**PREAMBLE**

**WHEREAS:**

- A. On July 3, 1991, Sioux Valley and Canada entered into a Framework Agreement to undertake negotiations respecting Sioux Valley Dakota Oyate government arrangements;
- B. The Parties have, since that time, negotiated in respect of the agreed upon agenda items set out in section 2 of the Framework Agreement;
- C. Subsection 35(1) of the *Constitution Act, 1982* recognizes and affirms the existing aboriginal and treaty rights of the aboriginal peoples of Canada;
- D. The aboriginal peoples of Canada are defined in subsection 35(2) of the *Constitution Act, 1982* to include the “Indian” people of Canada;
- E. The Members of Sioux Valley are Indian people as referred to in Section 35 of the *Constitution Act, 1982*;
- F. The Members of Sioux Valley are descendant from Indian nations that historically had their own forms of government;
- G. Sioux Valley takes the position that any inherent right of self-government that may exist attaches to Sioux Valley and the benefits of any such right accrue to the membership of Sioux Valley;
- H. The Government of Canada recognizes the inherent right of self-government is an existing aboriginal right within the meaning of subsection 35(1) of the *Constitution Act, 1982*;
- I. The Parties intend by a Final Agreement to set out arrangements consistent with the recognition that the inherent right of self-government is an existing aboriginal right within the meaning of subsection 35(1) of the *Constitution Act, 1982*, without taking any positions with respect to how an inherent right of self-government may ultimately be defined at law;
