★★★★★ (B&B)

Celebrate your special occasion at the romantic Barachois Inn. The Gallant House was built in 1880 for merchant Joseph Gallant. The MacDonald House, built in 2001, offers spacious and luxurious accommodation. This 5-star B&B is located in one of the oldest Acadian settlements (1760), nestled in the rolling landscape with spectacular views of Rustico Bay and Robinson's Island. The Inn has been tastefully restored to its former graciousness with period antiques and art.

**PACKAGE INCLUDES:** spacious accommodation; antique beds; full breakfast daily; bathrobes; welcome gift; \$75 voucher for dinner at the Olde Glasgow Mill; and admission for two to the Farmers' Bank of Rustico Museum. As a special treat, we have also included a romantic carriage ride beginning at the Anne of Green Gables Museum, touring the homestead, flower gardens and along the Lake of Shining Waters to a private beach (picnic lunch included).
