

Aboriginal Services

Greetings to First Nations, Inuit and Metis students. I would like to get to know you. Tell me where you are from. I will share with you what I know about Aboriginal resources and services at Conestoga College and the local Aboriginal community. There are a number of activities, feasts, and workshops that happen in the area. If you would like to be informed or even get involved in any of these, let me know your email or of a way to reach you.

Meegwetch!
