RE: CARIBBEAN AMERINDIAN CENTRELINK AWARD TO  
*PRESENCIA TAINA* FOR "BEST CARIBBEAN AMERINDIAN  
ARTS AND CRAFTS SITE."

Dear Roger Atihuibancex Hernandez:

On behalf of the editors of the Caribbean Amerindian Centrelink, I wish to say that we feel that both your *Presencia Taina.TV* Website (<http://www.presenciataina.tv/>) and your Mountain Wind Group site (<http://www.PresenciaTaina.org>) have been consistently of high quality and value in both design and content. We also feel that Websites such as yours ought to receive at least some measure of even token appreciation, thanks and recognition.

While we regret that we can offer no more than a symbolic form of appreciation, we wish to confer on your site the CAC award for "Best Caribbean Amerindian Arts and Crafts Site", since your site excels in this area like no other comparable site. A description of this award can be seen at <http://www.centrelink.org/Awards.html>.

In return, we ask that you place the award image (see attachment) anywhere on your site that you deem fit, and that it be linked to the awards page of the CAC, so that viewers can verify the authenticity of the award and understand why it was granted. Please use the following URL to link your award:

<http://www.centrelink.org/Awards.html>

I will now proceed to post the award offer on the Awards page.

In addition, we also wish to congratulate your Webmaster, Glenn Welker, for having consistently produced excellent sites.

With many thanks and very best wishes for your continued success, on behalf of all the editors, I am,

Sincerely,

---
