**EC2002-627**

**AMUSEMENT DEVICES ACT**  
**REGULATIONS**

(Approved by the Administrator in Council dated 29 October 2002.)

Pursuant to section 20 of the *Amusement Devices Act* Stats. P.E.I. 1998, 1st Session, c.80, Council made the following regulations:

INTERPRETATION

- | 1. In these regulations  | Definitions      |
|--|------------------|
| (a) "Act" means the <i>Amusement Devices Act</i> Stats. P.E.I. 1998, c.80;   | Act              |
| (b) "adult kart" means a go-kart that is designed for use by persons who are at least 132 cm or 52 inches in height;   | adult kart       |
| (c) "amusement park" means a facility, open to the public, used in connection with a carnival, fair, shopping centre, resort, park or place of entertainment where amusement devices are provided; | amusement park   |
| (d) "approved helmet" means a helmet that  | approved helmet  |
| (i) is certified to the CSA Standard, CSA D230, or   |                  |
| (ii) conforms to the United States of America Federal Motor Vehicle Safety Standard 28 and bears the DOT label, or   |                  |
| (iii) bears the label of either the British Standards Institute or the Snell Memorial Foundation;  |                  |
| (e) "certified" means certified by a certification or testing organization accredited by the Standards Council of Canada;  | certified        |
| (f) "Code" means the CSA Standard Z267-M1983, Safety Code for Amusement Rides;   | Code             |
| (g) "competent person" means a person designated by the owner as qualified because of the person's knowledge, maturity, training and experience to perform a task safely;                          | competent person |
| (h) "CSA" means the Canadian Standards Association;  | CSA              |
| (i) "date stamp" means a stamp or decal to be affixed to an amusement device to indicate the year it was inspected by an inspector;  | date stamp       |
| (j) "Department" means the Department of Community and Cultural Affairs;   | Department       |

go-kart	(k) “go-kart” means an amusement device that consists of one or more adult karts or kiddie karts that are driven on a go-kart track;
go-kart track	(l) “go-kart track” means a track specially constructed for use by go-karts, and includes the pit area and surrounding area;
kiddie kart	(m) “kiddie kart” means a go-kart that is designed for use by persons who do not exceed 137.5 cm or 54 inches in height;
operator	(n) “operator” means a person who <ul style="list-style-type: none"> <li>(i) has direct control over the starting, stopping, or speed of an amusement device or part thereof, or</li> <li>(ii) is in charge of the entire operation of an amusement device;</li> </ul>
permit	(o) “permit” means a permit to operate an amusement device that is issued under subsection 8(1), or transferred under section 9, of the Act;
professional engineer	(p) “professional engineer” means a professional engineer as defined under the <i>Engineering Profession Act</i> R.S.P.E.I. 1988, Cap. E-8.1;
registration plate	(q) “registration plate” means an identification plate provided by the Department for attachment to an amusement under these regulations;
waterslide	(r) “waterslide” means an amusement device <ul style="list-style-type: none"> <li>(i) that consists of one or more inclined channels that contain continuously running water, on which a person slides down from a predetermined height into a splash pool, and</li> <li>(ii) that incorporates facilities for water treatment,</li> </ul> but does not include any amusement device <ul style="list-style-type: none"> <li>(iii) that is a flume ride,</li> <li>(iv) that propels passenger-carrying units along a water channel by the tow of water, and</li> <li>(v) that incorporates a lifting mechanism that imparts potential energy to the passenger-carrying units allowing them to descend by kinetic energy along an inclined water channel into a horizontal water channel that decelerates the passenger-carrying units.</li> </ul>

#### EXEMPTIONS

Exemptions	<p>2. The provisions of the Act and these regulations do not apply to</p> <ul style="list-style-type: none"> <li>(a) an amusement device           <ul style="list-style-type: none"> <li>(i) that is not operated for profit or reward,</li> <li>(ii) that is rented by the owner of the amusement device for the purpose of a private function where the owner will not be operating the device and will not be providing any other person to operate the device, or</li> <li>(iii) that is not operated on the same property as an amusement park;</li> </ul> </li> <li>(b) aircraft within the meaning of the <i>Aeronautics Act</i> (Canada);</li> <li>(c) live animal rides including horse-drawn sleigh rides;</li> </ul>
------------	--

- (d) bicycles;
- (e) boats, other than bumper boats and motorized boats where
  - (i) the boats are designed primarily for use by children, and
  - (ii) the attendant has control over the depth and area of the water;
- (f) untethered balloons and chutes;
- (g) coin-operated amusement devices that
  - (i) are designed for the use of one or two persons,
  - (ii) are fastened to a fixed, non-moving base, and
  - (iii) require no skill for safe enjoyment;
- (h) golf carts;
- (i) hang gliders;
- (j) hay rides;
- (k) hovercraft;
- (l) jet water skis and similar jet or motorized devices used on water;
- (m) devices powered by muscle;
- (n) off-road vehicles which are not designed and manufactured primarily for use in an amusement park;
- (o) parasails;
- (p) self-propelled vehicles excluding
  - (i) go-karts operated on a go-kart track,
  - (ii) miniature trains, and
  - (iii) self-propelled vehicles that travel in excess of 4 km per hour and are designed or manufactured primarily for use in an amusement park;
- (q) skateboards and roller skates;
- (r) devices whose sliding action is dependent on snow or ice;
- (s) motorized snow vehicles;
- (t) soapbox racers;
- (u) surfboards;
- (v) water slides;
- (w) wave pools; and
- (x) wind surfers.

#### SAFETY CODE FOR AMUSEMENT RIDES

**3.** (1) Except as provided in these regulations, and notwithstanding clause 1.1 of the Code, the standards governing the design, manufacture, construction, testing, installation, operation, inspection, maintenance, alteration, repair, and evacuation of amusement devices are as set out in the Code. Standards in Code

(2) Where the term “amusement ride” or the word “ride” are used in the Code, their meaning shall correspond with the term “amusement device” as defined in clause 1(a) of the Act. Definition

**4.** Notwithstanding section 3 of the Code, for the purposes of these regulations, the Code shall be applied with the following changes: Code application

- (a) in clause 1.3(b) of the Code, the word “CAN3-Z98” is replaced by the word “CAN/CSA-Z98-96”;

- (b) in clause 1.3(c) of the Code, the words “CSA Standard B44” are replaced by the words “CSA Standard, CAN/CSA B44-94”;
- (c) in clause 8.1.1 of the Code, the words “CSA Standard C22.1 Canadian Electrical Code Part I”, are replaced by the words “CSA Standard C22.1-98, Canadian Electrical Code Part I, and the requirements of the Prince Edward Island *Electrical Inspection Act* and regulations”;
- (d) in clause 9.4.4 of the Code, the words “CGA Standard CAN1-B149.2” are replaced by the words “the CSA Standard, CSA B149.1-00 applicable to natural gas and propane installations and the CSA Standard, CSA B149.2-00 applicable to propane storage and handling”;
- (e) in clause 10.12.2.6 of the Code, the words “CSA Standard C22.1” are replaced by the words “CSA Standard C22.1-98”;
- (f) in clause 10.15.1.1 of the Code, the word “CAN3-Z98” is replaced by the word “CAN/CSA-Z98-96”;
- (g) in clause 10.15.6 of the Code, the words “CSA Standard B44” are replaced by the words “CSA Standard, CAN/CSA B44-94”.

- Welding **5.** All requirements in the Code respecting welding are replaced by the requirements provided in sections 25 and 26.

#### PERMITS AND INSPECTIONS

- Application for permit **6.** An application for a permit to operate an amusement device shall be made, in the Form prescribed in Schedule B, by the owner of the amusement device.
- Alteration of device **7.** (1) Every owner of an amusement device shall, on application for a permit, inform the Department if the amusement device has been altered, subsequent to its original manufacture, by changing its structural design, inherent safety or operational characteristics.
- Notification and approval of alterations (2) Every owner shall notify, and obtain the approval of, the chief inspector before altering the structural design, inherent safety or operational characteristics of an amusement device for which a permit has been issued.
- Compliance of device (3) The chief inspector shall approve a proposed alteration referred to in subsection (2) where the owner of the amusement device demonstrates to the satisfaction of the chief inspector that the amusement device will continue to be in compliance with the standards prescribed by these regulations or the Code after the changes have been effected.
- Inspection of device **8.** (1) An amusement device  
 (a) shall be inspected by an inspector prior to issuance of a permit; and  
 (b) may be operated without a permit for the purpose of conducting an inspection.

- (2) An inspector may inspect an amusement device as frequently as is, in the opinion of the chief inspector, necessary. Frequency of inspection
- 9.** Every owner of an amusement device shall provide the labour, materials, tools, and equipment requested by an inspector for the purpose of carrying out an inspection pursuant to the Act and these regulations. Inspection
- 10.** (1) After a permit to operate an amusement device has been issued, an inspector may, with the consent of the owner or the operator, affix a registration plate and a date stamp to an amusement device. Affixing of registration plate and date stamp
- (2) Where the owner or the operator elects to affix the registration plate referred to in subsection (1), the registration plate shall only be affixed in the presence of an inspector. *Idem*
- 11.** A permit is valid only for the location named on the permit and expires on December 31 of the year of issuance unless Validity of permits
- (a) sooner suspended or revoked pursuant to the Act; or
- (b) otherwise expressly indicated on the permit.
- 12.** (1) Where an amusement device is to be temporarily located and operated at a community fair, community event or carnival, the owner or operator Posting of current registration plate
- (a) shall, subject to subsection 10(2), affix a current registration plate on the device; and
- (b) may satisfy the requirement of subsection 4(2) of the Act by maintaining the permit nearby for public viewing.
- (2) For the purposes of subsection (1), a registration plate is current only with respect to the year for which it is dated, as indicated either by the date affixed on the registration plate or by an accompanying date stamp placed beside or near the registration plate. Current date
- 13.** (1) An inspector who discovers by inspection or who otherwise has reason to believe that there is a contravention of these regulations which does not present an immediate safety hazard, may direct in writing the owner of the amusement device to take such action as the inspector considers necessary to make the amusement device comply with these regulations within the time specified in the direction. Contravention of regulations
- (2) An owner who is directed by an inspector under subsection (1) to take action in respect of an amusement device shall ensure that the action directed is taken. Compliance with direction
- (3) For greater certainty, where an inspector directs the owner of an amusement device to take action in respect of it under subsection (1) or subsection 11(1) of the Act, the issuance of the direction does not invalidate the owner's permit for the amusement device or preclude the suspension or revocation of that permit under section 10 of the Act. Invalidation

Responsibility of owner **14.** Notwithstanding any review, examination or inspection executed by an inspector, or the issuance of a permit, the owner of every amusement device shall be fully responsible for and ensure

- (a) the safety of the amusement device having regard to its design, manufacture, construction, testing, installation, operation, inspection, maintenance, alteration, repair, and evacuation of the device; and
- (b) compliance with the requirements of the Act and these regulations.

Fees **15.** Fees for inspections and the transfer of permits shall be paid to the Provincial Treasurer in accordance with Schedule A.

#### GENERAL

Safety requirements **16.** No owner of an amusement device shall cause or allow the amusement device to be operated unless the owner ensures that

- (a) all equipment, materials and safeguards required to comply with the standards prescribed by the Act and these regulations are maintained in good condition;
- (b) the amusement device is operated by a competent person;
- (c) the amusement device is maintained by a competent person; and
- (d) a daily examination of the amusement device is carried out by a competent person in conformity with section 6.9 of the Code and the recommendations of the manufacturer.

Conduct **17.** No person shall do or omit to do anything in, on, or near an amusement device in such a manner as to

- (a) impair the safe operation of the amusement device; or
- (b) endanger the safety of that person or any other person in, on, or near the amusement device.

Prohibition **18.** No person shall remove, displace, interfere with or damage any component or thing installed in, on or near an amusement device for its safe operation.

Disclosure of information **19.** (1) For the purposes of carrying out the duties of the administration of the Act or these regulations, an inspector may disclose any information, documents or test results obtained pursuant to the Act or these regulations.

*Idem* (2) The disclosure of information referred to in subsection (1) includes the disclosure of information to any other provincial jurisdiction according to any arrangement made with the jurisdiction to exchange information on amusement devices.

#### VARIANCES

Variations **20.** The provisions of sections 21 and 22 apply notwithstanding the standards prescribed elsewhere in these regulations or the Code.

**21.** Materials, equipment, systems, procedures and methods of design or construction, or any combination thereof, may be used as an alternative to the standards prescribed in these regulations or the Code where it has been shown to the satisfaction of the chief inspector that these alternatives provide an acceptable level of safety on the basis of tests, evaluation, or past performance.

Alternative standards

**22.** (1) In respect of an amusement device existing in the province at the coming into force of these regulations, and for which documentation or record of the technical design specifications are either non-existent or unavailable, the chief inspector may exempt the amusement device from strict compliance with the relevant provisions of the Code.

Code exemptions

(2) For the purposes of subsection (1), the chief inspector may require the owner to provide the chief inspector with the written recommendations of a professional engineer respecting the amusement device having regard to

Professional recommendations

- (a) maximum weight capacity;
- (b) maximum occupancy;
- (c) maximum operating speed;
- (d) necessary safety features;
- (e) structural testing and inspection and their frequency; and
- (f) any other safety-related recommendations that the engineer determines appropriate for the amusement device.

(3) Where the chief inspector grants an exemption pursuant to subsection (1), the chief inspector may

Conditional permit

- (a) issue a permit subject to conditions requiring the owner to comply with recommendations obtained in accordance with subsection (2); and
- (b) prescribe a specified period of time for the conditions to be met.

#### INSURANCE

**23.** (1) For the purposes of section 7 of the Act, the owner of an amusement device shall provide the chief inspector with documented proof of comprehensive general liability insurance of at least \$1,000,000.

Insurance

(2) Insurance required under subsection (1) shall be maintained for the entire period of the operation of the amusement device.

Duration of insurance

(3) In the event that the insurance required under the Act and these regulations is cancelled, suspended or otherwise becomes invalid, the insurer shall, as soon as is reasonably possible, report the cancellation, suspension or invalidity to the chief inspector.

Suspension of insurance

#### WELDING

**24.** (1) Subject to subsection (2), the requirements of sections 25 and 26 shall apply to all welding of amusement devices.

Welding

Exception	<p>(2) Where, in the opinion of the chief inspector, a manufacturer's specifications are</p> <p style="margin-left: 20px;">(a) based on sound engineering principles; and</p> <p style="margin-left: 20px;">(b) indicate that the requirements of sections 26 or 27 are inadequate or inappropriate,</p> <p>the chief inspector may permit welding of an amusement device based on the manufacturer's specifications.</p>
Standards - piping and fittings	<p><b>25.</b> (1) The welding of piping and fittings containing an internal pressure greater than 103 kPa on an amusement device shall conform to CSA Standard B51-M1986, Boiler, Pressure Vessel and Pressure Piping Code.</p>
Qualified welder	<p>(2) The welding referred to in subsection (1) shall be carried out by a person who is qualified in accordance with CSA Standard B51-M1986, Boiler, Pressure Vessel and Pressure Piping Code.</p>
Standards - stress-bearing parts	<p>(3) The welding of stress-bearing parts of an amusement device, other than parts referred to in subsection (1), the failure of which could create an unsafe condition, shall conform to CSA Standard W59-1989, Welded Steel Construction (Metal Arc Welding).</p>
Qualified welder	<p>(4) The welding of stress-bearing parts of an amusement device, other than parts referred to in subsection (1), the failure of which could create an unsafe condition, shall be carried out by a person who is qualified in accordance with CSA Standard W47.1-92, Certification of Companies for Fusion Welding of Steel Structures or CSA Standard W47.2-M1987, Certification of Companies for Fusion Welding of Aluminium, as the case requires.</p>
Welding of other parts	<p>(5) The welding of parts not referred to in subsections (1) and (3) shall be carried out by a competent person.</p>
Alternative certification	<p><b>26.</b> As an alternative to subsection 25(4), the chief inspector may accept welding done by a person certified in accordance with other nationally recognized codes where the chief inspector is satisfied that</p> <p style="margin-left: 20px;">(a) the quality assurance requirements and procedures applied ensure an equivalent level of safety; and</p> <p style="margin-left: 20px;">(b) the owner of the amusement device has provided the engineering requirements as outlined in CSA Standard W47.1-92 for the welding of stress-bearing parts of the amusement device.</p>

#### GO-KARTS

Duty of owner and operator	<p><b>27.</b> (1) The owner and the operator of a go-kart shall ensure that the go-kart is designed, constructed, equipped, limited or governed in performance, and operated in accordance with the Act and these regulations.</p>
<i>Idem</i>	<p>(2) The owner and the operator of a go-kart track shall ensure that it is designed, constructed, equipped and operated in accordance with the Act and these regulations.</p>

- 28.** No operator of an adult kart shall permit a person to use the adult kart unless the person
- (a) is at least 132 cm or 52 inches in height; and
  - (b) has a leg length that is sufficient to reach the brake and throttle controls from the driver's seat.
- Physical requirements - adult karts
- 29.** No operator of a kiddie kart shall permit a person to use a kiddie kart unless the person
- (a) does not exceed 137.5 cm or 54 inches in height; and
  - (b) has a leg length that is sufficient to reach the brake and throttle controls from the driver's seat.
- Physical requirements - kiddie karts
- 30.** (1) Subject to subsection (2), no person shall use a go-kart unless the person wears a helmet in accordance with the recommendations of manufacturer of the helmet and the go-kart.
- Helmet required
- (2) Where a go-kart manufacturer's recommendations do not include the wearing of a helmet, a person may use the go-kart without wearing a helmet.
- Where helmets not required
- (3) An operator of a go-kart shall have available at the go-kart track, for the use of a person who wishes to wear a helmet when using the go-kart, a selection of suitable helmets that shall be, in number, not less than
- (a) two, if 29 or fewer go-karts are operated at the go-kart track by the operator; or
  - (b) three, if 30 or more go-karts are operated at the go-kart track by the operator.
- Helmets to be available
- 31.** No person under the influence of intoxicants shall use or ride a go-kart.
- Intoxicated persons
- 32.** No person shall use or occupy a go-kart that is being used or occupied by another person, unless the go-kart is equipped to seat two persons.
- Number of persons
- 33.** (1) No person with hair longer than shoulder length shall use a go-kart, unless the person's hair is tied up or otherwise secured so as to make it shoulder length or shorter.
- Hair length
- (2) No person who is smoking shall use a go-kart.
- Smoking prohibited
- (3) No person who is wearing loose clothing which could interfere with the safe operation of the go-kart shall use a go-kart, unless the person's clothing is safely secured.
- Loose clothing
- 34.** (1) Except as set out in subsections (2) and (3), the speed of every go-kart shall be limited or governed not to exceed the maximum speed for which the go-kart and the go-kart track is designed.
- Speed limitations
- (2) The speed of an adult kart shall be limited or governed not to exceed 45 km an hour.
- Speed of adult kart

---

---

Speed of kiddie kart	(3) The speed of a kiddie kart shall be limited or governed not to exceed 16 km an hour.
Adjustment of speed	(4) Where the design of a go-kart enables the readjustment of its speed to exceed the limits set out in subsections (2) or (3), the means of adjusting the speed shall not be accessible to the person using the go-kart.
Design of go-kart	<b>35.</b> The seat, back rest, and leg area of every go-kart shall be designed to safely restrain the users inside the go-kart in the event of a collision to the front, rear or side of the go-kart.
Safety requirements	<b>36.</b> Rotating, moving or hot engine parts of a go-kart that may constitute a safety hazard to the users of the go-kart shall be, shielded to prevent burns to the users or the entanglement of the users' hair, hands, feet, or clothing.
Brakes	<b>37.</b> A go-kart shall be equipped with brakes that are designed and adjusted to enable a driver who weighs 90 kg or 40 lb. to slow down and stop the go-kart from its maximum speed within a distance of 12 m or 39 feet.
Steering mechanism	<b>38.</b> (1) The steering wheel and its hub and all exposed components on a go-kart that are located between the seat and the steering wheel shall be padded and designed to minimize the risk of injury to a user in the event of a collision or upset.
Head rest or roll bar	(2) A head rest or roll bar on a go-kart that protrudes above the seat back of the go-kart shall be padded.
Brake and throttle	<b>39.</b> The brake and throttle controls of a go-kart shall (a) be foot-operated and readily recognizable as to function; and (b) return automatically to a non-operational position when released.
Impact features	<b>40.</b> A go-kart shall be provided with impact-absorbing bumpers or body parts on the front of the go-kart.
Wheels	<b>41.</b> The wheels of a go-kart shall be enclosed or guarded to prevent the wheel of one go-kart interlocking with or riding over the wheel of another go-kart.
Fuel tank	<b>42.</b> The fuel tank of a go-kart shall be designed and mounted to prevent damage to the fuel tank if the go-kart rolls over.
Compatibility of parts	<b>43.</b> All go-karts that are operated simultaneously on a go-kart track shall have bumpers, body parts and wheels that are compatible.
Go-kart track	<b>44.</b> A go-kart track shall (a) have a hard and smooth surface; (b) provide road grip sufficient to enable a go-kart to be driven safely at maximum speed and to stop within the stopping distance set out in section 37; and

(c) be free of ruts, holes or bumps.

**45.** White or yellow lines that are at least 10 cm or 4 inches in width shall be used to mark all inside and outside edges of a go-kart track, except where barriers that are built in accordance with subsection 47(4) are provided along the inside and outside edges of the entire go-kart track. Track markings

**46.** (1) A go-kart track shall be equipped with ABC dry chemical fire extinguishers of 2.25 kg or 1 lb. each in locations referred to in subsection (2). Fire extinguishers

(2) A fire extinguisher shall be located within 70 m or 230 feet of every section of the go-kart track, and at least one fire extinguisher shall be kept in the pit area. Location of fire extinguishers

(3) The location of each fire extinguisher shall be prominently marked, and the fire extinguisher easily identified and accessed. Identification of fire extinguishers

**47.** (1) The shoulder of every go-kart track shall Go-kart track shoulder
