--------------	---

wind turbine tower plus the distance from the top of the wind tower to the highest point of its rotor blades' arc;

(e) by the addition of the following after clause (y):

(y.1) "wind turbine" means a turbine that converts wind energy into mechanical or electrical energy by means of one or more rotor blades that rotate around a hub connected to a gearbox and generator inside a nacelle; wind turbine

(y.2) "wind turbine tower" means a structure that supports a wind turbine and the rotor blades which turn the wind turbine; wind turbine tower

(y.3) "wind energy conversion system development" means a development that is designed, intended or developed for the production of mechanical or electrical energy from wind energy by means of one or more wind turbines and includes wind energy
conversion system
development

- (i) any associated wind turbine towers,
- (ii) any associated buildings or structures that are required for the transmission of that mechanical or electrical energy or for the maintenance of the development, and
- (iii) any access road to the development.

2. Subsection 6(2) of the regulations is amended

(a) by the deletion of the period after clause (e) and the substitution of a semicolon; and

(b) by the addition of the following:

(f) a wind energy conversion system development.

3. The regulations are amended by the addition of the following after section 54:

E - WIND ENERGY CONVERSION SYSTEM DEVELOPMENTS

54.1 (1) In this section

Definitions

(a) "permit holder" means the person who holds a development permit for a wind energy conversion system development; permit holder

(b) "sign" means any visual communication device, notice or medium created or manufactured for the purpose of providing information of any kind and includes any electric sign, flag or notice. sign

(2) No permit holder shall locate a wind turbine tower closer than the distance equal to three times the total height of the wind turbine tower from any existing habitable building. Setback from
habitable buildings

- Set back from lot lines and roads (3) Subject to subsection (4), no permit holder shall locate a wind turbine tower closer than the distance equal to the total height of the wind turbine tower from
- (a) any part of a lot line of a lot that is not owned by the permit holder; or
 - (b) the nearest boundary of a public road, private road or right-of-way, except for any access road to the wind energy conversion system development.
- Exception - consent of owner of lot within the setback (4) A permit holder may locate a wind turbine tower closer than the distance equal to the total height of the wind turbine tower from any part of a lot line of a lot that is not owned by the permit holder if the permit holder first obtains the written consent of the owner of that lot.
- Set back for new habitable buildings (5) No person shall locate a habitable building closer to an existing wind turbine tower than the distance equal to the total tower height of the wind turbine tower.
- Application of subdivision provisions (6) Sections 12 to 30 do not apply in respect of the subdivision of a parcel of land for the purposes of a wind energy conversion system development.
- Signs (7) Subject to subsections (8) and (9), no permit holder shall cause, or permit, a sign to be displayed on any part of a wind turbine tower that is owned, constructed or located by the permit holder.
- Sign of side of tower (8) A permit holder may cause, or permit, a single sign to be displayed on the side of a wind turbine tower if the sign
- (a) sets out the name, or contains the logo, of the permit holder or the manufacturer of the wind turbine tower;
 - (b) is located within 10 feet of the grade or base of the wind turbine tower; and
 - (c) is less than 1.5 square metres (16.15 square feet) in area.
- Sign on nacelle of tower (9) A permit holder may cause, or permit, a single sign to be displayed on the nacelle of a wind turbine tower if the sign sets out the name, or contains the logo, of the permit holder or the manufacturer of the nacelle.

4. In section 68 of the regulations, Table 12 is amended by the addition of the following to the item governing applications for development permits:

	wind energy conversion system development	\$1,000 per wind turbine tower
--	---	--------------------------------

5. These regulations come into force on July 3, 2004.

EXPLANATORY NOTES

SECTION 1 adds definitions for terms used elsewhere in the regulations in respect of a wind energy conversion system development.

SECTION 2 clarifies that a wind energy conversion system development is permitted on a lot or parcel served by a private road.

SECTION 3 sets out the setbacks required in respect of location of wind turbine towers, and in respect of new habitable buildings. The section also clarifies that certain provision of the regulations respecting subdivisions do not apply to wind energy conversion system developments. In addition, the section sets out restrictions on the signs that may be displayed on a wind turbine tower or on a nacelle.

SECTION 4 adds a fee for the issuance of a development permit for a wind energy conversion system development.

SECTION 5 provides for the commencement of these regulations.
