Definitions

2(1) In this order

(a) "quota lease" means an agreement granting the temporary assignment of milk quota from one registered quota holder (in this order registered quota holders are also referred to as producers) to another for a fee, which lease agreement established pursuant to this order is differentiated from leases made under the *Catastrophe Clause Quota Leasing Policy* established pursuant to MMB Order 01-02 dated 1 August 2001;

(b) "lessee" means a producer who has gained temporary use of a quantity of quota from another producer by way of a quota lease;

(c) "lessor" means a producer who has granted temporary use of a quantity of quota to another producer by way of a quota lease;

(d) "lease-in" means quota leased by a producer from other producers;

(e) "lease-out" means quota leased by a producer to other producers;

(f) "producer" means a producer of milk;

(g) "quota" means a producer's share of the market for milk products as determined by the Board and assigned to a producer by the Board;

(h) "quota leasing exchange" means an exchange established controlled and operated by the Board for the leasing of quota by producers on conditions established by the Board.

(2) The words herein shall have the meanings as found in the *Natural Products Marketing Act*, the Dairy Farmers of Prince Edward Island Regulations under the Act, and prior orders of the Board applied to this Order with necessary modifications.

Quota Lease

3. A quota lease shall be entered into between producers under the conditions established by this order.

Lease Quantities
and Limits

4. Quota may be leased in quantities expressed in kilograms of butterfat per day rounded to one decimal. The quantity of quota an individual producer may lease at any one time shall be limited to an amount specified from time to time by a Board Order. The specified maximum a producer may lease-in or lease-out effective 1 July 2005 shall be equal to not more than twenty-five percent (25%) of his quota holding in the month of the lease.

Term of Lease

5. Quota leases shall be for a period of one month only and shall expire at the end of each calendar month.

Quota Leasing
Exchange

6. The Board shall operate a quota leasing exchange for facilitation of quota leasing between producers.

7. A producer is permitted to enter into a quota lease directly with another producer, without participation in the quota leasing exchange.

Registration Fee

8. A registration fee of \$20.00 shall be paid to the Board at the time of all producer-to-producer leases for the purpose of administering the leasing of quota.

Registration
of Leases

9. All producer-to-producer leases shall be registered with the Board using a Quota Leasing Agreement Form. Lease agreements, together with required payments and registration fees, must be delivered to the Board office by 4 PM on the twenty-second day of the month preceding the month for which the quota is being leased. Where the twenty-second of a month falls on a weekend or a statutory holiday, the board shall accept producer-to-producer lease agreements on the next business day.

Payment

10. All lessee payments for quota leases, regardless if the lease was under the quota leasing exchange or by a producer-to-producer lease agreement, shall be payable to Dairy Farmers of Prince Edward Island and payments shall be disbursed to lessors by the Board.

Default of
Payment

11. In the event of default of payment for a quota lease, the Board shall require the lessee to remit guaranteed payment, by bank draft or comparable payment instrument, within 2 business days of notice to a lessee that their payment has been dishonoured. The guaranteed payment remitted shall be sufficient to pay the cost of the lease and any related service charges levied by third parties.

12. In the event of default of payment for a quota lease for which a producer is unable to provide guaranteed payment within 2 business days, as outlined in section 10, Dairy Farmers of Prince Edward Island shall retain to the right to offset the indebtedness created by the default of payment against future revenues for milk

sales, and shall withhold the required funds from future milk sales payments to the lessee for settlement of the account.

Assignment
to Lenders

13. A lessee may not assign leased quota to lenders. A lessor's obligation created by an assignment of quota to a lender is not relieved because any portion of that quota has been temporarily leased to another producer.

ORDER: DFPEI 2005-06
EFFECTIVE: 1 July 2005

Under the Dairy Farmers of Prince Edward Island Regulations and under the *Natural Products Marketing Act*, R.S.P.E.I.1988, Cap. N-3, Dairy Farmers of Prince Edward Island makes the following Order:

QUOTA LEASING EXCHANGE ORDER

Application 1. This Order provides for the establishment, control and operation by Dairy Farmers of Prince Edward Island of a quota leasing exchange to be operated for milk producers.

Definitions 2(1) In this order

(a) "quota lease" means an agreement granting the temporary assignment of milk quota from one registered quota holder (in this order registered quota holders are also referred to as producers) to another for a fee. A quota lease as referred to in this order is a lease as established in DFPEI Order 2005-05 and is differentiated from leases made under the *Catastrophe Clause Quota Leasing Policy* created in MMB Order 01-02 dated 1 August 2001.

(b) "lessee" means a producer who has gained temporary use of a quantity of quota from another producer by way of a quota lease;

(c) "lessor" means a producer who has granted temporary use of a quantity of quota to another producer by way of a quota lease;

(d) "cleared" means the process by which the Board shall conduct the temporary leasing of quota between producers who participate in the exchange;

(e) "daily quota" means an amount of kilograms of butterfat that may be produced in one day, expressed to one decimal point;

(f) "lease month" means the calendar month in which a producer's quota shall be adjusted by the amount of quota leased to or from other producers;

(g) "lease clearing price" means the price at which the amount of quota offered for lease from producers on an exchange equals, or comes closest to, the amount of quota bid for leasing to producers, except that where the volume is the same for more than one price, the lowest price shall be used;

(h) "lease-in" means quota leased by a producer from other producers;

(i) "lease-out" means quota leased by a producer to other producers.

(2) The words herein shall have the meanings as found in the *Natural Products Marketing Act*, the Dairy Farmers of Prince Edward Island Regulations under the Act, and prior orders of the Board applied to this Order with necessary modifications.

Exchange established

3. The Board hereby establishes and will operate a quota leasing exchange for the lease of daily quota held by producers.

Eligible producers	4. Only producers registered by the Board shall be eligible to participate on the quota leasing exchange.
Offer prices	5. Producers may offer to lease quota in or lease quota out at any price.
Offer amounts	6. Producers may offer to lease quota within the limits established by Board Order 2005-05, or other limits as may be established by the Board in future orders, in increments of 0.1 kilograms of butterfat.
Offer forms	7. Producers offering to lease quota on the exchange shall only submit offers on a form provided by, or approved by, the Board.
Delivery of forms	8. Offers to lease quota must be received at the Board office by the close of business on the twenty-second day of the month prior to the lease month. The Board will accept a facsimile copy of an offer to lease quota on or prior to the close of business on the twenty-second day of the month, provided that the producer mails the original signed copy of the form to the Board within one day of the facsimile copy being sent.
Weekends and holidays	9. Where the twenty-second day of a month falls on a weekend or a statutory holiday, the Board shall accept offers to lease quota up to the close of business on the next business day.
Change or cancellation of offers	10. A producer may change or cancel an offer to lease quota provided that such change or cancellation is made in writing and the notice of change or cancellation is received at the Board office prior to the close of business on the twenty-second day of the month prior to the lease month, or the next business day if the twenty second day of the month falls on a weekend or a statutory holiday.
Determination of market clearing price	11. Offers to lease quota shall be used to establish the lease-clearing price of the exchange in the following manner: (1) Offers to lease-out quota shall be accumulated based on the prices at which the quota is offered for lease-out, from the lowest to the highest price offered. (2) Offers to lease-in quota shall be accumulated based on the prices at which producers have bid for quota to lease in, from the highest price to the lowest bid price. (3) If no point is reached where the amount of quota offered for lease-out is equal to, or nearly equals, the amount of quota bid for lease-in, the exchange shall be deemed to have not cleared and no transactions shall take place on that exchange.
Selection process	12. Where the amount of quota offered for lease-out and the amount of quota bid for lease-in from other producers at the clearing price does not equal, the Board shall distribute the available quota in the following manner: (a) If the amount of quota offered for lease-out at or below the lease clearing price is greater than the amount of quota bid for lease-in at the lease clearing price, the Board shall establish leases for the quota offered for lease-out based on the order in which the offers to lease were received at the Board office.

(b) If the amount of quota bid for lease-in at or above the lease clearing price is greater than the amount of quota offered for lease-out at the lease clearing price, the amount of quota leased out shall be distributed in 0.1 kilograms of butterfat lots until the amount of quota offered for lease-out at or below the clearing price is fully distributed.

- Clearing date 13. The Board shall establish the clearing price and clear the exchange on the twenty-seventh day of the month prior to the lease month except that where the twenty-seventh day of the month falls on a weekend or a statutory holiday the Board shall establish the clearing price on the evious business day.
- Settlements 14. Producers offering to lease-in quota on an exchange shall provide the Board with a cheque, payable to the Board, that covers the full amount of the offer to lease, plus the appropriate service charge, dated no later than the twenty-second day of the month prior to the lease month.
- Deposit of cheques 15. The Board shall deposit cheques for successful lease bids on the business day immediately following the day on which the exchange is run.
- Settlements to lessees 16. The Board shall issue settlements to lessees for overpayments on the tenth day of the lease month.
- Settlements to lessors 17. The Board shall issue settlements to lessors of quota, less applicable service charges, on the tenth day of the lease month.
- Adjustments to producer quotas 18. The Board shall debit lessor's quota with the amount of quota leased out and credit lessee's quota with the amount of quota leased in on the first day of the lease month. The leased quota shall revert to the lessor on the first day of the month following the lease month.
- Service charges 19. Producers shall pay to the Board a service charge of \$3.00 for each successful offer to lease in or lease out quota and for each change in an offer as provided in section 10 of this order.
- Default of Payment 20. In the event of default of payment for a quota lease, the Board shall require the lessee to remit guaranteed payment, by bank draft or comparable payment instrument, within two business days of notice to a lessee that his payment has been dishonoured. The payment remitted shall be sufficient to pay the cost of the lease and any related service charges levied by third parties.
- Right of Offset 21. In the event of default of payment for a quota lease for which a producer is unable to provide payment within two business days, as outlined in section 20 of this Order, the Board shall retain the right to offset the indebtedness created by the default of payment against future revenues for milk sales of the lessee, and shall withhold the required funds from future milk sales payments to the lessee for settlement of the account.
- Unsuccessful offers 22. Producers who are not successful in leasing-in quota on an exchange shall have their cheques returned to them on the day the exchange clears.

Accounting 23. The Board shall maintain accounting records for the operation of the exchange and shall submit audited financial statements on the records of the exchange at its annual meeting and make an accounting of its operation based on the fiscal year of Dairy Farmers of Prince Edward Island.

Revocation 24. Dairy Farmers of Prince Edward Island Order # 2004-02, dated the 6th day of July 2004, is hereby revoked.

EXPLANATORY NOTES

SECTION 1 authorizes the board to update the register of production units on June 30 each year, and at any other time during a year where a ballot vote is being taken among registered production units. Under the current regulations, the Board is required to maintain a continuous up-to-date register of production units.

SECTION 2 increases the number of registered producers elected to the Board to 12 from 9, and re-defines the boundaries of the three districts described in the current regulations into four districts using the boundaries of the agricultural districts.

SECTION 3 removes the initial term of the members on the Board since this section was redundant once the first election took place after enactment of the regulations.

SECTION 4 more clearly defines the balloting process, including the documents mailed to registered producers. The section replaces the requirement to have the registered producer's signature on the

counterfoil, with the requirement that the counterfoil contain the name of the production unit and the producer's name. The section also revokes the requirement that the returning officer compare the signature of the registered producer on the counterfoil with the signature of the producer on the register of production units.

SECTION 5 grants authority for members of the Board to serve two consecutive three-year terms in office. The current regulations only allow members of the Board to serve one full three-year term in office.

SECTION 6 provides for the commencement of these regulations.
