(2) The Minister may terminate the appointment of a Committee member by providing written notice to the Committee member where the Committee member

(a) has ceased to be a resident of the province;

(b) has failed to declare the Committee member’s conflict of interest in the matter pursuant to section 5; or

(c) has had the Committee member’s license suspended or revoked by an appropriate regulatory body pursuant to clauses 28(2)(a) or (b) of the Act.

Conflict of interest

5. Where a Committee member knows or ought reasonably to know that he or she may be in a conflict of interest with respect to a matter before the Committee, that Committee member shall

(a) declare his or her interest at the outset of that meeting; and

(b) refrain from voting on that matter.

INTERCHANGEABLE DRUG LIST

Interchangeable
drug list

6. Before making any recommendations to the Minister with respect to the establishment of the interchangeable drug list, the Committee shall review the interchangeable drug lists of other jurisdictions and the drug products currently listed as being interchangeable by Prince Edward Island drug benefit plans in the province.

Ministerial review

7. The Minister shall review the recommendations of the Committee and may

(a) approve the Committee’s recommendations;

(b) add further drug products to the list recommended by the Committee; or

(c) remove drug products from the interchangeable drug list recommended by the Committee where the Minister considers it is in the public interest to do so.

8. Where the Minister considers it is in the public interest to do so, the Minister shall place a caution on a drug product on the list, including a caution that the drug product is interchangeable only in the treatment of a specific illness or condition. Caution

9. Only Schedule I drugs shall be included in the interchangeable drug list. Prescription drugs

10. (1) For each strength and dosage form of a drug product that a manufacturer wishes to be considered for inclusion on the interchangeable drug list, the manufacturer shall submit to the Committee the following documentation: Required documentation

 - (vii) health authorities in the province;
- (d) evidence that the manufacturer is able to supply the drug product in quantities sufficient to meet the anticipated demand in the province;
- (e) evidence that the drug product is currently listed in the *Compendium of Pharmaceuticals and Specialties*, or a letter of intent to have the drug product so listed;
- (f) evidence showing that
 - (i) the dosage form, strength, formula, manufacturing process, and testing standards of the submitted drug product are identical to those of the original drug product to which it is compared,
 - (ii) Health Canada has designated the submitted drug product as being equivalent to the original drug product to which it is compared through designation of the original drug product as the Canadian Reference Product under the Food and Drug Regulations (Canada), or
 - (iii) comparative bioavailability studies on humans, comparative clinical studies on humans, or both, or other *in vivo* studies, show the interchangeability of the submitted drug product with the original drug product to which it is compared.

(2) Where the requirement in clause 10(1)(b) cannot be met because Health Canada has not approved a product monograph for the drug Exception

product being submitted to the Committee by the manufacturer, the manufacturer shall submit the following to the Committee:

- (a) pharmaceutical information;
- (b) information with respect to the clinical pharmacology of the drug product;
- (c) information with respect to the indications and clinical use of the drug product;
- (d) a list of any contraindications, warnings, or precautions in the use of the drug product and possible adverse reactions to its use;
- (e) a list of symptoms of an overdose of the drug product and information with respect to the treatment of an overdose;
- (f) information with respect to the dosage and administration of the drug product;
- (g) information with respect to the availability of dosage forms for each strength of the drug product marketed in Canada.

Committee
recommendation

11. The Committee may recommend to the Minister that a drug product be placed on the interchangeable drug list where

- (a) the dosage form, strength, formula, manufacturing process, and testing standards of the drug product are identical to those of the original drug product to which it is compared;
- (b) the drug product is designated by Health Canada as being equivalent to the original product the drug product is being compared with, through designation of the original drug product as the Canadian Reference Product under the Food and Drug Regulations (Canada);
- (c) the drug product is designated as an interchangeable drug product in another Canadian jurisdiction and is available for purchase by pharmacies in the province; or
- (d) the drug product is shown, to the satisfaction of the Committee, in comparative bioavailability studies on humans, comparative clinical studies on humans, or both, or other *in vivo* studies, to be the equivalent to the original product.

Refusal in public
interest

12. On receipt of a recommendation from the Committee for the placement of a drug product on the interchangeable list, the Minister may, notwithstanding the recommendation, refuse to place the drug product on the interchangeable drug list if the Minister considers it advisable, in the public interest, to do so.

Immediate removal
of drug product

13. (1) The Minister shall immediately remove a drug product from the interchangeable drug list where

- (a) Health Canada has withdrawn its approval for the sale of the drug product in Canada; or
- (b) the Minister considers it advisable in the public interest to do so.

Removal of drug
product within 180
days

(2) The Minister shall remove a drug product from the interchangeable drug list within 180 days of receipt of either:

- (a) a notification from the manufacturer that the sale of the drug product in Canada has been discontinued; or
- (b) a notification from Health Canada or the manufacturer that all other products that the drug product is listed as being interchangeable with have been discontinued by the manufacturer or are no longer approved for sale in Canada.

- 14.** The Minister shall cause the interchangeable drug list and any changes made to it to be
- (a) circulated to all pharmacies and all physicians in the province; and
 - (b) posted on the government website.
- Circulation and posting of interchangeable drug list

RULES FOR PRESCRIBING AND DISPENSING INTERCHANGEABLE DRUG PRODUCTS
