HOW TO COMPLETE THE FORM

Area A: Identification

- Complete this area in full so that we know exactly who you are and what return you want us to reassess.

Area B: Authorization

- Complete this area if you are authorizing a person or firm to make this request on your behalf.
- You have to authorize us to discuss your tax matters with this person or firm by providing a signed letter or Form T1013, *Authorizing or cancelling a representative*. You do not have to provide a letter or Form T1013 if there is already one on file.

Note: You can get Form T1013 from any Canada Revenue Agency (CRA) office or our website at www.cra.gc.ca or by calling **1-800-959-2221**.

Area C: Adjustment details

- Please provide all details for each change you request (you do not have to show a recalculation of your taxes).
- Show any losses in brackets (e.g., self-employed business loss).
- If you are changing a line on which you already claimed an amount (see Example 1, below) and you did not previously provide the supporting documentation, you now have to provide supporting documentation for the entire revised amount.
- Supporting documentation may include receipts, schedules, or other relevant documents. Your request may be delayed if you do not provide all required information with this form.
- You can get more information about CRA's rules and policies for reassessments in Information Circular 75-7R3, *Reassessment of a Return of Income*. You can get IC75-7R3 from any CRA office or our website at www.cra.gc.ca or by calling **1-800-959-2221**.
- Following are two examples of how to complete this area.

Example 1

Mary filed her 2000 return reporting the following information:

Employment income	\$28,600
Union dues	\$500

After receiving her *Notice of Assessment*, Mary received an additional T4 slip. It showed \$200 in income and \$20 for union dues. To request a change to her return, Mary will complete Area C as follows:

Line number from return or schedule	Name of line from return or schedule	Previous amount	+ -	Amount of change	Revised amount
101	Employment income	28,600	+	200	28,800
212	Union dues	500	+	20	520

Note: Even though Mary did not submit receipts with her tax return for the original union dues claim of \$500, she must now submit those receipts along with her additional T4 slip.

Example 2

In certain situations there may not be a line number to use when requesting a change. Complete the form as shown in the following example.

John filed his 1999 return, claiming the goods and services tax (GST) credit. When he received his *Notice of Assessment*, John realized that he had not claimed the credit for his infant son, born on December 15, 1999. Since there is no line number for this claim, John will complete Area C as follows:

Line number from return or schedule	Name of line from return or schedule	Previous amount	+ -	Amount of change	Revised amount
-	GST credit – number of children	0	+	1	1

Area D: Certification

- Make sure either you or your authorized representative signs and dates the request for a change to your return.
