## **Study in Canada!**

### **Top 10 Reasons Why You Should Study in Canada**

Canada offers a first-rate North American education in a safe, clean environment and at a lower cost compared with many other countries.

1. Canadian universities offer an internationally renowned education that attracts students from around the world.
2. Canada is a bilingual country. You may choose to study in either French or English or at a bilingual university.
3. Canada is a multicultural country. Regardless of your ethnic origin, you will feel at home in Canada.
4. You will get to enjoy four distinct seasons: spring, summer, autumn, and winter.
5. Tuition and cost of living in Canada are lower than in many other countries.
6. You will find our campuses safe and clean.
7. Excellent professors, reputable scientists and world renowned artists are among the faculty at Canadian universities.
8. Our campuses include first-class libraries, museums, theatres, art galleries and sports facilities as well as radio stations, newspapers and stores run by students.
9. We have the latest in computer tools, wired classrooms and internet access from campus.
10. According to the United Nations, Canada offers one of the highest standards for quality of life in the world.
