

# A Maritime Learning Experience

The new *Easterly* class on the *Ocean*, between Montréal and Halifax

By the time you get here,  
you'll already feel at home

### A Maritime Learning Experience

Get to know Canada's Atlantic region by rail in a learning travel experience that's as generous and sociable as Maritimers themselves.

Travelling overnight in our new **Easterly™** class between Montréal and destinations in New Brunswick and Nova Scotia, you'll be immersed in Maritime culture and hospitality as soon as you get on board.

### Enjoy the warmth of the region by rail

More than a journey, VIA Rail offers a complete **Maritime learning experience**, including:

- A dedicated on-board Learning Coordinator
- Maritime cultural activities and experiences
- Exclusive access to the scenic dome section
- Themed, Maritime decorated cars
- Regionally-inspired cuisine and local wine and spirits
- A keepsake travel guide

Plus the exceptional comfort and world-class service VIA Rail is known for!

### Convenient connections to the Maritimes and "away"

The new **Easterly** class is available from May to October.\* Departing from Montréal and Halifax, the **Ocean™** connects stations in Québec, New Brunswick and Nova Scotia, with ferry and bus services to Prince Edward Island, Saint John (N.B.), Cape Breton Island, as well as Newfoundland. The Montréal station also offers convenient VIA Rail connections to Ontario and Amtrak trains to New York.

\* Beginning June 1, 2005

Plan your unique Maritime Learning Experience today!
