**NOTICE
MARITIME ELECTRIC**

IN THE MATTER of the
Maritime Electric Company Limited Regulation Act

The terms and conditions upon which Maritime Electric Company, Limited provides service are amended effective September 1, 2000, as follows:

Section RSP E-2 under the heading *E. Security Deposits* is amended as follows:

The interest rate for a cash deposit is set at the beginning of the calendar quarter in which it is received.

- Residential deposits - the rate prevailing on Government of Canada one year Treasury Bills; and
- General Service and Industrial deposits - the rate prevailing on three year Government of Canada Bonds.

Interest on all cash security deposits is compounded semi-annually as long as any portion of the deposit remains.

Residential, General Service and Industrial accounts are reviewed periodically and deposits will be refunded as a credit to the account for which the deposit was held if the Customer has established a satisfactory payment history. Residential Customer deposits are reviewed twelve months after a deposit is made, General Service and Industrial Customer deposits are reviewed thirty-six months after a deposit is made. If a satisfactory payment history has not been established then a security deposit extension may be required. Interest on security deposit extensions is calculated at the interest rate prevailing at the time of the extension.

Section RSP H-5 under the heading *Extension of Transmission Facilities* is amended to read as follows:

Maritime Electric will extend the transmission system to the customer's substation terminating structure. The customer will provide a guarantee for the total cost of the line. Guarantees may be in the form of cash, letters of guarantee from chartered Canadian banks or trust companies, bearer bonds guaranteed by either the Government of Canada or the Province of Prince Edward Island, or surety bonds issued by a duly authorized company.

This guarantee is reduced each year by an amount equal to 10% of the total of the previous twelve months' paid bills for power and energy. If the guarantee is not fully refunded within the first five (5) years, Maritime Electric will demand payment for the remaining amount of the guarantee.

When the guarantee is cash, the interest rate is set at the beginning of the calendar quarter in which it is received and then remains constant for as long as any part of the deposit is held. The interest rate will be the rate prevailing on five (5) year Government of Canada bonds.

Interest on all cash security deposits is compounded semi-annually as long as any portion of the deposit remains.

September 1, 2000.

William G. Lea, Solicitor for
Maritime Electric Company, Limited
