

Greening Spaces Application:

Please use the following format for your proposal.

Date of application: _____

Contact Information: _____

Project Representative: _____

Name of School, Community
or Volunteer Interest Group: _____

Mailing Address: _____

Internet E-mail Address: _____

Telephone: _____

Fax: _____

Personal information on this form is collected for the purposes of administering the Greening Spaces program offered by the Department of Agriculture and Forestry. If you have any questions about this collection of personal information, you may contact the Manager, J. Frank Gaudet Tree Nursery, Upton Rd. P.O. Box 2000, Charlottetown, PE, C1A 7N8, (902) 368-4711. Information may be verified.

Project Information:

1. Why do you want to do this work? Please include a description of the educational, community and/or environmental benefits of the project.

2. Do you have a letter of permission from the school board, council, voluntary organization or owner of the land to be planted? Please attach.

3. How many and which species of trees and shrubs do you propose to plant?

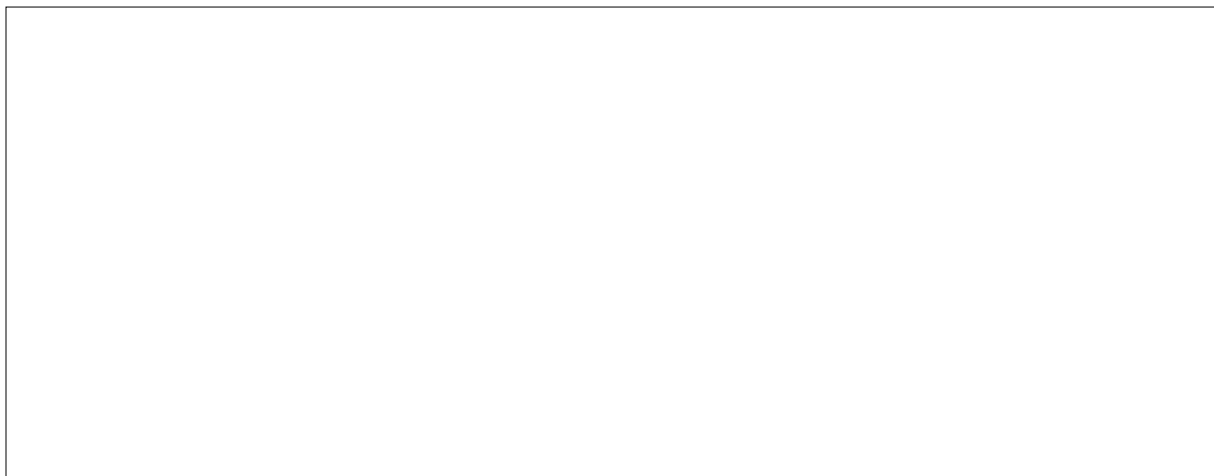

4. What kinds of equipment and supplies will you need? (For example, do you need to rent a roto-tiller to prepare the area you wish to plant? Do you need mulch, shovels, or other materials?)

5. When would you like to begin your project (fall or spring)?

6. Who will prepare the site, plant the trees, and maintain the site with regular watering, weeding, mulching, pruning, and general cleanup?

7. Outline your plans for communications, recognition and promotion of your GSP project (Describe your plans/arrangements for media involvement, public awareness, project announcement, and recognition of the Department's contributions. This should be designed to help others learn about your work and how they could benefit from the GSP.)

8. Attach a photograph of the planting site or sketch a drawing of the proposed site in the box below. (including the dimensions, in meters, of the area(s) to be planted?)

Budget Information:

Please tell us what you need to make your project a success. You should provide a breakdown of costs, which includes:

- Trees and shrubs (no cost, but please list numbers and species)
- Site preparation (e.g., rental of rototiller, hiring a tractor, etc.)
- Consulting fees (e.g., professional planting plan)
- Travel (e.g., students may need to be bussed to the planting site)
- Materials (e.g., mulch, tree guards, shovels)
- Service in-kind (Describe time, expertise, materials, equipment, etc. that were volunteered.)

- Total support requested. (There is a maximum of \$500 per project - provide as much detail as possible)
- Total number of each tree and shrub species requested.

Signature of Applicant/contact person:

I certify that the information in this application is correct and accurate.

Please send your proposal to:
