- 13.5.6 Where the Commissioner in Executive Council is of the opinion that a law enacted by the Ta'an Kwach'an Council has rendered a Yukon Law of General Application partially inoperative and that it would unreasonably alter the character of a Yukon Law of General Application or that it would make it unduly difficult to administer that Yukon Law of General Application in relation to the Ta'an Kwach'an Council, Citizens or Settlement Land, the Commissioner in Executive Council may declare that the Yukon Law of General Application ceases to apply in whole or in part to the Ta'an Kwach'an Council, Citizens or Settlement Land.

 - 15.1.2 all or substantially all of its activities were devoted to the exercise of its powers of government authorized under this Agreement, Self-Government Legislation, its Final Agreement or Settlement Legislation,
- and for these purposes the taxation year of the Ta'an Kwach'an Council shall be the calendar year or such other fiscal period as the Ta'an Kwach'an Council may elect.

- 16.5 Self-government financial transfer agreements may consolidate federal program funding (operating and capital programs) for the Ta'an Kwach'an Council.
- 16.6 Payments pursuant to the self-government financial transfer agreement shall be provided on an unconditional basis except where criteria or conditions are attached to the provision of funding for similar programs or services in other jurisdictions in Canada.
- 16.7 The Ta'an Kwach'an Council may continue to access federal program funding for those programs not consolidated in the self-government financial transfer agreement in accordance with program authorities and conditions in effect from time to time.

16.13 At least one year prior to the date of expiry of the then current self-government financial transfer agreement Canada and the Ta'an Kwach'an Council shall begin negotiating the terms of a new self-government financial transfer agreement. Until a new agreement has been concluded, the financing provisions of the expiring self-government financial transfer agreement, other than those dealing with start-up and one-time cost, shall continue for a further two years or for such period as may be agreed by Canada and the Ta'an Kwach'an Council.

16.14 The self-government financial transfer agreement shall be a contract between Canada and the Ta'an Kwach'an Council.

17.2 Ta'an Kwach'an Council may notify Government within 90 days after the Effective Date of its priorities for negotiations pursuant to 17.1 for the current fiscal year, and shall notify Government by March 31st of each year of its priorities for negotiations pursuant to 17.1 for the fiscal year beginning April 1st of that year. - 17.5 Canada and the Ta'an Kwach'an Council may agree to consolidate the funding provided for in an agreement entered into pursuant to 17.1 with the funding provided pursuant to the self-government financial transfer agreement, which consolidation may take effect either at the commencement of the next fiscal year or at the commencement of the term of the next self-government financial transfer agreement.
- 17.6 Any responsibility assumed by the Ta'an Kwach'an Council in an agreement entered into pursuant to 17.1 shall be funded by interim financing arrangements which shall be in accordance with 16.1.

18.0 GOVERNMENT OF THE YUKON FINANCIAL CONTRIBUTIONS

- 18.1 The contribution of the Yukon shall be subtracted from the expenditure base of any fiscal transfer arrangement in effect at the time, and shall be calculated by Government to be the aggregate of the following:
- 18.1.1 the savings in expenditures realized by the Yukon as a result of the assumption by the Ta'an Kwach'an Council of responsibility for programs and services, taking into account efficiency and economy as well as losses in efficiency that result from the Yukon's continuing responsibility for such programs and services; minus
- 18.1.2 an amount equal to losses in tax revenues resulting from the Ta'an Kwach'an Council occupying tax room previously occupied by the Yukon, but only if the revenue capacity associated with the tax room previously occupied by the Yukon remains included in the revenue capacity of the Yukon for the purpose of determining the federal fiscal transfer; minus
- 18.1.3 the monetary value of technical assistance and other contributions in kind provided by the Yukon; as well as
- 18.1.4 any other factors as Canada and the Yukon may agree,

19.0 TA'AN KWACH'AN COUNCIL REVENUE

- 19.1 If the Ta'an Kwach'an Council has access to a tax base, the revenue capacity associated with that tax base may be considered in determining the level of funding to be received pursuant to the Ta'an Kwach'an Council self-government financial transfer agreement, provided that:
- 19.1.1 the revenue capacity associated with the tax base will be subject to offset at a ratio of less than 1:1;
- 19.1.2 any such revenue capacity shall be excluded entirely from such consideration for a period of two years following the date that the Ta'an Kwach'an Council obtains access to that tax base; and
- 19.1.3 the tax rate or rates used to measure revenue capacity during a further period beyond the initial two years shall take into account the capability of the Ta'an Kwach'an Council to exploit that tax base.
