 [www.gentleisland.com/fall](http://www.gentleisland.com/fall)

 *On the Island, the landscape is green and gentle and our relaxed lifestyle matches our surroundings. A fall vacation here means no traffic, no line-ups and a host of easy-going activities to choose from. Picture a mid-morning brunch, a leisurely game of golf and dinner served in the dining room of your country inn. Or how about a day of touring from craft shop to gallery followed by an evening at a community ceilidh.*
