This schedule is used to list the fuel purchase invoices related to custom farming. Use a separate schedule for each fuel type, complete as many Schedules as necessary and submit the original copy to Tax and Revenue Administration. Retain a copy of this schedule and fuel purchase invoices for your records and audit purposes. Computer generated forms may be used instead of the departmental forms providing all the required information is presented in the same format as this schedule.

PLEASE ENSURE THAT FUEL PURCHASE INVOICES ARE ATTACHED TO THIS APPLICATION.
ENSURE THAT SCHEDULE 3 IS ALSO COMPLETED.

* Only applicable to AFFDA eligible farmers that use their TEFU number for the purchase.

Custom farmers must complete and attach this schedule to their Farmer Benefit Application (form AT4755)
