1) Transfer Payment Program:				
Atlantic Investment Partnership (AIP) Initiative Atlantic Innovation Fund (AIF) Strategic Community Investment Fund (SCIF) Atlantic Trade and Investment Partnership (ATIP) Tourism Entrepreneurship and Business Skills Development (EBSA)				
2) Start Date:	3) End Date:		4) Total Funding:	
May 10, 2001	AIF	March 31, 2006	\$286.7 million	
	SCIF	March 31, 2006	174.0 million	
	ATIP	March 31, 2006	34.4 million	
	Tourism	March 31, 2006	10.5 million	
	EBSA	March 31, 2006	<u>41.6 million</u>	
			\$547.2 million	
5) Purpose of Transfer Payment Program:				
To stimulate stronger economic growth in Atlantic Canada by making strategic investments in five areas: innovation; community economic development; trade and investment; tourism; and entrepreneurship and business skills development.				
6) Objective(s), expected result(s) and outcomes:				
<p>AIF focusses on assisting projects in the area of the natural, applied and social sciences, as well as in the humanities, where these are linked explicitly to the development of technology-based products, processes or services or their commercialization, and thereby strengthen the region's system of innovation.</p> <p>SCIF focusses on rural communities and supports strategic initiatives that enable communities to adopt new technologies, enhance the competitiveness of their industrial base, and develop their economic infrastructure.</p> <p>ATIP and Tourism initiatives seek to expand sales to international markets and attract foreign direct investment and strengthen trade education and skills development.</p> <p>EBSA is intended to increase the number of Atlantic Canadians who choose to start their own businesses, improve the ability of existing businesses to compete and grow successfully, and improve the innovation and technical competencies of Atlantic Canada's SMEs.</p>
