

Access to Financing - New Brunswick

Whether you're starting, expanding or modernizing your business or in need of working capital, securing the right financing for your operations can be one of the greatest challenges you'll face as an entrepreneur.

The Women in Business Initiative (WBI) is designed to help women entrepreneurs in Atlantic Canada succeed in business. Improving women's access to financing for business start up and growth in the Atlantic region is a primary objective.

To this end, the Atlantic Canada Opportunities Agency (ACOA) and the Atlantic Association of Community Business Development Corporations (AACBDC) have joined forces. Together, with 10 Community Business Development Corporations (CBDCs) in rural areas throughout New Brunswick, along with teams of lenders in urban New Brunswick Centres, we are working to increase financing opportunities for qualifying women entrepreneurs.
