fuel. Clear fuel should be used only when marked fuel is not reasonably available.

\*\* This refers to fuel used in vehicles which operate both on and off road. Fuel consumed in vehicles used solely on road should not be included.

\*\*\* These vehicles must be a sub-function of the primary activity of forest management in order to qualify.

See Reverse
